To: Commissioners
From: Erin Gordon, Candidate Registrar
Date: June 12, 2026
Re: Request for Waiver of Late Filing Penalty by Candidate Derek Levasseur

Derek Levasseur was a first-time candidate running for Governor, financing his campaign through traditional campaign contributions. Mr. Levasseur was required to file the 11-Day Pre-Primary Report by 11:59 p.m. on May 29, 2026. The report was filed on June 1, three days late. The preliminary penalty for the late report is \$1,026.24, and Mr. Levasseur is requesting a waiver of the penalty.

LEGAL REQUIREMENTS

Candidates for Governor are required to file the 11-Day Pre-Primary Report no later than 11:59 p.m. on the 11th day before the date on which an election is held and must be complete for the filing period as of the 14th day before that date. 21-A M.R.S. § 1017(2)(C). When a candidate files a late campaign finance report, the amount of the preliminary penalty is set by a statutory formula which takes into consideration a percentage of the total contributions or expenditures, whichever is greater, the number of prior violations within a two-year period, and the number of days the report is late. 21-A M.R.S. § 1020-A(4-A). The candidate may request a waiver of the preliminary penalty due to mitigating circumstances under § 1020-A(2)&(6).

DISCUSSION

On May 22, Candidate Registrar Erin Gordon sent an email reminder to all candidates assigned the 11-Day Pre-Primary Report one week before the May 29 filing deadline. Ms. Gordon sent another email early in the afternoon of May 29 to any candidates who had not yet filed the report, advising them that if they were receiving the email, the report still needed to be filed. Mr. Levasseur and his treasurer, Christie Whitcomb, received these emails. On Monday, June 1, Ms. Whitcomb contacted Ms. Gordon after receiving a notice of the unfiled and late report; Ms. Whitcomb filed the report later that day.

Based on the statutory formula for late-filing penalties, the preliminary penalty amount is \$1,026.24, calculated as follows:

Report	Deadline	Financial Activity	Penalty Rate	Days Late	Preliminary Penalty
11-Day Pre-Primary Report	05/29/2026	\$17,104.20	2%	3	\$1,026.24

In his waiver request, Mr. Levasseur states that in the week leading up to the report deadline, his campaign was busy preparing to meet another deadline: the June 1 ballot petition deadline for unenrolled candidates. In that scramble, he overlooked the campaign finance filing requirement. Though he received the filing reminders sent by Ms. Gordon, he read the name of the report, the “11-Day Pre-Primary,” as pertaining only to candidates participating in a primary election and assumed they did not apply to his campaign.

STAFF RECOMMENDATION

Timely campaign finance reports are an integral part of campaign finance transparency and disclosure. The Legislature deems timely filing to be of the utmost importance, as the statute requires late-filing penalties to increase by each day past the due date the report is filed. All campaigns are expected to pay attention to and meet all reporting deadlines, especially when multiple reminders are sent for each due date. Even when candidates have missed deadlines acting in good faith, the Commission has assessed penalties to reinforce the importance of filing campaign finance reports on time.

A chart of candidate penalties since 2018 is attached. In recent election years, the Commission generally has reduced late-filing penalties against candidates to a range of \$300 - \$350. The most recent examples, from the 2024 election cycle, are:

- from \$1,117.21 to \$300 – late 42-Day Post-General Report by Holly Rae Eaton
- from \$1,938.64 to \$300 – late 24-Hour Report by Laura Supica
- from \$1,851.80 to \$300 – late 24-Hour Report by Reda Edelman

Mr. Levasseur had already filed one report successfully, the 42-Day Pre-Primary Report, when his campaign missed the deadline for the 11-Day Pre-Primary Report. Since the campaign filed the 42-Day Pre-Primary Report, Commission staff do not understand why the campaign did not recognize the 11-Day Pre-Primary Report was also required. Every candidate finds themselves

juggling different and overlapping responsibilities, and the demands on Mr. Levasseur's campaign the week of the report were not unique. However, because his campaign remedied the oversight promptly and because of the relatively small size of the campaign, Commission staff recommend reducing the penalty to \$350.00.

Re: Request for Waiver For Late Filing Penalty

Dear Commissioners,

I respectfully request that the Commission waive the preliminary penalty assessed for the late filing of my 11-Day Pre-Primary Campaign Finance Report.

First and foremost, I understand the importance of campaign finance disclosure and the public's right to transparency. The delay was not intentional, nor was it an attempt to conceal campaign activity or avoid compliance with Maine election laws.

I am running as an Independent candidate for Governor of Maine and was not participating in a party primary election. During the final weeks leading up to June 1st, my campaign staff was heavily focused on the statewide petition certification process required for ballot access with a deadline to deliver petitions to town offices across the state by 5pm May 26th and a deadline to collect petitions and deliver to the Secretary of State by 5pm June 1st. We were coordinating with municipalities throughout Maine, tracking thousands of petition signatures, communicating with town offices, arranging volunteer drivers, and working to ensure petitions were returned and submitted to the Secretary of State by the statutory deadline.

Because the report was identified as a "Pre-Primary Report," and the filing was due during the middle of the deadlines for petition retrieval, we mistakenly associated the filing for candidates actively participating in a primary election. While we now understand that the filing requirement applied to my campaign as well, this misunderstanding contributed to the delay. It was an honest mistake made during an extremely demanding period of campaign activity and not an effort to avoid disclosure.

Several factors support a waiver of the penalty:

- This is our first campaign finance reporting violation.
- The report was filed the next business day after the deadline.

- There was no intentional misconduct, concealment, or effort to deprive the public of information.
- The campaign's financial activity was fully disclosed once the oversight was identified.
- I am an Independent candidate who was not participating in a partisan primary election.
- The campaign was simultaneously engaged in the time-sensitive process of delivering, certifying, collecting, and submitting ballot access petitions across the State of Maine.
- The delay caused little or no harm to the public's ability to access campaign finance information.
- The assessed penalty of \$1,026.24 represents a significant financial burden on a grassroots campaign supported primarily by volunteers and ordinary Maine citizens.

Throughout this campaign, I have advocated for transparency, accountability, and public trust in government. I have worked diligently to comply with election laws and reporting requirements. This filing delay was an isolated oversight during one of the most demanding periods of the campaign.

The Commission's notice states that penalties may be waived when there is evidence of a bona fide effort to comply with reporting requirements, mitigating circumstances, or when the penalty may be disproportionate to the circumstances. I respectfully submit that those factors are present here.

For these reasons, I respectfully request that the Commission exercise its discretion to waive the penalty in full, in recognition of the mitigating circumstances described above.

Thank you for your time, consideration, and service to the people of Maine. I appreciate the opportunity to present this request and am available to answer any questions the Commission may have.

Respectfully submitted,

Derek Levasseur
Independent Candidate for Governor of Maine

Re: Notice of Violation and Penalty for Late-Filed 11-Day Pre-Primary Report

Dear Mr. Levasseur:

You were required to file the 11-Day Pre-Primary Report on May 29, 2026 by 11:59 p.m. (21-A M.R.S. § 1017 (2)(B)), but the report was not filed until June 1, 2026. Under the Commission's statutes, the late filing of a report triggers an enforcement process (21-A M.R.S. § 1020-A(4-A)). The Commission staff has made a preliminary finding of violation and determined the preliminary penalty for filing the report late is **\$1,026.24**. Please see the next page for the penalty calculation.

You may request the Commission waive the penalty in whole or in part or find there was no violation. *The request must be made within 14 calendar days of your receipt of this notice.* The request must be in writing and contain a full explanation of the reasons the report was filed late. Upon receiving your request, the Commission staff will schedule your request to be heard at an upcoming Commission meeting. You or your designee will have an opportunity to be heard at the meeting or you may submit a sworn statement to the Commission explaining the mitigating circumstances for its consideration.

The Commission may waive or reduce the penalty or find there was no violation if it determines the report was late due to mitigating circumstances, which are defined as (1) a valid emergency; (2) an error made by the Commission staff; or (3) relevant evidence that a bona fide effort was made to file the report on time. (21-A M.R.S. § 1020-A(2)) The Commission may also consider whether the penalty is disproportionate to the size of the candidate's campaign, the level of experience of the candidate, treasurer or campaign staff, or the harm to the public caused by the late disclosure.

The staff requests you pay the preliminary penalty within 14 days of the date of your receipt of this notice if you do not intend to request a waiver. Please use the payment statement on the next page when paying by mail. You may also make a payment online at www.maine.gov/ethics by clicking the "Penalty Payment" link. Please contact me at (207) 287-3651 or erin.gordon@maine.gov if you have any questions.

Sincerely,

Erin Gordon
Candidate Registrar

Penalty Calculation

The penalty for filing a campaign finance report late is based on a percentage of the total contributions or expenditures for the reporting period, whichever is greater, multiplied by the number of days late. The percentage is based on your history of past violations: 2% for the first violation, 4% for the second violation, and 6% for the third and each subsequent violation. Violations for late-filed reports accumulate in the two-year period beginning on January 1st of each even-numbered year. A penalty accrues daily beginning on the day following the filing due date. Any penalty of less than \$25 is automatically waived.

21-A M.R.S. § 1017. Reports by candidates

1. Federal candidates. [2007, ch. 443, § A-16 (RP).]

2. Gubernatorial candidates. A treasurer of a candidate for the office of Governor shall file reports with the commission as follows. Once the first required report has been filed, each subsequent report must cover the period from the end date of the prior report filed.

A. In any calendar year, other than a gubernatorial election year, in which the candidate or the candidate's political committee has received contributions in excess of \$1,000 or made or authorized expenditures in excess of \$1,000, reports must be filed no later than 11:59 p.m. on July 15th of that year and January 15th of the following calendar year. These reports must include all contributions made to and all expenditures made or authorized by or on behalf of the candidate or the candidate's treasurer as of the end of the preceding month, except those covered by a previous report.

B. Reports must be filed no later than 11:59 p.m. on the 42nd day before the date on which an election is held and must be complete as of the 49th day before that date. If a report was not filed under paragraph A, the report required under this paragraph must cover all contributions and expenditures through the 49th day before the election.

C. Reports must be filed no later than 11:59 p.m. on the 11th day before the date on which an election is held and must be complete as of the 14th day before that date.

D. If the candidate has an opponent who is on the ballot or who is a declared write-in candidate, any single contribution of \$10,000 or more received or any single expenditure of \$10,000 or more made after the 14th day before the election and more than 48 hours before 11:59 p.m. on the day of the election must be reported within 48 hours of that contribution or expenditure. The candidate or treasurer is not required to include in this report expenditures for overhead expenses or compensation paid to an employee or other member of the campaign staff who has received payments at regular intervals that have been disclosed in previously filed campaign finance reports. As used in this paragraph, "overhead expenses" includes, but is not limited to, rent, utility payments, taxes, insurance premiums or similar administrative expenses.

E. Reports must be filed no later than 11:59 p.m. on the 42nd day after the date on which an election is held and must be complete for the filing period as of the 35th day after that date.

F. Unless further reports will be filed in relation to a later election in the same calendar year, the disposition of any surplus or deficit in excess of \$100 shown in the reports described in paragraph E must be reported as provided in this

paragraph. The treasurer of a candidate or political committee with a surplus or deficit in excess of \$100 shall file reports semiannually with the commission within 15 days following the end of the 2nd and 4th quarters of the State's fiscal year, complete as of the last day of the quarter, until the surplus is disposed of or the deficit is liquidated. The first report under this paragraph is not required until the 15th day of the period beginning at least 90 days from the date of the election. The reports will be considered timely if filed electronically or in person with the commission on that date or postmarked on that date. The reports must set forth any contributions for the purpose of liquidating the deficit, in the same manner as contributions are set forth in other reports required in this section.

G. Unless otherwise specified in this subsection, reports must be complete back to the end date of the previous report filing period. The reports described in paragraph E, if filed with respect to a primary election, are considered previous reports in relation to reports concerning a general election.

H. Reports with respect to a candidate who seeks nomination by petition for the office of Governor must be filed on the same dates that reports must be filed with respect to a candidate who seeks that nomination by primary election.

21-A M.R.S. § 1020-A. Failure to file on time

1. Registration. A candidate that fails to register the name of a candidate, treasurer or political committee with the commission within the time allowed by section 1013-A, subsection 1 may be assessed a forfeiture of \$100. The commission shall determine whether a registration satisfies the requirements for timely filing under section 1013-A, subsection 1.

2. Campaign finance reports. A campaign finance report is not timely filed unless a properly signed or electronically submitted copy of the report, substantially conforming to the disclosure requirements of this subchapter, is received by the commission by 11:59 p.m. on the date it is due. Except as provided in subsection 7, the commission shall determine whether a report satisfies the requirements for timely filing. The commission may waive a penalty in whole or in part if the commission determines that the penalty is disproportionate to the size of the candidate's campaign, the level of experience of the candidate, treasurer or campaign staff or the harm suffered by the public from the late disclosure. The commission may waive the penalty in whole or in part if the commission determines the failure to file a timely report was due to mitigating circumstances. For purposes of this section, "mitigating circumstances" means:

- A.** A valid emergency determined by the commission, in the interest of the sound administration of justice, to warrant the waiver of the penalty in whole or in part;
- B.** An error by the commission staff;
- C.** Failure to receive notice of the filing deadline; or
- D.** Other circumstances determined by the commission that warrant mitigation of the penalty, based upon relevant evidence presented that a bona fide effort was made to file the report in accordance with the statutory requirements, including, but not limited to, unexplained delays in postal service or interruptions in Internet service.

3. Municipal campaign finance reports. Municipal campaign finance reports must be filed, subject to all the provisions of this subchapter, with the municipal clerk on forms prescribed by the Commission on Governmental Ethics and Election Practices. The municipal clerk shall send any notice of lateness required by subsection 6 and shall notify the commission of any late reports subject to a penalty.

4. Basis for penalties. [MRSA T. 21-A §1020-A, sub-§4 (RP).]

4-A. Basis for penalties. The penalty for late filing of a report required under this subchapter is a percentage of the total contributions or expenditures for the filing

period, whichever is greater, multiplied by the number of calendar days late, as follows:

- A.** For the first violation, 2%;
- B.** For the 2nd violation, 4%; and
- C.** For the 3rd and subsequent violations, 6%.

Any penalty of less than \$25 is waived.

Violations accumulate on reports with filing deadlines in a 2-year period that begins on January 1st of each even-numbered year. Waiver of a penalty does not nullify the finding of a violation.

A report required to be filed under this subchapter that is sent by certified or registered United States mail and postmarked at least 2 days before the deadline is not subject to penalty.

5. Maximum penalties. [MRSA T. 21-A §1020-A, sub-§5 (RP).]

5-A. Maximum penalties. Penalties assessed under this subchapter may not exceed:

A. Five thousand dollars for reports required under section 1017, subsection 2, paragraph B, C, D, E or H; section 1017, subsection 3-A, paragraph B, C, D, D-1 or F; and section 1017, subsection 4, except that if the dollar amount of the financial activity that was not timely filed or did not substantially conform to the reporting requirements of this subchapter exceeds \$50,000, the maximum penalty is 100% of the dollar amount of that financial activity;

A-1. Five thousand dollars for reports required under section 1019-B, subsection 4, except that if the dollar amount of the financial activity that was not timely filed or did not substantially conform to the reporting requirements of this subchapter exceeds \$50,000, the maximum penalty is 100% of the dollar amount of that financial activity;

B. Five thousand dollars for state party committee reports required under section 1017-A, subsection 4-A, paragraphs A, B, C and E, except that if the dollar amount of the financial activity that was not timely filed or did not substantially conform to the reporting requirements of this subchapter exceeds \$50,000, the maximum penalty is 100% of the dollar amount of that financial activity;

C. One thousand dollars for reports required under section 1017, subsection 2, paragraphs A and F and section 1017, subsection 3-A, paragraphs A and E; or

D. Five hundred dollars for municipal, district and county committees for reports required under section 1017-A, subsection 4-B.

E. [2011, ch. 558, § 5 (RP).]

6. Request for commission determination. If a candidate or a political committee files a report required under this subchapter late, a notice of preliminary penalty must be sent to the candidate or political committee whose registration or campaign finance report was not received by 11:59 p.m. on the deadline date, informing the candidate or political committee of the staff finding of violation and preliminary penalty calculated under subsection 4-A and providing the candidate or political committee with an opportunity to request a determination by the commission. Any request for a determination must be made within 14 calendar days of receipt of the commission's notice. A candidate or political committee requesting a determination may either appear in person or designate a representative to appear on the candidate's or political committee's behalf or submit a sworn statement explaining the mitigating circumstances for consideration by the commission. A final determination by the commission may be appealed to the Superior Court in accordance with Title 5, chapter 375, subchapter 7 and the Maine Rules of Civil Procedure, Rule 80C.

7. Final notice of penalty. If a determination has been requested by the candidate or political committee and made by the commission, notice of the commission's final determination and the penalty, if any, imposed pursuant to this subchapter must be sent to the candidate and the political committee.

If a determination is not requested, the preliminary penalty calculated by the commission staff is final. The commission staff shall mail final notice of the penalty to the candidate and treasurer. A detailed summary of all notices must be provided to the commission.

8. Penalties for failure to file report. If the commission staff finds that a candidate, party committee or other person has failed to file a report required under this subchapter, the commission staff shall send by regular mail and e-mail a notice to the candidate, party committee or person within 3 business days following the filing deadline informing the candidate, party committee or person that the report has not been received. If the report remains unfiled after 10 days, the commission staff shall send another notice by regular mail and e-mail. If the candidate, party committee or person has not filed the report after these 2 notices, the commission staff may refer the violation to the commission, which may, after providing notice and an opportunity to be heard, determine whether a violation has occurred and, if so, the amount of any penalty. The penalty may not exceed the maximum penalties as provided in subsection 5-A. A candidate party committee or other person who fails to file a report as required by this subchapter after the commission has sent the first 2 notices required by this subsection is guilty of a Class E crime. As an alternative to assessing a penalty, the commission may refer the violation to the Office of the Attorney General for potential criminal prosecution.

8-A. Penalties for failure to file report. [2025, ch. 224, § 15 (RP).]

9. List of late-filing candidates. [2025, ch. 224, § 16 (RP).]

10. Enforcement. A penalty assessed pursuant to this section that has not been paid in full within 30 days after issuance of a notice of the final determination may be enforced in accordance with section 1004-B.
