Major Contributor, defined. A Major Contributor is a person (a business, organization, association, etc., but not an individual) that gives more than \$100,000 in the aggregate to a political action committee or ballot question committee for the purpose of initiating or influencing a people's veto or citizen initiative.

Contribution, defined. Funds or anything of value that is given to a committee to initiate or influence a people's veto or citizen initiative.

Single Filing. The obligation to provide Notice to a Major Contributor and their obligation to file a Major Contributor Report occurs only once per ballot question. For example, if the Major Contributor had previously filed a report because it exceeded the \$100,000 threshold and then subsequently provided an additional \$100,001 to the recipient committee for the same initiative, a second notice/report is not required.

Ballot Questions. The \$100,000 threshold applies per ballot question. A Major Contributor could give the same recipient committee \$75,000 for one ballot question and an additional \$75,000 for a different ballot question without being required to file a Major Contributor Report. If, however, the Major Contributor was required to file a report for one ballot question and then contributes over \$100,000 for another ballot question, then the recipient committee must provide notice to the Major Contributor a second time.

Timing of Notice. The recipient committee must notify the Major Contributor within 5 days of having received contributions from the Major Contributor exceeding the \$100,000 threshold. If the threshold is exceeded within 13 days before an election, then the committee must notify the Major Contributor in writing within 24 hours.

Service. The recipient committee may send the Notice by mail, email, or fax to the Major Contributor. A copy of the Notice and proof of service should be retained by the Recipient Committee. The Commission staff recommends that if the Notice is mailed, the committee use certified rather than regular mail.

Providing a Copy to the Commission. The recipient committee is also required to deliver a copy of the notice to the Commission.

Penalties. If the recipient committee fails to provide timely notice to the Major Contributor, then the recipient committee may be liable for a penalty of 10% of the total contributions from the Contributor up to a maximum of \$50,000.
