Re: Request for Waiver of Late Filing Penalty by Candidate Leo Kenney

---

Leo Kenney was a first-time Maine Clean Election Act (MCEA) Senate candidate who was required to file the 11-Day Pre-General Report by 11:59 p.m. on October 25, 2024. The report was filed on October 26, one day late, by Mr. Kenney's treasurer, Steve Kenney. The preliminary penalty for the late report is \$835.37 and Mr. Kenney is requesting a full waiver of the penalty.

### **LEGAL REQUIREMENTS**

Candidates for legislature are required to file the 11-Day Pre-General Report no later than 11:59 p.m. on the 11<sup>th</sup> day before the date on which an election is held and must be complete for the filing period as of the 14<sup>th</sup> day before that date. 21-A M.R.S. § 1017(3-A)(B). When a candidate files a late campaign finance report, the amount of the preliminary penalty is set by a statutory formula which takes into consideration a percentage of the total contributions or expenditures, whichever is greater, the number of prior violations within a two-year period, and the number of days the report is late. 21-A M.R.S. § 1020-A(4-A). The candidate may request a waiver of the preliminary penalty due to mitigating circumstances under § 1020-A(2)&(6).

### **DISCUSSION**

On October 25, Candidate Registrar Erin Gordon sent an email reminder to all candidates who had not yet filed the report, advising them that if they were receiving the email, the report still needed to be filed. Mr. Kenney received this email. Both Leo and Steve were sent automatic reminder emails from the Commission's eFiling site two weeks, one week, and one day before the October 25 filing deadline.

Based on the statutory formula for calculating late-filing penalties, the preliminary penalty amount is \$835.37, calculated as follows:

<b>Report</b>	<b>Deadline</b>	<b>Financial Activity</b>	<b>Penalty Rate</b>	<b>Days Late</b>	<b>Preliminary Penalty</b>
11-Day Pre-General Report	10/25/2024	\$41,768.38	2%	1	\$835.37

In his waiver request, Mr. Kenney says his treasurer had advised him that he would be working on the report on the evening of October 25, due to Steve’s commitment as interim CFO for Hartford University. Steve logged in late in the evening of October 25 and filed the report at 2:45 a.m. October 26.

**STAFF RECOMMENDATION**

Timely campaign finance reports are an integral part of campaign finance transparency and disclosure. The Legislature deems timely filing to be of the utmost importance, as the statute requires late-filing penalties to increase by each day past the due date the report is filed. All campaigns are expected to pay attention to and meet all reporting deadlines, especially when multiple reminders are sent for each due date. Even when candidates have missed deadlines acting in good faith, the Commission has assessed penalties to reinforce the importance of filing campaign finance reports on time.

A chart of candidate penalties since 2018 is attached. In recent election years, the Commission generally has reduced late-filing penalties against candidates to a range of \$300 - \$350. Some recent examples, from 2023 and 2024, include:

- from \$1,573.73 to \$350 – late 24-Hour Report by Ronald Russell
- from \$1,826.24 to \$350 – late 24-Hour Report by Reagan Paul
- from \$498.50 to \$300 – late 42-Day Pre-General Report by Richard Cyr

Mr. Kenney’s report was filed less than three hours after the deadline, which, for the purposes of public disclosure, means the information was available to the public along with all other reports first thing the morning of October 26. Due to the low level of harm to the public, the Commission staff recommend reducing the penalty to \$300.

Hello Erin,

I am writing to request a waiver on the recent fine assessed to me for the late filing of the most recent financial report that was due on 10/25/24. My treasurer has advised me that he was forced to file the evening of 10/25 due to board meetings and several other commitments related to the inauguration of the new President at Hartford University in his current role of Interim CFO for the University. Additionally he has advised that he did experience some Internet disruptions while loading the transactions in the website which prompted the posting delay to 2:00 a.m. on Saturday morning.

I would add that my Treasurer was in retirement when he agreed to be Treasurer for my campaign and has since temporarily come out of retirement for this Interim VP Finance / CFO positions with University of Hartford to help them through a transitional time which has of course altered his schedule significantly including temporary stays in Connecticut.

I am hopeful that all of this new information, in addition to the level of this fine being disproportionate with the lack of any true harm to the public created by the two hours between 12:00 Midnight on 10/25, and – 2:00 AM on 10/26. will be compelling enough to waive this fine given the good faith effort that we have consistently given to insure we are adhering to all guidelines associated with a system that neither of us have any previous experience with.

Thank you for your consideration.

Sincerely,  
Leo C Kenney

**Re: Notice of Violation and Penalty for Late-Filed 11-Day Pre-General Report**

Dear Mr. Kenney:

You were required to file the 11-Day Pre-General Report on October 25, 2024 by 11:59 p.m. (21-A M.R.S. § 1017 (3-A)(B)), but the report was not filed until October 26, 2024. Under the Commission's statutes, the late filing of a report triggers an enforcement process (21-A M.R.S. § 1020-A(4-A)). The Commission staff has made a preliminary finding of violation and determined the preliminary penalty for filing the report late is \$835.37. Please see the next page for the penalty calculation.

You may request the Commission waive the penalty in whole or in part or find there was no violation. *The request must be made within 14 calendar days of your receipt of this notice.* The request must be in writing and contain a full explanation of the reasons the report was filed late. Upon receiving your request, the Commission staff will schedule your request to be heard at an upcoming Commission meeting. You or your designee will have an opportunity to be heard at the meeting or you may submit a sworn statement to the Commission explaining the mitigating circumstances for its consideration.

The Commission may waive or reduce the penalty or find there was no violation if it determines the report was late due to mitigating circumstances, which are defined as (1) a valid emergency; (2) an error made by the Commission staff; or (3) relevant evidence that a bona fide effort was made to file the report on time. (21-A M.R.S. § 1020-A(2)) The Commission may also consider whether the penalty is disproportionate to the size of the candidate's campaign, the level of experience of the candidate, treasurer or campaign staff, or the harm to the public caused by the late disclosure.

The staff requests you pay the preliminary penalty within 14 days of the date of your receipt of this notice if you do not intend to request a waiver. Please use the payment statement on the next page when paying by mail. You may also make a payment online at [www.maine.gov/ethics](http://www.maine.gov/ethics) by clicking the "Penalty Payment" link. Please contact me at (207) 287-3651 or [erin.gordon@maine.gov](mailto:erin.gordon@maine.gov) if you have any questions.

Sincerely,

Erin Gordon

## Penalty Calculation

The penalty for filing a campaign finance report late is based on a percentage of the total contributions or expenditures for the reporting period, whichever is greater, multiplied by the number of days late. The percentage is based on your history of past violations: 2% for the first violation, 4% for the second violation, and 6% for the third and each subsequent violation. Violations for late-filed reports accumulate in the two-year period beginning on January 1<sup>st</sup> of each even-numbered year. A penalty accrues daily beginning on the day following the filing due date. Any penalty of less than \$25 is automatically waived.

## 21-A M.R.S. § 1017. Reports by candidates

---

...

**3-A. Other candidates.** A treasurer of a candidate for state or county office other than the office of Governor shall file reports with the commission and municipal candidates shall file reports with the municipal clerk as follows. Once the first required report has been filed, each subsequent report must cover the period from the end date of the prior report filed.

**A.** In any calendar year in which an election for the candidate's particular office is not scheduled, when any candidate or candidate's political committee has received contributions in excess of \$500 or made or authorized expenditures in excess of \$500, reports must be filed no later than 11:59 p.m. on July 15th of that year and January 15th of the following calendar year. These reports must include all contributions made to and all expenditures made or authorized by or on behalf of the candidate or the treasurer of the candidate as of the end of the preceding month, except those covered by a previous report.

**B.** Reports must be filed no later than 11:59 p.m. on the 11th day before the date on which an election is held and must be complete as of the 14th day before that date. If a report was not filed under paragraph A, the report required under this paragraph must cover all contributions and expenditures through the 14th day before the election.

**C.** If the candidate has an opponent who is on the ballot or who is a declared write-in candidate, any single contribution of \$1,000 or more received or any single expenditure of \$1,000 or more made after the 14th day before any election and more than 24 hours before 11:59 p.m. on the day of any election must be reported within 24 hours of that contribution or expenditure. The candidate or treasurer is not required to include in this report expenditures for overhead expenses or compensation paid to an employee or other member of the campaign staff who has received payments at regular intervals that have been disclosed in previously filed campaign finance reports. As used in this paragraph, "overhead expenses" includes, but is not limited to, rent, utility payments, taxes, insurance premiums or similar administrative expenses.

**D.** Reports must be filed no later than 11:59 p.m. on the 42nd day after the date on which an election is held and must be complete for the filing period as of the 35th day after that date.

**D-1.** Reports must be filed no later than 11:59 p.m. on the 42nd day before the date on which an election is held and must be complete as of the 49th day before that date, except that this report is not required for candidates for municipal office, unless required by the municipality. Certified candidates and participating candidates, as defined under section 1122, subsections 1 and 6, respectively, are not required to file a report on the 42nd day before a primary election pursuant to this section.

**E.** Unless further reports will be filed in relation to a later election in the same calendar year, the disposition of any surplus or deficit in excess of \$100 shown in the reports described in paragraph D must be reported as provided by this paragraph. The treasurer of a candidate with

a surplus or deficit in excess of \$100 shall file reports semiannually with the commission within 15 days following the end of the 2nd and 4th quarters of the State's fiscal year, complete as of the last day of the quarter, until the surplus is disposed of or the deficit is liquidated. The first report under this paragraph is not required until the 15th day of the period beginning at least 90 days from the date of the election. The reports will be considered timely if filed electronically or in person with the commission on that date or postmarked on that date. The reports must set forth any contributions for the purpose of liquidating the deficit, in the same manner as contributions are set forth in other reports required in this section.

F. Reports with respect to a candidate who seeks nomination by petition must be filed on the same dates that reports must be filed by a candidate for the same office who seeks that nomination by primary election.

## **21-A M.R.S. § 1020-A. Failure to file on time**

---

**1. Registration.** A candidate that fails to register the name of a candidate, treasurer or political committee with the commission within the time allowed by section 1013-A, subsection 1 may be assessed a forfeiture of \$100. The commission shall determine whether a registration satisfies the requirements for timely filing under section 1013-A, subsection 1.

**2. Campaign finance reports.** A campaign finance report is not timely filed unless a properly signed or electronically submitted copy of the report, substantially conforming to the disclosure requirements of this subchapter, is received by the commission by 11:59 p.m. on the date it is due. Except as provided in subsection 7, the commission shall determine whether a report satisfies the requirements for timely filing. The commission may waive a penalty in whole or in part if the commission determines that the penalty is disproportionate to the size of the candidate's campaign, the level of experience of the candidate, treasurer or campaign staff or the harm suffered by the public from the late disclosure. The commission may waive the penalty in whole or in part if the commission determines the failure to file a timely report was due to mitigating circumstances. For purposes of this section, "mitigating circumstances" means:

- A. A valid emergency determined by the commission, in the interest of the sound administration of justice, to warrant the waiver of the penalty in whole or in part;
- B. An error by the commission staff;
- C. Failure to receive notice of the filing deadline; or
- D. Other circumstances determined by the commission that warrant mitigation of the penalty, based upon relevant evidence presented that a bona fide effort was made to file the report in accordance with the statutory requirements, including, but not limited to, unexplained delays in postal service or interruptions in Internet service.

**3. Municipal campaign finance reports.** Municipal campaign finance reports must be filed, subject to all the provisions of this subchapter, with the municipal clerk on forms prescribed by the Commission on Governmental Ethics and Election Practices. The municipal clerk shall send any notice of lateness required by subsection 6 and shall notify the commission of any late reports subject to a penalty.

**4-A. Basis for penalties.** The penalty for late filing of a report required under this subchapter is a percentage of the total contributions or expenditures for the filing period, whichever is greater, multiplied by the number of calendar days late, as follows:

- A. For the first violation, 2%;
- B. For the 2nd violation, 4%; and
- C. For the 3rd and subsequent violations, 6%.

Any penalty of less than \$25 is waived.

Violations accumulate on reports with filing deadlines in a 2-year period that begins on January 1st of each even-numbered year. Waiver of a penalty does not nullify the finding of a violation.

A report required to be filed under this subchapter that is sent by certified or registered United States mail and postmarked at least 2 days before the deadline is not subject to penalty.

**5-A. Maximum penalties.** Penalties assessed under this subchapter may not exceed:

- A. Five thousand dollars for reports required under section 1017, subsection 2, paragraph B, C, D, E or H; section 1017, subsection 3-A, paragraph B, C, D, D-1 or F; and section 1017, subsection 4, except that if the dollar amount of the financial activity that was not timely filed or did not substantially conform to the reporting requirements of this subchapter exceeds \$50,000, the maximum penalty is 100% of the dollar amount of that financial activity;
  - A-1. Five thousand dollars for reports required under section 1019-B, subsection 4, except that if the dollar amount of the financial activity that was not timely filed or did not substantially conform to the reporting requirements of this subchapter exceeds \$50,000, the maximum penalty is 100% of the dollar amount of that financial activity;
- B. Five thousand dollars for state party committee reports required under section 1017-A, subsection 4-A, paragraphs A, B, C and E, except that if the dollar amount of the financial activity that was not timely filed or did not substantially conform to the reporting requirements of this subchapter exceeds \$50,000, the maximum penalty is 100% of the dollar amount of that financial activity;
- C. One thousand dollars for reports required under section 1017, subsection 2, paragraphs A and F and section 1017, subsection 3-A, paragraphs A and E; or
- D. Five hundred dollars for municipal, district and county committees for reports required under section 1017-A, subsection 4-B.

**6. Request for a commission determination.** If the commission staff finds that a candidate or political committee has failed to file a report required under this subchapter, the commission staff shall mail a notice to the candidate or political committee within 3 business days following the filing deadline informing the candidate or political committee that a report was not received. If a candidate or a political committee files a report required under this subchapter late, a notice of preliminary penalty must be sent to the candidate or political committee whose registration or campaign finance report was not received by 11:59 p.m. on the deadline date, informing the candidate or political committee of the staff finding of violation and preliminary penalty calculated under subsection 4-A and providing the candidate or political committee with an opportunity to request a determination by the commission. Any request for a determination must be made within 14 calendar days of receipt of the commission's notice. A candidate or political committee requesting a determination may either appear in person or designate a representative to appear on the candidate's or political committee's behalf or submit a sworn statement explaining the mitigating circumstances for consideration by the commission. A final determination by the commission may be appealed to the Superior Court in accordance with Title 5, chapter 375, subchapter 7 and the Maine Rules of Civil Procedure, Rule 80C.

**7. Final notice of penalty.** If a determination has been requested by the candidate or political committee and made by the commission, notice of the commission's final determination and the penalty, if any, imposed pursuant to this subchapter must be sent to the candidate and the political committee.

If a determination is not requested, the preliminary penalty calculated by the commission staff is final. The commission staff shall mail final notice of the penalty to the candidate and treasurer. A detailed summary of all notices must be provided to the commission.

**8. Failure to file report.** The commission shall notify a candidate who has failed to file a report required by this subchapter, in writing, informing the candidate of the requirement to file a report. The notice must be sent by certified mail. If a candidate fails to file a report after 2 notices have been sent by the commission, the commission shall send a final notice by certified mail informing the candidate of the requirement to file and that the matter may be referred to the Attorney General for criminal prosecution. A candidate who fails to file a report as required by this subchapter after the commission has sent the notices required by this subsection is guilty of a Class E crime.

**8-A. Penalties for failure to file report.** The penalty for failure to file a report required under this subchapter may not exceed the maximum penalties as provided in subsection 5-A.

**9. List of late-filing candidates.** The commission shall prepare a list of the names of candidates who are late in filing a report required under section 1017, subsection 2, paragraph C or D or section 1017, subsection 3-A, paragraph B or C within 30 days of the date of the election and shall make that list available for public inspection.

**10. Enforcement.** A penalty assessed pursuant to this section that has not been paid in full within 30 days after issuance of a notice of the final determination may be enforced in accordance with section 1004-B.
