REGISTRATION OF LEGISLATIVE DESIGNEE(S) FOR STATE DEPARTMENTS & AGENCIES

Instructions

Requirements and definitions. Each state department or independent agency must register its legislative designees with the Maine Ethics Commission within 15 days of the convening of a regular legislative session. A legislative designee is any employee who: (1) is directed by the head of a department or agency to lobby for the department or agency or (2) is reasonably expected to lobby for the department or agency for more than 10 hours during the session.

Completing the registration. A department or agency registers all its legislative designees on a single form, rather than an individual form for each legislative designee. You must use this registration form and may duplicate Schedule A as needed. Legislative designee registrations must be submitted annually prior to the beginning of a regular legislative session.

Amending a registration. A department or agency must notify the Commission in writing within fifteen (15) business days of any change to its legislative designees. After the annual registration is submitted, the department or agency must submit a Legislative Designee Change Form to add or remove a legislative designee.

Public listing. A list of all legislative designees will be available to the public on the Commission's website.
