State of Maine
Governor’s Energy Office
RFP# 202205077
Clean Energy Partnership – Workforce Development

The State of Maine is seeking proposals for programs/services that advance workforce development and training for the clean energy and energy efficiency fields. Strengthening the supply of clean energy and energy efficiency workers will help the state to meet its climate and clean energy targets and recover from the COVID-19 pandemic.

A copy of the RFP, as well as the Question & Answer Summary and all amendments related to the RFP, can be obtained at: https://www.maine.gov/dafs/bbm/procurementservices/vendors/rfps

Proposals must be submitted to the State of Maine Division of Procurement Services, via e-mail, at: Proposals@maine.gov. Proposal submissions must be received no later than 11:59 p.m., local time, on July 22, 2022. Proposals will be opened the following business day. Proposals not submitted to the Division of Procurement Services' aforementioned e-mail address by the aforementioned deadline will not be considered for contract award.

State of Maine – Governor’s Energy Office  
RFP# 202205077  
Clean Energy Partnership – Workforce Development

PART I  INTRODUCTION

A. Purpose and Background

The State of Maine, Governor’s Energy Office (Department/GEO) is seeking proposals that advance workforce development and training for the clean energy and energy efficiency (CE&EE) fields as defined in this Request for Proposal (RFP) document. This document provides instructions for submitting proposals, the procedure and criteria by which the awarded Bidder(s) will be selected, and the contractual terms which will govern the relationship between the State of Maine (State) and the awarded Bidder(s).

Funded by the Maine Jobs & Recovery Plan, the Clean Energy Partnership (CEP) is an initiative focused on preparing more Maine people for jobs in the growing CE&EE fields, providing avenues for business support, advancing innovation in the clean energy sector, and achieving Governor Mills’ goal of 30,000 clean energy jobs in Maine by 2030. This RFP specifically seeks to address this by preparing more Maine people for jobs in the CE&EE fields.

Workforce development and training will be essential components to the recovery of Maine’s overall economy and the growth of the CE&EE fields to meet the goals of the state. Qualified individuals and entities are encouraged to submit proposals to provide technical training, develop curriculum and/or training tools, provide experiential learning, job placement services to current and potential energy efficiency and clean technology employees, and/or other services related to CE&EE workforce development and training.

The services/programs resulting from this RFP will enhance the pipeline of skilled workforce in the CE&EE fields, helping the state to meet the goals and outcomes identified in the December 2020 report “Maine Won’t Wait”. This initiative will focus efforts on supporting businesses and existing and new members of the workforce impacted by the COVID-19 pandemic and the related negative economic impacts.

B. General Provisions

1. From the time the RFP is issued until award notification is made, all contact with the State regarding the RFP must be made through the RFP Coordinator. No other person/ State employee is empowered to make binding statements regarding the RFP. Violation of this provision may lead to disqualification from the bidding process, at the State’s discretion.

2. Issuance of the RFP does not commit the Department to issue an award or to pay expenses incurred by a Bidder in the preparation of a response to the RFP. This includes attendance at personal interviews or other meetings and software or system demonstrations, where applicable.

3. All proposals must adhere to the instructions and format requirements outlined in the RFP and all written supplements and amendments (such as the Summary of Questions and Answers), issued by the Department. Proposals are to follow the format and respond to all questions and instructions specified below in the “Proposal Submission Requirements” section of the RFP.

4. Bidders will take careful note that in evaluating a proposal submitted in response to the
RFP, the Department will consider materials provided in the proposal, information obtained through interviews/presentations (if any), and internal Departmental information of previous contract history with the Bidder (if any). The Department also reserves the right to consider other reliable references and publicly available information in evaluating a Bidder’s experience and capabilities.

5. The proposal must be signed by a person authorized to legally bind the Bidder and must contain a statement that the proposal and the pricing contained therein will remain valid and binding for a period of 180 days from the date and time of the bid opening.

6. The RFP and the awarded Bidder’s proposal, including all appendices or attachments, will be the basis for the final contract, as determined by the Department.

7. Following announcement of an award decision, all submissions in response to this RFP will be public records, available for public inspection pursuant to the State of Maine Freedom of Access Act (FOAA) (1 M.R.S. § 401 et seq.).

8. The Department, at its sole discretion, reserves the right to recognize and waive minor informalities and irregularities found in proposals received in response to the RFP.

9. All applicable laws, whether or not herein contained, are included by this reference. It is the Bidder’s responsibility to determine the applicability and requirements of any such laws and to abide by them.

C. Contract Term

The Department is seeking proposal(s) to provide services, as defined in the RFP, for the anticipated contract period defined in the table below. Please note, the dates below are estimated and may be adjusted, as necessary, in order to comply with all procedural requirements associated with the RFP and the contracting process. The actual contract start date will be established by a completed and approved contract.

Contract Renewal: Following the initial term of the contract, the Department may opt to renew the contract for two renewal periods, as shown in the table below, and subject to continued availability of funding and satisfactory performance.

The term of the anticipated contract, resulting from the RFP, is defined as follows:

<table>
<thead>
<tr>
<th>Period</th>
<th>Start Date</th>
<th>End Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Initial Period of Performance</td>
<td>9/1/2022</td>
<td>8/31/2023</td>
</tr>
<tr>
<td>Renewal Period #1</td>
<td>9/1/2023</td>
<td>8/31/2024</td>
</tr>
<tr>
<td>Renewal Period #2</td>
<td>9/1/2024</td>
<td>8/31/2025</td>
</tr>
</tbody>
</table>

D. Number of Awards

The Department reserves the right to make one or multiple awards, whichever is in the best interests of the State, as a result of this RFP process.

The total estimated grant funds available for this competition are $2,900,000.00 and award sizes will be no greater than $300,000.00.
PART II  SCOPE OF SERVICES TO BE PROVIDED

Workforce development and training will be essential components to the recovery of Maine’s overall economy and the growth of the CE & EE fields to meet the energy and environmental goals of our state. Qualified individuals and entities are encouraged to submit proposals to provide technical training, develop curriculum and/or training tools, provide experiential learning, provide paid on-the-job training, job placement services to current and potential energy efficiency and clean technology employees, and/or other services related to clean energy and energy efficiency workforce development and training.

Successful Applicants will design and implement a project that demonstrates new and/or improved methods or systems for placing individuals on a career pathway that may lead directly to employment in, or further education and training, in the CE & EE fields.

Proposed projects must address the items below, and be described in Appendix E of the Applicant’s proposal:

a. **Identify the Category of Workforce Development.** Proposals will indicate which of the following categories of the workforce pipeline their proposal targets:
   i. Training for workers and individuals in formal training programs in the clean energy and energy efficiency fields; and/or
   ii. Career pathways for new workers or workers from unrelated fields.

b. **Identify current and potential barriers.** Project design identifies and accounts for current and potential barriers for participants, including barriers that lead to the underrepresentation of various population groups in the CE & EE fields. Proposals will demonstrate how the project will address and/or resolve the identified barriers.

c. **Place participants on an identified career pathway.** Project design includes stakeholder input and engagement, is purpose-focused and learner-centered, and leads participants directly to employment or further education and training in the CE & EE fields.

d. **Identify the number of participants.** The number of individuals served through the proposed project on an annual (1/1 to 12/31) basis.

e. **Include partners:** For greater assurance of success authentic partnerships must be included in the project design and implementation, including their primary role and connection to the workforce development need. Partners might include adult education programs, employers, postsecondary institutions, or other local, regional, unions, community based organizations or state agencies. An authentic partnership is defined by meaningful involvement in the planning, development, and delivery of the proposed project.

f. **Integrate employability skills, relevant academic skills, and English language acquisition as needed:** Training content should integrate resources that help participant develop the skills that prepare them for a rapidly changing workplace, including digital literacy and resilience, cognitive and metacognitive skills, and self-efficacy.
g. **Lead to quantifiable participant outcomes:** The project must include metrics and measures of success for participants that are appropriate for the project and include both quantitative and qualitative measures. Outcomes include such results as academic credentials, including micro-credentials, licensures earned, demonstration of competencies, employment, participation in apprenticeship or pre-apprenticeship programs, entering further education or training, or passing industry-recognized exams.

h. **Consider sustainability:** The project must include steps to keep successful projects operating and adapted to new needs when supplemental funds have been expended.

i. **Increasing diversity and equity in the CE & EE workforce.** Projects must be intentionally focused on recruiting, retaining, and advancing women, BIPOC individuals, individuals with disabilities, those with lower educational attainment, those who are under-skilled, and justice-involved individuals.

j. **Ensure equitable access:** The project must ensure equitable access for participants, including:
   a. there is no inherent conflict of interest if the Bidder is both the supplier and a recipient of workforce development services. Awarded Bidder’s employees shall not have preferential access to trainings
   b. eliminating bias in training topics to the awards Bidder’s employees
   c. all services comply with the Americans with Disabilities Act
   d. program design accounts for removal of barriers and structures that contribute to inequities across, but not limited to, age, gender, race, ethnicity immigration status, sexual orientation and sexual identity.

Awarded bidders will be responsible for submitting reports on a quarterly and annual basis.
PART III  KEY RFP EVENTS

A. Questions

1. **General Instructions**: It is the responsibility of all Bidders and other interested parties to examine the entire RFP and to seek clarification, in writing, if they do not understand any information or instructions.
   a. Bidders and other interested parties may use **Appendix G – Submitted Questions Form** – for submission of questions. The form is to be submitted as a WORD document.
   b. The Submitted Questions Form must be submitted, by e-mail, and received by the RFP Coordinator, identified on the cover page of the RFP, as soon as possible but no later than the date and time specified on the RFP cover page.
   c. Submitted Questions must include the RFP Number and Title in the subject line of the e-mail. The Department assumes no liability for assuring accurate/complete/on time e-mail transmission and receipt.

2. **Question & Answer Summary**: Responses to all questions will be compiled in writing and posted on the following website no later than seven (7) calendar days prior to the proposal due date: [Division of Procurement Services RFP Page](#). It is the responsibility of all interested parties to go to this website to obtain a copy of the Question & Answer Summary. Only those answers issued in writing on this website will be considered binding.

B. Amendments

All amendments released in regard to the RFP will also be posted on the following website: [Division of Procurement Services RFP Page](#). It is the responsibility of all interested parties to go to this website to obtain amendments. Only those amendments posted on this website are considered binding.

C. Submitting the Proposal

1. **Proposals Due**: Proposals must be received no later than 11:59 p.m. local time, on the date listed on the cover page of the RFP. E-mails containing original proposal submissions, or any additional or revised proposal files, received after the 11:59 p.m. deadline will be rejected without exception.

2. **Delivery Instructions**: E-mail proposal submissions are to be submitted to the State of Maine Division of Procurement Services at [Proposals@maine.gov](mailto:Proposals@maine.gov).
   a. Only proposal submissions received by e-mail will be considered. The Department assumes no liability for assuring accurate/complete e-mail transmission and receipt.
   b. E-mails containing links to file sharing sites or online file repositories will not be accepted as submissions. Only e-mail proposal submissions that have the actual requested files attached will be accepted.
   c. Encrypted e-mails received which require opening attachments and logging into a proprietary system will not be accepted as submissions. Please check with your organization’s Information Technology team to ensure that your security settings will not encrypt your proposal submission.
   d. File size limits are 25MB per e-mail. Bidders may submit files separately across multiple e-mails, as necessary, due to file size concerns. All e-mails and files must be
received by the due date and time listed above.

**e.** Bidders are to insert the following into the subject line of their e-mail proposal submission: “RFP# 202205077 Proposal Submission – [Bidder’s Name]”

**f.** Bidder’s proposal submissions are to be broken down into multiple files, with each file named as it is titled in bold below, and include:

- **File 1 [Bidder’s Name] – Preliminary Information:**
  - PDF format preferred
  - **Appendix A** (Proposal Cover Page)
  - **Appendix B** (Debarment, Performance and Non-Collusion Certification)
  - All required eligibility documentation stated in PART IV, Section I

- **File 2 [Bidder’s Name] – Organization Qualifications and Experience:**
  - PDF format preferred
  - **Appendix C** (Organization Qualifications and Experience Form) and all required information and attachments stated in PART IV, Section II.

- **File 3 [Bidder’s Name] – Proposed Services:**
  - PDF format preferred
  - All required information and attachments stated in PART IV, Section III.
  - **Appendix D** Project Timeline and Workplan
  - **Appendix E** Project Narrative

- **File 4 [Bidder’s Name] – Cost Proposal:**
  - Excel format preferred
  - **Appendix F** (Cost Proposal Form) and all required information and attachments stated in PART IV, Section IV.
PART IV PROPOSAL SUBMISSION REQUIREMENTS

This section contains instructions for Bidders to use in preparing their proposals. The Department seeks detailed yet succinct responses that demonstrate the Bidder’s qualifications, experience, and ability to perform the requirements specified throughout the RFP.

The Bidder’s proposal must follow the outline used below, including the numbering, section, and sub-section headings. Failure to use the outline specified in PART IV, or failure to respond to all questions and instructions throughout the RFP, may result in the proposal being disqualified as non-responsive or receiving a reduced score. The Department, and its evaluation team, has sole discretion to determine whether a variance from the RFP specifications will result either in disqualification or reduction in scoring of a proposal. Rephrasing of the content provided in the RFP will, at best, be considered minimally responsive.

Bidders are not to provide additional attachments beyond those specified in the RFP for the purpose of extending their response. Additional materials not requested will not be considered part of the proposal and will not be evaluated. Include any forms provided in the submission package or reproduce those forms as closely as possible. All information must be presented in the same order and format as described in the RFP.

Proposal Format and Contents

Section I Preliminary Information (File #1)

1. Proposal Cover Page
   Bidders must complete Appendix A (Proposal Cover Page). It is critical that the cover page show the specific information requested, including Bidder address(es) and other details listed. The Proposal Cover Page must be dated and signed by a person authorized to enter into contracts on behalf of the Bidder.

2. Debarment, Performance and Non-Collusion Certification
   Bidders must complete Appendix B (Debarment, Performance and Non-Collusion Certification Form). The Debarment, Performance and Non-Collusion Certification Form must be dated and signed by a person authorized to enter into contracts on behalf of the Bidder.

Section II Organization Qualifications and Experience (File #2)

1. Overview of the Organization
   Bidders must complete Appendix C (Qualifications and Experience Form) describing their qualifications and skills to provide the requested services in the RFP. Bidders must include three examples of projects which demonstrate their experience and expertise in performing these services as well as highlighting the Bidder’s stated qualifications and skills.

2. Subcontractors
   If subcontractors are to be used, Bidders must provide a list that specifies the name, address, phone number, contact person, and a brief description of the subcontractors’ organizational capacity and qualifications.

3. Organizational Chart
Bidders must provide an organizational chart. The organizational chart must include the project being proposed. Each position must be identified by position title and corresponding to the personnel job descriptions.

3. **Litigation**
   Bidders must attach a list of all current litigation in which the Bidder is named and a list of all closed cases that have closed within the past five (5) years in which the Bidder paid the claimant either as part of a settlement or by decree. For each, list the entity bringing suit, the complaint, the accusation, amount, and outcome.

4. **Licensure/Certification**
   Bidders may provide documentation of any applicable licensure/certification or specific credentials that are related to providing the proposed services of the RFP.

5. **Certificate of Insurance**
   Bidders must provide a certificate of insurance on a standard ACORD form (or the equivalent) evidencing the Bidder's general liability, professional liability and any other relevant liability insurance policies that might be associated with the proposed services.

**Section III  Proposed Services (File #3)**

1. **Implementation - Work Plan**
   Bidders must complete Appendix D (Project Timeline and Workplan) to provide a realistic work plan for the implementation of the program through the first contract period. Concisely describe each program development and implementation task, the month it will be carried out and the person or position responsible for each task. If applicable, make note of all tasks to be delegated to subcontractors.

2. **Services to be Provided**
   Bidders must complete Appendix E (Project Narrative) to discuss the Scope of Services referenced above in Part II of the RFP and what the Bidder will offer. Give particular attention to describing the methods and resources you will use and how you will accomplish the tasks involved. Also, describe how you will ensure expectations and/or desired outcomes as a result of these services will be achieved. If subcontractors are involved, clearly identify the work each will perform.

**Section IV  Cost Proposal (File #4)**

1. **General Instructions**
   a. Bidders must submit a cost proposal that covers the period starting September 1, 2022 and ending on August 31, 2023.
   b. The cost proposal must include the costs necessary for the Bidder to fully comply with the contract terms, conditions, and RFP requirements.
   c. No costs related to the preparation of the proposal for the RFP, or to the negotiation of the contract with the Department, may be included in the proposal. Only costs to be incurred after the contract effective date that are specifically related to the implementation or operation of contracted services may be included.

2. **Cost Proposal Form Instructions**
   Bidders must fill out Appendix F (Cost Proposal Form), following the instructions detailed
here and in the form. Failure to provide the requested information, and to follow the required cost proposal format provided, may result in the exclusion of the proposal from consideration, at the discretion of the Department.
PART V PROPOSAL EVALUATION AND SELECTION

Evaluation of the submitted proposals will be accomplished as follows:

A. Evaluation Process - General Information

1. An evaluation team, composed of qualified reviewers, will judge the merits of the proposals received in accordance with the criteria defined in the RFP.

2. Officials responsible for making decisions on the award selection will ensure that the selection process accords equal opportunity and appropriate consideration to all who are capable of meeting the specifications. The goals of the evaluation process are to ensure fairness and objectivity in review of the proposals and to ensure that the contract is awarded to the Bidder whose proposal provides the best value to the State of Maine.

3. The Department reserves the right to communicate and/or schedule interviews/presentations with Bidders, if needed, to obtain clarification of information contained in the proposals received. The Department may revise the scores assigned in the initial evaluation to reflect those communications and/or interviews/presentations. Changes to proposals, including updating or adding information, will not be permitted during any interview/presentation process and, therefore, Bidders must submit proposals that present their rates and other requested information as clearly and completely as possible.

B. Scoring Weights and Process

1. Scoring Weights: The score will be based on a 100-point scale and will measure the degree to which each proposal meets the following criteria.

   Section I. Preliminary Information (No Points)
   Includes all elements addressed above in Part IV, Section I.

   Section II. Organization Qualifications and Experience (30 points)
   Includes all elements addressed above in Part IV, Section II.

   Section III. Proposed Services (45 points)
   Includes all elements addressed above in Part IV, Section III.

   Section IV. Cost Proposal (25 points)
   Includes all elements addressed above in Part IV, Section IV.

2. Scoring Process: For proposals that demonstrate meeting the eligibility requirements in Section I, the evaluation team will use a consensus approach to evaluate and score Sections II & III above. Members of the evaluation team will not score those sections individually but, instead, will arrive at a consensus as to assignment of points for each of those sections. Sections IV, the Cost Proposal, will be scored as described below.

3. Scoring the Cost Proposal: The total cost proposed for conducting all the functions specified in the RFP will be assigned a score according to a mathematical formula. The lowest bid will be awarded 25 points. Proposals with higher bids values will be awarded proportionately fewer points calculated in comparison with the lowest bid.

   The scoring formula is:
(Lowest submitted cost per participant / Cost per participant being scored) x 25 = pro-rated score

No Best and Final Offers: The State of Maine will not seek or accept a best and final offer (BAFO) from any Bidder in this procurement process. All Bidders are expected to provide their best value pricing with the submission of their proposal.

4. Negotiations: The Department reserves the right to negotiate with the awarded Bidder to finalize a contract. Such negotiations may not significantly vary the content, nature or requirements of the proposal or the Department’s Request for Proposal to an extent that may affect the price of goods or services requested. The Department reserves the right to terminate contract negotiations with an awarded Bidder who submits a proposed contract significantly different from the proposal they submitted in response to the advertised RFP. In the event that an acceptable contract cannot be negotiated with the highest ranked Bidder, the Department may withdraw its award and negotiate with the next-highest ranked Bidder, and so on, until an acceptable contract has been finalized. Alternatively, the Department may cancel the RFP, at its sole discretion.

C. Selection and Award

1. The final decision regarding the award of the contract will be made by representatives of the Department subject to approval by the State Procurement Review Committee.
2. Notification of conditional award selection or non-selection will be made in writing by the Department.
3. Issuance of the RFP in no way constitutes a commitment by the State of Maine to award a contract, to pay costs incurred in the preparation of a response to the RFP, or to pay costs incurred in procuring or contracting for services, supplies, physical space, personnel or any other costs incurred by the Bidder.
4. The Department reserves the right to reject any and all proposals or to make multiple awards.

D. Appeal of Contract Awards

Any person aggrieved by the award decision that results from the RFP may appeal the decision to the Director of the Bureau of General Services in the manner prescribed in 5 M.R.S.A. § 1825-E and 18-554 Code of Maine Rules Chapter 120. The appeal must be in writing and filed with the Director of the Bureau of General Services, 9 State House Station, Augusta, Maine, 04333-0009 within 15 calendar days of receipt of notification of conditional contract award.
PART VI  CONTRACT ADMINISTRATION AND CONDITIONS

A. Contract Document

1. The awarded Bidder will be required to execute a State of Maine Service Contract with appropriate riders as determined by the issuing department.

   The complete set of standard State of Maine Service Contract documents, along with other forms and contract documents commonly used by the State, may be found on the Division of Procurement Services’ website at the following link: Division of Procurement Services Forms Page

2. Allocation of funds is final upon successful negotiation and execution of the contract, subject to the review and approval of the State Procurement Review Committee. Contracts are not considered fully executed and valid until approved by the State Procurement Review Committee and funds are encumbered. No contract will be approved based on an RFP which has an effective date less than fourteen (14) calendar days after award notification to Bidders. (Referenced in the regulations of the Department of Administrative and Financial Services, Chapter 110, § 3(B)(i).)

   This provision means that a contract cannot be effective until at least 14 calendar days after award notification.

3. The State recognizes that the actual contract effective date depends upon completion of the RFP process, date of formal award notification, length of contract negotiation, and preparation and approval by the State Procurement Review Committee. Any appeals to the Department’s award decision(s) may further postpone the actual contract effective date, depending upon the outcome. The contract effective date listed in the RFP may need to be adjusted, if necessary, to comply with mandated requirements.

4. In providing services and performing under the contract, the awarded Bidder must act as an independent contractor and not as an agent of the State of Maine.

1. Contract Administration
   Following the award, a Contract Administrator from the Department will be appointed to assist with the development and administration of the contract and to act as administrator during the entire contract period. Department staff will be available after the award to consult with the awarded Bidder in the finalization of the contract.

2. Payments and Other Provisions
   The State anticipates paying the Contractor on the basis of net 30 payment terms, upon the receipt of an accurate and acceptable invoice. An invoice will be considered accurate and acceptable if it contains a reference to the State of Maine contract number, contains correct pricing information relative to the contract, and provides any required supporting documents, as applicable, and any other specific and agreed-upon requirements listed within the contract that results from the RFP.

APPENDIX B

State of Maine
Governor’s Energy Office
DEBARMENT, PERFORMANCE, and NON-COLLUSION CERTIFICATION
RFP# 202205077
Clean Energy Partnership – Workforce Development

Bidder’s Organization Name:

By signing this document, I certify to the best of my knowledge and belief that the aforementioned organization, its principals and any subcontractors named in this proposal:

a. Are not presently debarred, suspended, proposed for debarment, and declared ineligible or voluntarily excluded from bidding or working on contracts issued by any governmental agency.

b. Have not within three years of submitting the proposal for this contract been convicted of or had a civil judgment rendered against them for:
   i. Fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a federal, state, or local government transaction or contract.
   ii. Violating Federal or State antitrust statutes or committing embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property.

c. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or Local) with commission of any of the offenses enumerated in paragraph (b) of this certification.

d. Have not within a three (3) year period preceding this proposal had one or more federal, state, or local government transactions terminated for cause or default.

e. Have not entered into a prior understanding, agreement, or connection with any corporation, firm, or person submitting a response for the same materials, supplies, equipment, or services and this proposal is in all respects fair and without collusion or fraud. The above-mentioned entities understand and agree that collusive bidding is a violation of state and federal law and can result in fines, prison sentences, and civil damage awards.

Present a brief statement of qualifications. Describe the history of the Bidder’s organization, especially regarding skills pertinent to the specific work required by the RFP and any special or unique characteristics of the organization which would make it especially qualified to perform the required work activities. You may expand this form and use additional pages to provide this information.
APPENDIX C (continued)

Provide a description of projects that occurred within the past five years which reflect experience and expertise needed in performing the functions described in the “Scope of Services” portion of the RFP. For each of the project examples provided, a contact person from the client organization involved should be listed, along with that person’s telephone number and e-mail address. Please note that contract history with the State of Maine, whether positive or negative, may be considered in rating proposals even if not provided by the Bidder.

APPENDIX D

State of Maine  
Governor’s Energy Office  
PROJECT TIMELINE and WORK PLAN  
RFP# 202205077  
Clean Energy Partnership – Workforce Development

Use the timeline chart below to concisely describe the proposed work. Specify the project activities and strategies that will place individuals on a career pathway that may lead directly to employment or further education and training in the clean energy and energy efficiency fields. Please add or remove rows as needed, but follow the format identified in italics.

<table>

23
Bidders must use this form to discuss the Scope of Services referenced above in Part II of the RFP and what the Bidder will offer.
APPENDIX F

State of Maine
Governor’s Energy Office
COST PROPOSAL FORM
RFP# 202205077
Clean Energy Partnership – Workforce Development

<table>
<thead>
<tr>
<th>Bidder’s Organization Name:</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Proposed Cost per Participant:</td>
<td>$</td>
</tr>
</tbody>
</table>

Applicants must complete the Cost Proposal by using the following Excel sheet. The sheet can be accessed by double clicking on the icon.

Projects will be scored based on their proposed cost per participant, with the proposal with the lowest cost per participant receiving a score of 25. Proposals with higher bid values will be awarded proportionately fewer points calculated in comparison with the lowest bid. The scoring formula is defined in Part V, B, 3 of the RFP.

The mathematical formula used to calculate the proposed cost per participant is:

- Total Project Budget (C36 of worksheet “Budget – CEP”) / The total number of participants served on an annual basis (as identified in Project Narrative)
