Re: Leadership PAC Investigation – Committee for Peace and Justice

On November 18, 2020, the Commission authorized an enhanced compliance review of fifteen (15) political action committees that, in 2020, were led by Legislators and raised or spent over \$5,000 in the year. The Commission staff sent the Committee for Peace and Justice (the “PAC”) an initial request for records on 12/08/2020. ETH. 5-6. Those records were received on or before January 31, 2021, and a supplemental request for records was sent on 03/09/2021. ETH. 7. Upon reviewing the information provided by the PAC, the Commission staff found one potential violation and no exceptions. ETH. 3-4. The potential violation is the acceptance of a contribution from a registered lobbyist. 1 M.R.S. § 1015-A.

On 06/07/2021, the Commission staff mailed its preliminary findings to the PAC’s officers requesting comment. ETH. 1-4. On June 22, 2021, the Commission received a written response from PAC. ETH. 14. The PAC provided a copy of a check that was sent to the registered lobbyist to reimburse her for the improper contribution. ETH. 14-15. The Commission staff recommends no further action.

LEGAL REQUIREMENTS

Lobbyist Contributions. A Legislator or their staff or agent may not accept a contribution from a lobbyist unless that lobbyist is eligible to vote on the day of the election in a district where that Legislator’s name will appear on the ballot. 1 M.R.S. § 1015-A(3). A violation of this section is subject to a civil penalty not to exceed \$1,000. 1 M.R.S. § 1015-A(6).

Reporting Expenditures. A PAC must report all expenditures to initiate or influence a campaign and include the payee, purpose, whether it was to support or oppose a candidate or referendum. 21-A M.R.S. § 1060(4). The PAC must also report operational

expenditures that are not made for the purpose of influencing a campaign. 21-A M.R.S. § 1060(4).

ANALYSIS AND STAFF RECOMMENDATION

During the Commission staff's review of the PAC's records, the Commission staff flagged two issues for further review:

1. A returned check of \$2,500 that was not reported.
2. A \$75 contribution from a registered lobbyist.

Returned \$2,500 check

An expenditure is made when there is a payment, promise of payment, or the transfer of funds by one political entity to another. 21-A M.R.S. § 1052(4). Any one transaction, may trigger the expenditure provisions multiple times (*e.g.* enter into an agreement to pay on one date and then make the payment on a later date), in those cases, the Commission staff has interpreted¹ the law to be that the expenditure is made at the earliest point [most often the agreement (whether it is legally enforceable or not)]. If the obligation occurs in the same report period as a payment for that obligation, then only the expenditure must be reported. 94-270 C.M.R. Ch. 1 § 7(3)(D).

On 10/19/2020, the PAC mailed a check to the House Democratic Campaign Committee, but the account had insufficient funds and the check was shown as returned on the PAC's bank records. ETH. 8. On 10/27/2020, the check was reissued and cleared. ETH. 8. The end of the 11-Day Pre-General Report was on 10/20/2020. Under the statute and regulations, once the check failed to clear, the PAC should have deleted the 10/19/2020 expenditure, entered an obligation on the 11-Day Pre-General Report, and then entered a payment as of 10/27/2020 on the 42-Day Post-General Report.

The Commission staff would generally not instruct a PAC to amend a report in this way based on these facts. Such an amendment would be burdensome on the PAC so close to an election and the amended reports would only serve to confuse the public. For these reasons, the Commission staff considers this issue resolved.

¹ The Commission's regulations provide additional guidance for reporting most transactions.

Improper Lobbyist Contribution

On 10/02/2020, the PAC accepted a contribution from Ms. Christine Hastedt, who is a registered lobbyist for Maine Equal Justice, in violation of 1 M.R.S. § 1015-A(3).

ETH. 10. On 06/21/2021, the PAC returned the funds to Ms. Hastedt. ETH. 14-15. The Commission staff recommends that the Commission find a violation but impose no financial penalty.

This prohibition went into effect June 2020 and the PAC's officers did not realize it was a violation when the contribution was accepted in October 2020. (Under the prior law, the contribution would have been allowable because the Legislature was not in session.

1 M.R.S. § 1015 (Repealed)). The value of the contribution was minimal (\$75) and it was publicly reported by the PAC. Once Rep. Brennan was made aware of the violation, he promptly disgorged the funds and copied the Commission on the repayment. ETH. 15. For these reasons, the Commission staff recommends that the Commission find a violation but impose no financial penalty.

CONCLUSION

For these reasons, the Commission staff recommends that the Commission find that the PAC violated 1 M.R.S. § 1015-A(3) by accepting the \$75 contribution from Ms. Christine Hastedt, a registered lobbyist. The Commission staff recommends imposing no financial penalty for the reasons stated above.

Re: Leadership PAC Review – Committee for Peace and Justice

I. Overview of Findings

The Commission staff requested the PAC's records on 12/08/2020. The records were provided on or about 01/28/2021. A request for additional records was mailed on 03/08/2021. The additional records were received on or about 03/22/2021. Upon completion of its review, the Commission staff found one potential violation, but no exceptions. The Commission staff recommends the PAC disgorge the funds it improperly received from a registered lobbyist.

II. History of Committee

The Committee for Peace and Justice registered as a political action committee on 08/11/2020. Representative Michael Brennan is the Principal Officer and Ms. Nancy Berrang is the Treasurer. In 2020, the PAC raised \$13,905.00 and spent \$12,679.00.

III. Procedures

In the 12/08/2020 letter, the Commission staff requested the PAC produce the following 2020 records: (1) bank statements; (2) receipts/invoices for all expenditures over \$50; (3) documentation of any new loans or debts; and (4) records from ActBlue/Anedot or similar fundraising services.

After receiving those records, the Commission staff compared the provided records against the reported transactions for incorrect reporting. Specifically, the Commission staff reviewed the records for: omitted or duplicate transactions, failure to itemize contributions, prohibited payments, misuse of funds for personal enrichment in violation

of 21-A M.R.S. § 1054-B, failure to keep records, improper contributions and other errors.

During its review of the Committee for Peace and Justice, the Commission staff found additional records would be required. On 03/09/2021, the Commission staff sent an email to request additional information regarding a returned check of \$2,500 on 10/26/2020. The staff also requested information from ActBlue. The additional records were provided on 03/22/2021.

IV. Potential Violation

A Leadership PAC may not accept a contribution from a registered lobbyist unless that lobbyist is eligible to vote for the Legislator on election day. 1 M.R.S. § 1015-A(3)(B). On 10/02/2020, the PAC accepted a contribution from Ms. Christine Hastedt, who is a registered lobbyist. Ms. Hastedt's address is listed as Freeport, which is not within Rep. Brennan's district. This new requirement, prohibiting contributions outside of the legislative session, went into effect in June 2020. A penalty for the violation may not exceed \$1,000. 1 M.R.S. § 1015-A(6). The Commission staff does not recommend that a financial penalty be imposed, but that the \$75 contribution be returned to Ms. Hastedt.

V. Exceptions

After reviewing the records provided on 01/28/2021 and the additional records provided on 03/22/2021, the Commission staff did not find any discrepancies that would be considered an exception of Title 21-A.

VI. Conclusions and Recommendations

Based on the foregoing findings, the Commission staff does not recommend any further action, except the return of the improper contribution to Ms. Christine Hastedt.

Thank you for your attention in this matter.

Re: 2020 Compliance Review of Leadership PACs

Dear Rep. Brennan & Ms. Berrang:

On November 18, 2020, the members of the Ethics Commission directed the Commission staff to begin a compliance review of Leadership PACs that raised or spent more than \$5,000 in 2020. A Leadership PAC is, for purposes of these reviews, a PAC that had an officer that also served as a Legislator in 2020. Based on the Commission's records, the Committee for Peace and Justice falls into the category for this compliance review.

Please be aware that all committees who meet the above criteria will be reviewed for compliance with PAC laws. By being selected there is no inference on the part of the Commission that any incorrect or improper reporting or activity has taken place. For each PAC reviewed, the Commission staff will prepare and submit to the Commission members a report with the results of the compliance review. You will have the opportunity to review the report and submit any comments that you feel are necessary prior to the Commission's consideration of the staff's report.

In order to facilitate this review, we would appreciate you forwarding copies of the following records:

- All 2020 bank statements for Committee for Peace and Justice;
- Receipt and/or invoices for all expenditures over \$50 incurred during 2020;
- Documentation of any new loans or debts, or any payments thereof in 2020; and
- Records from ActBlue, Anedot, or similar fundraising service of contributions received in 2020.

Re: Request for Additional Information – 2020 Compliance Review of Leadership PACs

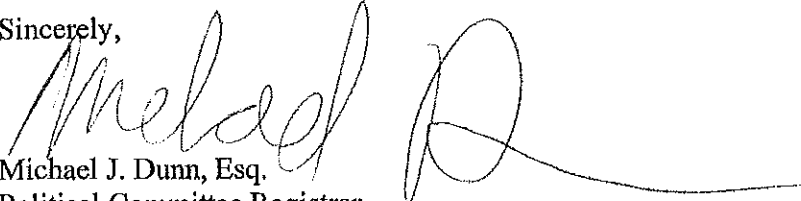

Dear Rep. Brennan & Ms. Berrang:

Thank you for submitting the records that I requested in my December 8, 2020 letter. I have had an opportunity to review your submission and am writing with additional questions. Please submit your response at your earliest opportunity but no later than March 23, 2021. Please provide more information regarding the following:

- On 10/26/2020, your bank account received a credit of \$2,500 for a “Returned Item.” My assumption is this was a returned check; however, this does not appear to be reported on the campaign finance reports for the committee. Please review your filings, if my assessment is correct please file the appropriate return and amendment report. Please let me know if you disagree with my assessment.
- Please provide the breakdown of fees from ActBlue.

These requests are being made only to further assist in the Commission’s review of the committee. There is no assertion of inaccurate reporting on the part of the Commission or staff. If you have any questions or concerns regarding these requests, I can be reached at (207) 287-4709 or Michael.Dunn@Maine.gov. Thank you for your attention in this matter.

Hello Michael,

I apologize that you had to follow up with us re: the records we sent for the compliance review of the Committee for Peace and Justice PAC.

Check #192 (\$2,500) was sent to the House Democratic Campaign Committee on October 23, 2021, and then deposited. There were insufficient funds in our account at the time, and the check was returned by the bank. On October 27, the check was re-submitted and subsequently cleared. The October bank statement indicates that check #192 was deposited, returned for insufficient funds, and then re-deposited when those funds were available. We didn't report the returned check or the re-deposit of that check since the effect on cash contributions (line #1 of the financial report) and expenditures (line #5 of the same report) were both unaffected. We will file the amended form if necessary.

I apologize for not including the breakdown of the fees from ActBlue; I have sent hard copies of that information to you through the mail.

Please let us know if there is anything else you need from us.
