Agenda Item #2

June 3, 2020

**By E-Mail and Regular Mail**

Cynthia Soma-Hernandez  
PO Box 353  
N. Anson, Maine 04958

Dear Ms. Soma-Hernandez:

The staff of the Maine Commission on Governmental Ethics and Election Practices (the Commission) has completed its review of your request for certification as a Maine Clean Election Act (MCEA) candidate. We determined that you submitted 59 valid qualifying contributions (QCs), which is less than the 60 required to receive MCEA funding. You have an opportunity to appeal this staff determination to the members of the Commission, as discussed in Section III.

**I. Legal Requirements for MCEA Funding**

**Deadline to Submit QCs, Voter Registration Verifications, and Receipt & Acknowledgement Forms by 5:00 p.m. on May 19, 2020**

To qualify for MCEA funding, candidates for the Maine House of Representatives must collect 60 valid QCs. 21-A M.R.S. § 1125(3)(D)(3). The contributors are required to acknowledge on forms prepared by the Commission that they made the QCs with personal funds in support of the candidate and received nothing of value in exchange for making the contribution. 21-A M.R.S. §§ 1122(7)(D) & 1125(3-B).

The candidate "must submit qualifying contributions, receipt and acknowledgement forms, proof of verification of voter registration ... during the qualifying period according to procedures developed by the commission ..." 21-A M.R.S. § 1125(4). For candidates for the State House of Representatives, the statutory qualifying period ends at 5:00 p.m. on April 20<sup>th</sup> of the election year. 21-A M.R.S. § 1122(8)(B). This year, Governor Janet T. Mills extended the qualifying period by Executive Order to May 19, 2020.

Under Chapter 3, Section (3)(1)(F) of the Commission Rules, the Commission and its staff may not grant extensions for a candidate to submit Receipt & Acknowledgement Forms.

#### Requirement to Submit Original Documents

The Commission's rules set forth the requirements for requesting certification as a MCEA candidate. Under Chapter 3, Section (3)(1)(A), the request is considered complete if it contains "the qualifying contributions attached to the corresponding original receipt and acknowledgment forms with confirmation of the contributors' voter registration..." (underscoring added) The requirement that all forms for certification be original is set out in the Commission's guidance materials for 2020 MCEA candidates, including the quick guide, the guidebook, and the submission packet checklist.

#### Requirement to Obtain Verification of Registered Voters

Candidates are required by the Commission's rules to verify the voter registration of the contributors. Under Chapter 3, Section (2)(4)(F)(2), "[f]or qualifying contributions made by check or by money order, a candidate must obtain written verification from the Registrar(s) of Voters, or verify the contributor's voter registration using the Commission's online qualifying contribution service..." Candidate Registrar Erin Gordon, with the understanding that many town offices are currently closed or difficult to access, and mindful of the May 19 deadline, offered to verify contributors as necessary in an attempt to successfully process your certification.

## **II. Determination by Commission Staff**

When your verified Receipt & Acknowledgement Forms were delivered to the Commission on Thursday, May 22<sup>nd</sup> (postmarked May 19<sup>th</sup>), you believed you were submitting 81 QCs. During its review, Commission staff identified an additional six QCs and added them for consideration for a total submitted number of 87. The Commission staff has determined that 28 QCs were invalid, and that you submitted a total number of 59 valid QCs.

Duplicate Entries in Contributor List (2)

Two contributors were entered twice in the contributor list submitted to the Commission through the Commission's online QC service: Sheila Dellarma and Kristen Stewart. Each of these contributors gave only one QC.

Contribution Missing (2)

Mark Tolman and Gary Cromwell signed Receipt & Acknowledgement Forms but no \$5 contributions for them were included with the submission. A money order was submitted with Gary Cromwell's name printed on it, but the signature on the money order does not match Mr. Cromwell's signature on the Receipt & Acknowledgement Form. Someone other than the contributor signed the money order.

Receipt & Acknowledgement Form Not Original Copy (4)

Jeddie Brown, Rick Dexter, Steve Patenaude, and Duke Smith all donated QCs by cash and signed corresponding individual money orders. We received a Receipt & Acknowledgement Form signed by the contributors and four signed money orders. The portion of the Receipt & Acknowledgement Form signed by these contributors is a photocopy, which does not satisfy the requirement for original materials.

Contributors Not Verified as Registered Voters (20)

At time of submission, 38 of the contributors manually entered by the candidate into the online QC site were not verified as registered voters. Ms. Gordon attempted to match these entries with records in the State's Central Voter Registry (CVR), verifying first those contributors with minor typos in their names or addresses, and then those who had changed addresses but remained in the candidate's district. Ms. Gordon was able to verify that 18 of the contributors were registered to vote. She was unable to find voter registration records for the other 20 contributors and could not verify them as registered voters:

Albee	Haley	558 RIVER RD	Anson
Ames	Angel	134 CARRABASSETT RD	Anson
Bruneau	Cody	77 MAIN ST	Anson
French	Michael	150 RIVER RD	Anson
Gilbert	David	134 CARRABASSETT RD	Anson
Gilbert	Gertrude	134 CARRABASSETT RD	Anson

McLaughlin	Joseph	314 SOLON RD	Anson
Norman	Arthur	215 EMBDEN POND RD	Anson
Norris	David	73 MAIN ST	Anson
Smith	Makayla	77 MAIN ST	Anson
Stewart	Kristen	11 PINE ST	Anson
Stryska	Kathy	60 CHURCH ST	Anson
Walther	Erika	34 TOWN FARM RD	Anson
White	Isaiah	73 MAIN ST	Anson
White	David	3013 SUGAR RDG	Carrabassett Valley
Johnson	Kyle	72 LEMON STREAM RD	New Portland
Sylvester	Heidi	779 MAYHEW RD	Starks
Carter	Renee	703 Horseback	Anson
White	Heather	93 Main	N. Anson
Partridge	Abigail	240 Anson Valley	Anson

Ms. Gordon also could not verify the voter registration status for five contributors whose QCs who were rejected above for other reasons: Jeddie Brown, Rick Dexter, Steve Patenaude, Duke Smith, and Gary Cromwell. Their QCs are therefore invalid for two reasons.

Thus, the Commission staff determined that your campaign submitted 59 valid QCs.

### III. Your Right to Appeal

You have a right to appeal the staff determination to the members of the Commission, pursuant to 21-A M.R.S. § 1125(14). If you wish to do so, please submit the appeal, in writing, within seven days, addressed to:

William A. Lee III, Chair  
Maine Ethics Commission  
135 State House Station  
Augusta, ME 04333-0135

The Commission is required to hold a hearing to consider the appeal within five calendar days of receiving the appeal. We might ask for your flexibility in scheduling the hearing outside the five-day period. The hearing would be held in accordance with the State Administrative Procedure Act (5 M.R.S. § 8001-11008). You would have the burden of proving that the Commission staff's decision was in error as a matter of law or was based on factual error. The Commission must rule on the appeal within five

business days after the hearing. I am happy to answer any questions you may have concerning the Commission staff's determination.

Sincerely,

Mr. Jonathan Wayne,

I present this appeal in consideration of a change in the decision by the Maine Clean Election Commission primarily, though not limited to, the fact that voters were not informed by the **Anson Town Clerk as to their right to submit an Oath of Residency if their Motor Vehicle License had another residency on it other than where they currently reside. Further that, due to Covid19, Motor Vehicles was closed with the result being that voters were unable to change their voter registration. This information spread throuout the neighborhood. Hence, we have voter suppression here in rural Maine where the poorest of Maine's residents reside.** If that is not illegal, it should be. This intimidated people.

The second issue that negatively affected our campaign's ability to obtain verification of our Qualifying Signatures appears to be my fault. It also appears to be easily verifiable and correctable. Indeed, I am quite perplexed that it has not already resolved itself. In a hurried effort to make more copies of the signature verification form, I purchased whiteout tape at Taylor Drug Store in Madison and copied the original. I then whited out the signatures on the original, unable to observe the difference, as I was cold occurred, this is a mere clerical error. Surely there is a way to steam off the white out strip to obtain one more signature. I did not think of that as a solution. As well, I did not want to damage the evidence by taring the paper fabric.

I am a little confused about the issue with Mark Tolman's contribution, as I have in my possession the receipt for it from the bank. If there was no contribution, I wouldn't have a receipt for it. I have enclosed a copy of this receipt in the postal copy which I will forward to you today.

I sincerely hope there is some way to resolve the matter of one Qualifying Signature. I can return to the others later this month. Of the four from the photocopy and Mr. Thornton's receipt we should be able to resolve. The matter of the Town Clerk not informing constituents of their right to write an Oath of Residency is grievable and of grave concern to me.

Thank you and Erin Gordon for the time effort, and due diligence these matters require.

Sincerely,

Cynthia Soma-Hernandez

Ms. Soma-Hernandez,

I am sorry to be sending along disappointing news. The staff of the Ethics Commission reviewed your request for Maine Clean Election Act funding, but found that you did not collect 60 qualifying contributions that we could count as valid. The largest issue was the number of contributors whose voter registration could not be verified. Usually, submitting verification of the contributors' registration status is the candidate's responsibility. This year (because of all the town office closures), Erin Gordon undertook to verify the contributors' voter registration status by checking the State's Central Voter Registry. There were 25 contributors whose voter registration status Erin could not verify. (20 of them we rejected only because of the lack of verification of voter registration. Another five were rejected because of the lack of voter registration verification plus one other issue.)

You absolutely may appeal the staff's decision to our three Commissioners, who will probably be meeting twice this month. The burden would be on you to show that the staff made a factual error or an error as a matter of law. The appeal hearing would take place by zoom videoconference. **Please note that if you want to file an appeal, we would need to receive a letter from you stating your argument or explanation within seven days of today (i.e., by June 10).**

If you have any questions about the Commission staff's decision, please feel free to call Erin or me.

If you decide not to appeal, our office will be considering you to be a traditionally financed candidate, meaning you can collect traditional campaign contributions to finance your campaign. If you have questions about this, Erin is the better source than me.

Thank you.

**MAINE REVISED STATUTES**  
**TITLE 21-A, CHAPTER 14: THE MAINE CLEAN ELECTION ACT**

...

**21-A § 1122. Definitions**

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings.

...

**7. Qualifying contribution.** “Qualifying contribution” means a donation:

- A. Of \$5 or more in the form of cash, a check or a money order payable to the fund and signed by the contributor in support of a candidate or a payment made over the Internet in support of a candidate according to the procedure established by the commission;
- B. Made by a registered voter within the electoral division for the office a candidate is seeking and whose voter registration has been verified according to procedures established by the commission;
- C. Made during the designated qualifying period; and
- D. That the contributor acknowledges was made with the contributor’s personal funds and in support of the candidate and was not given in exchange for anything of value and that the candidate acknowledges was obtained with the candidate’s knowledge and approval and that nothing of value was given in exchange for the contribution, on forms provided by the commission.

**8. Qualifying period.** “Qualifying period” means the following.

- A. For a gubernatorial participating candidate, the qualifying period begins October 15th immediately preceding the election year and ends at 5:00 p.m. on April 1st of the election year.
- B. For State Senate or State House of Representatives participating candidates, the qualifying period begins January 1st of the election year and ends at 5:00 p.m. on April 20th of that election year or the next business day following April 20th if the office of the commission is closed on April 20th.

...

**21-A § 1125. Terms of participation**

...

**3. Qualifying contributions.** The collection of qualifying contributions is governed by this subsection.

A. **(REPEALED)**

B. **(REPEALED)**

**C. (REPEALED)**

D. To be eligible to receive funding from the fund, participating candidates must obtain qualifying contributions during the qualifying period as follows:

- (1) For a gubernatorial candidate, at least 3,200 verified registered voters of this State must support the candidacy by providing a qualifying contribution to that candidate;
- (2) For a candidate for the State Senate, at least 175 verified registered voters from the candidate's electoral division must support the candidacy by providing a qualifying contribution to that candidate; or
- (3) For a candidate for the State House of Representatives, at least 60 verified registered voters from the candidate's electoral division must support the candidacy by providing a qualifying contribution to that candidate.

E. A contributor making a qualifying contribution by check or money order shall sign the check or money order. If the contributor has made a check or money order payable to a participating candidate in error, the candidate may remedy the error by endorsing the check or money order to the fund.

F. A contributor may make a qualifying contribution to a participating candidate in the form of cash, as long as the contributor signs a form prepared by the commission affirming that the contributor made the contribution with personal funds. A candidate receiving qualifying contributions in cash shall submit the contributions to the commission in the aggregate in the form of a cashier's check or money order payable to the fund. The candidate may not deposit qualifying contributions received in cash into the candidate's campaign account.

G. As an alternative to making a qualifying contribution under paragraph F, a contributor may make a qualifying contribution to a participating candidate in the form of cash, as long as the candidate submits a money order in the same amount to the commission. The money order must be signed by the contributor to be a valid qualifying contribution. The cash received from the contributor must be used to reimburse the person who provided the money order.

H. Any fees for a cashier's check or a money order paid with seed money must be reported as an expenditure in campaign finance reports submitted to the commission. If a participating candidate uses personal funds to pay fees for the purchase of a cashier's check or money order, those fees are not a contribution to the candidate and are not required to be disclosed in campaign finance reports. The candidate shall report any cashier's check or money order fees paid by anyone other than the candidate as an in-kind contribution subject to seed money limitations.

I. The commission may establish by routine technical rule, adopted in accordance with Title 5, chapter 375, subchapter 2-A, a procedure for a qualifying contribution to be made by a credit or debit transaction and by electronic funds transfer over the Internet. Records containing information provided by individuals who have made qualifying contributions over the Internet are confidential, except for the name of the individual making the contribution, the date of the contribution, the individual's residential address and the name and office sought of the candidate in whose support the contribution was made.

J. A payment, gift or anything of value may not be given in exchange for a qualifying contribution. It is a violation of this chapter for a participating candidate or an agent of the

participating candidate to misrepresent the purpose of soliciting qualifying contributions and obtaining the contributor's signed acknowledgment.

**3-A. Additional qualifying contributions.** Participating or certified candidates may collect and submit to the commission additional qualifying contributions at the times specified in subsection 8-E. The commission shall credit a candidate with either one qualifying contribution or one additional qualifying contribution, but not both, from any one contributor during the same election cycle. If any candidate collects and submits to the commission qualifying contributions or additional qualifying contributions that cannot be credited pursuant to this subsection, those qualifying contributions or additional qualifying contributions may be refunded to the contributor or deposited into the Maine Clean Election Fund at the discretion of the candidate. The procedures and restrictions set out in subsection 3, paragraphs E to J apply to additional qualifying contributions.

⇒ **3-B. Receipt and acknowledgment forms.** The commission shall prepare forms for persons making qualifying contributions to acknowledge the contribution as provided in section 1122, subsection 7, paragraph D. A qualifying contribution is not valid if anyone other than the contributor signed the contributor's name to the form, except that a qualifying contribution is valid if it is signed by the contributor's immediate family member or live-in caregiver when the contributor is unable to sign due to a physical impairment or disability.

⇒ **4. Filing with commission.** A participating candidate must submit qualifying contributions, receipts and acknowledgment forms, proof of verification of voter registration and a seed money report to the commission during the qualifying period according to procedures developed by the commission, except as provided under subsection 11.

⇒ **5. Certification of Maine Clean Election Act candidates.** Upon receipt of a final submittal of qualifying contributions by a participating candidate, the executive director of the commission shall determine whether the candidate has:

- A. Signed and filed a declaration of intent to participate in this Act;
- B. Submitted the appropriate number of valid qualifying contributions;
- C. Qualified as a candidate by petition or other means no later than 5 business days after the end of the qualifying period;
- C-1. **(REPEALED)**
- D. Not accepted contributions, except for seed money contributions, and otherwise complied with seed money restrictions;
  - D-1. Not run for the same office as a nonparticipating candidate in a primary election in the same election year;
  - D-2. Not been found to have made a material false statement in a report or other document submitted to the commission;
  - D-3. Not otherwise substantially violated the provisions of this chapter or chapter 13;
  - D-4. Not failed to pay any civil penalty assessed by the commission under this Title, except that a candidate has 3 business days from the date of the request for certification to pay the outstanding penalty and remain eligible for certification;

D-5. Not submitted any fraudulent qualifying contributions or any falsified acknowledgement forms for qualifying contributions or seed money contributions; and

E. Otherwise met the requirements for participation in this Act.

The executive director shall certify a candidate complying with the requirements of this section as a Maine Clean Election Act candidate as soon as possible after final submittal of qualifying contributions and other supporting documents required under subsection 4 but no later than 3 business days for legislative candidates and 5 business days for gubernatorial candidates. The executive director may take additional time if further investigation is necessary to verify compliance with this Act as long as the commission notifies the candidate regarding the anticipated schedule for conclusion of the investigation. A candidate or other interested person may appeal the decision of the executive director to the members of the commission in accordance with subsection 14.

A certified candidate must comply with all requirements of this Act after certification and throughout the primary and general election periods. Failure to do so is a violation of this chapter.

...

**14. Appeals.** A candidate who has been denied certification as a Maine Clean Election Act candidate by the commission's executive director, the opponent of a candidate who has been granted certification as a Maine Clean Election Act candidate or other interested persons may challenge a certification decision by the executive director as follows.

A. A challenger may appeal to the commission within 7 days of the certification decision. The appeal must be in writing and must set forth the reasons for the appeal.

B. Within 5 days after an appeal is properly made and after notice is given to the challenger and any opponent, the commission shall hold a hearing, except that the commission may extend this period upon agreement of the challenger and the candidate whose certification is the subject of the appeal, or in response to the request of either party upon a showing of good cause. The appellant has the burden of proving that the certification decision was in error as a matter of law or was based on factual error. The commission must rule on the appeal within 5 business days after the completion of the hearing.

C. A challenger may appeal the decision of the commission in paragraph B by commencing an action in Superior Court within 5 days of the date of the commission's decision. The action must be conducted in accordance with Rule 80C of the Maine Rules of Civil Procedure, except that the court shall issue its written decision within 20 days of the date of the commission's decision. Any aggrieved party may appeal the decision of the Superior Court by filing a notice of appeal within 3 days of that decision. The record on appeal must be transmitted to the Law Court within 3 days after the notice of appeal is filed. After filing the notice of appeal, the parties have 4 days to file briefs and appendices with the clerk of the court. The court shall consider the case as soon as possible after the record and briefs have been filed and shall issue its decision within 14 days of the decision of the Superior Court.

D. A candidate whose certification as a Maine Clean Election Act candidate is reversed on appeal must return to the commission any unspent revenues distributed from the fund. If the commission or court finds that an appeal was made frivolously or to cause delay or hardship, the commission or court may require the moving party to pay costs of the commission, court and opposing parties, if any.

...

**SECTION 2. PROCEDURES FOR PARTICIPATION**

...

4. **Qualifying Contributions**

- A. **General.** A candidate may collect qualifying contributions only during the relevant qualifying period for certification and the relevant period for additional qualifying contributions [ §§ 1122(8) and 1125(8-E)]. Qualifying contributions collected more than five days before filing a Declaration of Intent with the Commission will not be counted for any purpose. Qualifying contributions must be acknowledged by the person making the contribution and reported on forms provided by the Commission.

The forms must include:

- (1) the name, residential address and signature of the contributor;
- (2) an affirmation by the contributor that the contribution was made with his or her personal funds, in support of the candidate and that the contributor did not receive anything of value in exchange for his or her signature and contribution;
- (3) a clear and conspicuous statement that the candidate is collecting signatures and qualifying contributions in order to obtain public funding to finance the candidate's campaign;
- (4) a confirmation that the contributor is a registered voter indicated by the signature of the municipal registrar or his or her designee or by the Commission's online qualifying contribution service; and
-  (5) an affirmation by the person who circulated the form that the circulator collected the contribution, that to the best of the circulator's knowledge and belief the contribution came from the personal funds of the contributor, that nothing was provided to the contributor in exchange for the contribution, and any additional information required by the Commission in order to protect the reliability of the qualification process. Contributions made through the Commission's online qualifying contribution service do not require a circulator's affirmation.

...

**F. Verification of Registered Voters**

- (1) A candidate must obtain verification that contributors who made qualifying contributions to that candidate are registered voters, in accordance with written procedures established by the Commission.
-  (2) For qualifying contributions made by check or by money order, a candidate must obtain written verification from the Registrar(s) of Voters, or verify the contributor's voter registration using the Commission's online qualifying contribution service, as specified in the Commission's written procedures.
- (3) For qualifying contributions made by credit or debit card using the Commission's online service, if the service is unable to verify the voter registration of the contributor, the candidate must obtain written verification from the Registrar.
- (4) Upon request of a candidate, and within 10 business days after the date of the request, the Registrar must verify the names of contributors of qualifying contributions who are registered voters within the electoral division for the office the candidate is seeking.

...

**SECTION 3. CERTIFICATION OF PARTICIPATING CANDIDATES**

1. **Request for Certification.** A participating candidate may submit a completed request for certification to the Commission at any time during the qualifying period but not later than 5:00 p.m. on the last day of the relevant qualifying period. The Commission may develop written procedures consistent with this section for candidates to submit qualifying contributions and related materials to facilitate the efficient payment of initial public campaign funding. The request will be deemed complete and considered for certification only when the candidate has submitted to the Commission:
  - A. the qualifying contributions attached to the corresponding original receipt and acknowledgement forms with confirmation of the contributors' voter registration and the receipt and acknowledgement forms for any qualifying contributions collected on the Commission's online qualifying contribution service;
  - B. a list of all individuals making qualifying contributions and their town or city of residence, in a format specified by the Commission sorted alphabetically by the contributor's last name;
  - C. *[Repealed.]*
  - D. a seed money report of contributions, expenditures, and obligations made or incurred after becoming a candidate, including a report of any unspent seed money; and
  - E. a signed request for certification on a form provided by the Commission which contains an affirmation by the candidate that he or she has complied with all seed

money and qualifying contribution requirements, has established a separate federally-insured bank account for campaign purposes and, if applicable, that any person who circulated receipt and acknowledgement forms and collected qualifying contributions acted with the candidate's knowledge and consent, and any other information relevant to the certification process.

-  F. A candidate may request an extension of time to comply with paragraph D. The Commission staff shall grant all reasonable requests or state in writing the reasons for denying the request. The Commission and the Commission staff may not grant an extension of time to comply with paragraphs A, B and E.
2. **Order of Review.** The Commission will review candidate requests for certification in the order in which they are received, except that it will give priority to those candidates who are in a contested primary election.
  3. **Unspent Seed Money.** In order to distribute funds expeditiously, the Commission will deduct from the initial distribution from the Fund to a certified candidate an amount equal to the amount of unspent seed money reported by that candidate.
  4. **Certification.** The Commission will certify a candidate as a *Maine Clean Election Act* candidate upon the participating candidate's satisfaction of the requirements of the Act and this chapter.
  5. **Appeals.** Any appeals challenging a certification decision by the Commission must be in accordance with the Act [§1125(14)].
