

## Transmission Stakeholder Group Meeting #3

*Pursuant to Resolves 2025, Chapter 57, “Resolve, to Direct the Governor’s Energy Office to Conduct a Study Regarding the Future of Electric Transmission Infrastructure in the State”*

Virtually via Zoom – Register here: [Meeting Registration - Zoom](#)

Meeting No.3: March 27, 2026 – 1-3pm:

### **Meeting Objectives:**

- Build greater understanding about the **existing processes and procedures** for the siting and permitting of transmission infrastructure, including opportunities for public engagement, as well as **best practices** in planning, siting, permitting, and community engagement around transmission.
- Discuss these processes and practices, generating **feedback and input** for the Maine Transmission Infrastructure Study.

### **Agenda: (1-3pm ET)**
