Original Sources

Any person who pays \$1,000 or more in a lobbying year to any other person for the purpose of grassroots lobbying is an original source, except if the payments are membership dues to non-profit corporations. If an original source is a for-profit or non-profit corporation or limited partnership, then that organization is the original source and not its individual members.

Complete this section if any funds were received by the person required to complete this report for the purpose of the reported grassroots lobbying activity.
