SCHEDULE A CASH SEED MONEY CONTRIBUTIONS

- Only individuals may make seed money contributions. Contributions must be from their personal funds and not from other sources. Each contributor may give up to \$100 in seed money. Lobbyists, lobbyist associates, and their employers may not make seed money contributions during the legislative session. Members of the candidate's family may each give up to \$100 in seed money, provided the contributions are from their personal funds.
- Both cash and in-kind contributions count toward the \$100 threshold.
- Total seed money contributions may not exceed \$3,000 for Senate candidates and \$1,000 for House candidates.
- Itemize all contributions from contributors who have given you more than \$50 in seed money contributions.
- Report the occupation and employer for every individual who contributed more than \$50 in this report period.
- If you have requested employment information from the contributor and the contributor has not provided it, indicate "information requested" for the occupation and employer.
- For cash contributions totaling \$50 or less, please enter "total of contributions \$50 or less" and the total amount on a line on this page. Once a contributor has given you more than \$50 in a report period, you must list that contributor separately.
- On the first report of the election cycle only, include the total of any surplus campaign funds, if any, from a previous election
 cycle that you are transferring to your 2020 campaign. Please contact the Commission staff for more information about
