§ 1003. Investigations by commission

1. Investigations. The commission may undertake audits and investigations to determine whether a person has violated this chapter, chapter 14 or the rules of the commission. For this purpose, the commission may subpoena witnesses and records whether located within or without the State and take evidence under oath. A person or entity that fails to obey the lawful subpoena of the commission or to testify before it under oath must be punished by the Superior Court for contempt upon application by the Attorney General on behalf of the commission. The Attorney General may apply on behalf of the commission to the Superior Court or to a court of another state to enforce compliance with a subpoena issued to a nonresident person. 3. State Auditor. The State Auditor shall assist the commission in making investigations and in other phases of the commission's duties under this chapter, as requested by the commission, and has all necessary powers to carry out these responsibilities.

For purposes of this subsection, “investigative working papers” means documents, records and other printed or electronic information in the following limited categories that are acquired, prepared or maintained by the commission during the conduct of an audit, investigation or other enforcement matter:

- A. Financial information not normally available to the public;
- B. Information that, if disclosed, would reveal sensitive political or campaign information belonging to a party committee, political action committee, ballot question committee, candidate or candidate’s political committee, or other person who is the subject of an audit, investigation or other enforcement matter, even if the information is in the possession of a vendor or 3rd party;
- C. Information or records subject to a privilege against discovery or use as evidence; and
- D. Intra-agency or interagency communications related to an audit or investigation, including any record of an interview, meeting or examination.

The commission may disclose investigative working papers or discuss them at a public meeting, except for the information or records subject to a privilege against discovery or use as evidence, if the information or record is relevant to a memorandum or interim or final report by the commission staff or a decision by the commission concerning an audit, investigation or other enforcement matter. A memorandum or report on the audit or investigation prepared by staff for the commission may be disclosed at the time it is submitted to the commission, as long as the subject of the audit or investigation has an opportunity to review it first to identify material that the subject of the audit or investigation considers privileged or confidential under some other provision of law.

4. Attorney General. Upon the request of the commission, the Attorney General shall aid in any investigation, provide advice, examine any witnesses before the commission or otherwise assist the commission in the performance of its duties. The commission shall refer any apparent violations of this chapter to the Attorney General for prosecution.

§ 1004. Violations

When the commission has reason to believe that a violation has occurred, the commission shall provide written notice to the candidate, party committee, political action committee, committee treasurer or other respondent and shall afford them an

opportunity to appear before the commission before assessing any penalty. In determining any penalty under subsections 3, 4 and 5, the commission shall consider, among other things, the level of intent to mislead, the penalty necessary to deter similar misconduct in the future and the harm suffered by the public from the incorrect disclosure. A final determination by the commission may be appealed to the Superior Court in accordance with Title 5, chapter 375, subchapter 7 and the Maine Rules of Civil Procedure Rule 80C.

Penalties assessed pursuant to this section that have not been paid in full within 30 days after issuance of a notice of the final determination may be enforced in accordance with section 1004-B.

Failure to pay the full amount of any penalty assessed by the commission or return of Maine Clean Election Act funds is a civil violation by the candidate, treasurer, party committee, political action committee or other person. Thirty days after issuing the notice of penalty or order for the return of funds, the commission shall report to the Attorney General the name of any person who has failed to pay the full amount of any penalty or to return Maine Clean Election Act funds unless the commission has provided an extended deadline for payment. The Attorney General shall enforce the violation in a civil action to collect up to 3 times the outstanding amount of the penalty or unreturned Maine Clean Election Act funds. This action must be brought in the Superior Court for Kennebec County or the District Court, 7th District, Division of Southern Kennebec.

§ 1004-C. Enhanced penalties for violations with aggravating circumstances

Notwithstanding any maximum penalty otherwise set forth in this chapter, when assessing a penalty or monetary sanction, the commission may double the authorized penalty or monetary sanction for a violation occurring less than 28 days prior to an election day and may triple the authorized penalty or monetary sanction for a violation occurring less than 14 days prior to an election day.

§ 1005. Restrictions on commercial use of contributor information

Information concerning contributors contained in campaign finance reports filed by candidates, political action committees, party committees and ballot question committees may not be used for any commercial purpose, including, but not limited to, the sales and marketing of products and services, or for solicitations of any kind not directly related to activities of a political party, so-called “get out the vote” efforts or activities directly related

to a campaign as defined in section 1052. Any person obtaining contributor information from the reports is prohibited from selling or distributing it to others to use for commercial purposes and also is prohibited from making publicly available the mailing addresses of contributors. This section does not prohibit a political party, party committee, candidate committee, political action committee or any other organization that has obtained contributor information from the commission from providing access to such information to its members for purposes directly related to party activities, so-called “get out the vote” efforts or a campaign as defined in section 1052. A person who violates this section is subject to a fine of up to \$5,000. A person who knowingly violates this section commits a Class E crime.

A party committee, political action committee or ballot question committee registered under this chapter that conducts a game night pursuant to Title 17, section 1832, subsection 2-B shall report to the commission all proceeds from the game night in a manner prescribed by rule by the commission. Subchapter II

Reports on Campaigns for Office

§ 1011. Application

This subchapter applies to candidates for all state and county offices and to campaigns for their nomination and election. Candidates for municipal office as described in Title 30-A, section 2502, subsection 1 are also governed by this subchapter. The commission does not have jurisdiction over financial activities to influence the nomination or election of candidates for federal office.

1. [Repealed]

2. **Exemptions.** [Repealed]

3. Role of the Municipal Clerk; Commission. For candidates for municipal office, the municipal clerk is responsible for any duty assigned to the commission in this subchapter related to the registration of candidates, receipt of reports and distribution of information or forms, unless otherwise provided. Notwithstanding any other deadline set forth in this chapter, candidates shall file their reports by the close of business on the day of the filing deadline established for the office of the municipal clerk. The commission retains the sole authority to prescribe the content of all reporting forms. The commission does not have responsibility to oversee the filing of registrations or campaign finance reports relating to municipal campaigns, except that the commission has the discretion to conduct investigations and assess penalties under subsection 3-A.

3-A. Enforcement by the Commission. If a clerk of a town or city that is governed by this chapter pursuant to Title 30-A, section 2502 becomes aware of a potential violation of this chapter that the clerk considers to be substantial, the clerk may refer the matter to the commission for enforcement. Substantial violations include, but are not limited to, accepting contributions in excess of the limitations of section 1015 and failing to file a report that substantially complies with the disclosure requirements of section 1017. The commission has the discretion to conduct an investigation if the information referred by the municipal clerk shows sufficient grounds for believing that a violation may have occurred. After conducting the investigation, if the commission determines that a violation of this chapter has occurred, the commission may assess penalties provided in this chapter.

4. Exemptions. Exemptions for municipal candidates from the reporting requirements of this subchapter are governed by this subsection.

A. At the time a municipal candidate registers under section 1013-A, the candidate may notify the municipal clerk in writing that the candidate will not accept contributions, make expenditures or incur financial obligations associated with that

person's candidacy. A candidate who provides this written notice is not required to appoint a treasurer or to meet the filing requirements of this section as long as the candidate complies with the commitment.

B. The notice provided to the municipal clerk in paragraph A may be revoked. A written revocation must be presented to the municipal clerk before the candidate may accept contributions, make expenditures or incur obligations associated with that person's candidacy. A candidate who has filed a notice with the municipal clerk under paragraph A and accepts contributions, makes expenditures or incurs obligations associated with that person's candidacy prior to filing a revocation may be assessed a penalty of \$10 for each business day that the revocation is late, up to a maximum of \$500. “The top 3 funders of (name of entity that made the independent expenditure) are (names of top 3 funders).”

The information required by this subsection may appear simultaneously with any statement required by subsection 2 or 2-A. A public communication that contains a visual aspect must include the statement in written text. A public communication that does not contain a visual aspect must include an audible statement. This statement is required only for public communications made through broadcast, cable or satellite systems; Internet audio and video programming; direct mail; or newspaper or other periodical publications.

A broadcast, cable or satellite television communication or Internet video communication must include both an audible and a written statement. For a broadcast, cable or satellite television communication or Internet video communication 60 seconds or less in duration, the audible statement may be omitted.

The top funders named in the required statement consist of the funders providing the highest dollar amount of funding to the entity making the independent expenditure since the day following the most recent general election day.

A. For purposes of this subsection, “funder” includes:

(1). Any entity that has made a contribution as defined in section 1052, subsection 3 to the entity making the independent expenditure since the day following the most recent general election day; and

(2) Any entity that has given a gift, subscription, loan, advance or deposit of money or anything of value, except for transactions in which a fair value is given in return, since the day following the most recent general election day.

B. If funders have given equal amounts, creating a tie in the ranking of the top 3 funders, the tie must be broken by naming the tying funders in chronological order of the receipt of funding until 3 funders are included in the statement. If the chronological order cannot be discerned, the entity making the independent expenditure may choose which of the tying funders to include in the statement. A public communication may not be required to include the names of more than 3 funders.

C. The statement required under this subsection is not required to include the name of any funder who has provided less than \$1,000 to the entity making the

independent expenditure since the day following the most recent general election day.

D. If only one or 2 funders must be included pursuant to this subsection, the public communication must identify the number of funders as “top funder” or “top 2 funders” as appropriate. If there are no funders required to be included under this subsection, no statement is required.

E. When compiling the list of top funders, an entity making an independent expenditure may disregard any funds that the entity can show were used for purposes unrelated to the candidate mentioned in the public communication on the basis that funds were either spent in the order received or were strictly segregated in other accounts.

F. The statement required under this subsection is not required in any public communication consisting of an audio broadcast of 60 seconds or less or a print communication of 20 square inches or less.

G. If the list of funders changes during the period in which a recurring public communication is aired or published, the statement appearing in the public communication must be updated at the time that any additional payments are made for that public communication.

H. The commission may establish by routine technical rule, adopted in accordance with Title 5, chapter 375, subchapter 2-A, forms and procedures for ensuring compliance with this subsection. Rules adopted pursuant to this paragraph must ensure that the information required by this subsection is effectively conveyed for a sufficient duration and in a sufficient font size or screen size when applicable without undue burden on the ability of the entity to make the public communication. The rules must also provide an exemption for types of public communications for which the required statement would be impossible or impose an unusual hardship due to the unique format or medium of the public communication.

3. Broadcasting prohibited without disclosure. A person operating a broadcast, cable or satellite system within this State may not broadcast any public communication, as described in subsections 1 to 2-A, without an oral or written visual announcement of the disclosure required by this section.

3-A. In-kind contributions of printed materials. A candidate, political committee or political action committee shall report on the campaign finance report as a contribution to the candidate, political committee or political action committee any contributions of in-kind printed materials to be used in the support of a candidate or in the support or defeat of a ballot question. Any in-kind contributions of printed materials used or distributed by a candidate, political committee or political action committee must include the name or title of that candidate, political committee or political action

committee as the authorizing agent for the printing and distribution of the in-kind contribution.

3-B. Newspapers. A newspaper may not publish a public communication described in subsections 1 to 2-A without including the disclosure required by this section. For purposes of this subsection, “newspaper” includes any printed material intended for general circulation or to be read by the general public, including a version of the newspaper displayed on a website owned or operated by the newspaper. When necessary, a newspaper may seek the advice of the commission regarding whether or not a communication requires the disclosure.

4. Enforcement. A violation of this section may result in a civil penalty of no more than 100% of the amount of the expenditure in violation, except that an expenditure for yard signs lacking the required information may result in a maximum civil penalty of \$200. In assessing a civil penalty, the commission shall consider, among other things, how widely the public communication was disseminated, whether the violation was intentional, whether the violation occurred as the result of an error by a printer or other paid vendor and whether the public communication conceals or misrepresents the identity of the person who financed it. If the person who financed the public communication or who committed the violation corrects the violation within 10 days after receiving notification of the violation from the commission by adding the missing information to the public communication, the commission may decide to assess no civil penalty.

5. Telephone calls. [Repealed]

5-A. Text messages. Text messages sent with the assistance of mass distribution technology that is paid for by a person must clearly and conspicuously state the name of the person who made or financed the expenditure if:

- A. The text message expressly advocates the election or defeat of a candidate; or
- B. The text message contains a link to a website that expressly advocates the election or defeat of a candidate.

5-B. Websites of candidate or political committee. A website or other Internet application available to the general public that is established by a party committee or a person that is required to register with the commission as a candidate or political action committee and that expressly advocates for the election or defeat of a candidate or that names a clearly identified candidate during the 28 days, including election day, before a primary election, during the 35 days, including election day, before a special election or during the period of time from Labor Day to the election day for a general election must state the name and address of the person who made or financed the expenditure for the website or other Internet application and state that the website or other Internet application was or was not authorized by the candidate.

6. Exclusions. The requirements of this section do not apply to:

A. Handbills or other literature produced and distributed at a cost not exceeding \$100 and prepared by one or more individuals who are not required to register or file campaign finance reports with the commission and who are acting independently of and without authorization by a candidate, candidate's authorized campaign committee, party committee, political action committee or ballot question committee or an agent of a candidate, candidate's authorized campaign committee, party committee, political action committee or ballot question committee;

Campaign signs produced and distributed at a cost not exceeding \$100, paid for by one or more individuals who are not required to register or file campaign finance reports with the commission and who are acting independently of and without authorization by a candidate, candidate's authorized campaign committee, party committee, political action committee or ballot question committee or an agent of a candidate, candidate's authorized campaign committee, party committee, political action committee or ballot question committee;

C. Internet and e-mail activities costing less than \$100, as excluded by rule of the commission, paid for by one or more individuals who are not required to register or file campaign finance reports with the commission and who are acting independently of and without authorization by a candidate, candidate's authorized campaign committee, party committee, political action committee or ballot question committee or an agent of a candidate, candidate's authorized campaign committee, party committee, political action committee or ballot question committee;

D. E. Campaign signs that are financed by the candidate or candidate's authorized committee and that clearly identify the name of the candidate and are lettered or printed individually by hand;

F. Prerecorded automated telephone calls paid for by the candidate that use the candidate's voice in the telephone call and that are made in support of that candidate; and

G. Telephone surveys that meet generally accepted standards for polling research and that are not conducted for the purpose of influencing the voting position of call recipients.

§ 1014-A. Endorsements of political candidates (Repealed)

§ 1014-B. Push polling

1. Push poll defined. For purposes of this section, “push poll” means any paid telephone survey or series of telephone surveys that are similar in nature that reference a candidate or group of candidates other than in a basic preference question, and when:

A. A list or directory is used, exclusively or in part, to select respondents belonging to a particular subset or combination of subsets of the population, based on demographic or political characteristics such as race, sex, age, ethnicity, party affiliation or like characteristics;

B. The survey fails to make demographic inquiries on factors such as age, household income or status as a likely voter sufficient to allow for the tabulation of results based on a relevant subset of the population consistent with standard polling industry practices;

C. The pollster or polling organization does not collect or tabulate survey results;

D. The survey prefates a question regarding support for a candidate on the basis of an untrue statement; and

E. The survey is primarily for the purpose of suppressing or changing the voting position of the call recipient.

“Push poll” does not include any survey supporting a particular candidate that fails to reference another candidate or candidates other than in a basic preference question.

2. Push polls; political telephone solicitations; requirements. Push polling must be conducted in accordance with this subsection.

A. A person may not authorize, commission, conduct or administer a push poll by telephone or telephonic device unless, during each call, the caller identifies the person or organization sponsoring or authorizing the call by stating “This is a paid political advertisement by (name of persons or organizations),” and identifies the organization making the call, if different from the sponsor, by stating “This call is conducted by (name of organization).”

B. If any person identified as either sponsoring or authorizing the call is not required to file any document with election officials pursuant to this Title, a valid, current, publicly listed telephone number and address for the person or organization must be disclosed during each call.

C. If any person sponsoring or authorizing the call is affiliated with a candidate, the candidate's name and the office sought by that candidate must be disclosed during each call.

D. If the call is an independent expenditure, as defined in section 1019-B, that a candidate has not approved the call must be disclosed during each call.

It is not a violation of this subsection if the respondent voluntarily terminates the call or asks to be called back before the required disclosures are made, unless the respondent is in any way encouraged to do so by the person initiating the call.

A person may not state or imply false or fictitious names or telephone numbers when providing the disclosures required under this subsection.

All oral disclosures required by this subsection must be made in a clear and intelligible manner and must be repeated in that fashion upon request of the call respondent. Disclosures made by any telephonic device must offer respondents a procedure to have the disclosures repeated.

This subsection does not apply to a push poll or political telephone solicitation or contact if the individuals participating in the call know each other prior to the call.

A person who violates this subsection may be assessed a forfeiture of \$500 by the commission.

3. Registered agents; requirements; registration. Persons conducting push polling shall register and comply with the requirements of this subsection.

A. A person who conducts a paid push poll or political telephone solicitation or contact, prior to conducting that poll, solicitation or contact, must have and continuously maintain for at least 180 days following the cessation of business activities in this State a designated agent for the purpose of service of process, notice or demand required or permitted by law, and shall file with the commission identification of that designated agent. Conducting business in this State includes both placing telephone calls from a location in this State and calls from other states or nations to individuals located within this State. The designated agent must be an individual resident of this State, a domestic corporation or a foreign corporation authorized to do business in this State. This paragraph does not apply to any entity already lawfully registered to conduct business in this State.

4. Permitted practices. This section does not prohibit legitimate election practices, including but not limited to:

A. Voter identification;

B. Voter facilitation activities; or

C. Generally accepted scientific polling research.

This limitation does not apply to contributions in support of a candidate by that candidate or that candidate's spouse or domestic partner. Beginning December 1, 2024, contribution limits in accordance with this subsection are adjusted every 2 years based on the Consumer Price Index as reported by the United States Department of Labor, Bureau of Labor Statistics and rounded to the nearest amount divisible by \$25. The commission shall post the current contribution limit and the amount of the next adjustment and the date that it will become effective on its publicly accessible website and include this information with any publication to be used as a guide for candidates.

4. Political committees; intermediaries. For the purpose of the limitations imposed by this section, contributions made to any political committee authorized by a candidate to accept contributions on the candidate's behalf are considered to be contributions made to that candidate. If the campaign activities of a political action committee within a calendar year primarily promote or support the nomination or election of a single candidate, contributions to the committee that were solicited by the candidate are considered to be contributions made to the candidate for purposes of the limitations in this section. For purposes of this subsection, solicitation of contributions includes but is not limited to the candidate's appearing at a fundraising event organized by or on behalf of the political action committee or suggesting that a donor make a contribution to that committee.

For the purposes of the limitations imposed by this section, all contributions made by a person, either directly or indirectly, on behalf of a particular candidate, that are in any way earmarked or otherwise directed through an intermediary or conduit to the candidate are considered to be contributions from that person to the candidate. The individual shall keep an account of such funds, goods or services received and all payments and obligations incurred in deciding whether to become a candidate. If the individual becomes a candidate, the funds, goods and services received are contributions and the payments and obligations are expenditures. The candidate shall disclose the contributions and expenditures in the first report filed by the candidate or the candidate's authorized campaign committee, in accordance with the commission's procedures.

§ 1016. Records

The candidate or treasurer shall keep detailed records of all contributions received and of each expenditure that the treasurer or candidate makes or authorizes, as provided in this section. 3-B. Accelerated reporting schedule. [Repealed]

4. New candidate or nominee. A candidate for nomination or a nominee chosen to fill a vacancy under chapter 5, subchapter 3 is subject to section 1013-A, subsection 1, except that the candidate shall register the name of a treasurer or political committee and all other information required in section 1013-A, subsection 1, paragraphs A and B within 7 days after the candidate's appointment or at least 6 days before the election, whichever is earlier. The commission shall send notification of this registration requirement and report forms and schedules to the candidate and the candidate's treasurer immediately upon notice of the candidate's and treasurer's appointments.

5. Content. A report required under this section must contain the itemized accounts of contributions received during that report filing period, including the date a

contribution was received, and the name, address, occupation, principal place of business, if any, and the amount of the contribution of each person who has made a contribution or contributions aggregating in excess of \$50. The report must contain the itemized expenditures made or authorized during the report filing period, the date and purpose of each expenditure and the name and address of each payee and creditor and any refund that a payee has made to the candidate or an agent of the candidate. If the payee is a member of the candidate's household or immediate family, the candidate shall disclose the candidate's relationship to the payee in a manner prescribed by the commission. The report must contain a statement of any loan to a candidate by a financial institution in connection with that candidate's candidacy that is made during the period covered by the report, whether or not the loan is defined as a contribution under section 1012, subsection 2, paragraph A. The candidate and the treasurer are jointly and severally responsible for the timely and accurate filing of each required report.

5-A. Valuation of contributions sold at auction. Any contribution received by a candidate that is later sold at auction must be reported in the following manner.

A. If the contribution is sold at auction before the commencement of the appropriate reporting period specified in subsections 2 to 4, or during that period, the value of the contribution is deemed to be the amount of the purchase price paid at auction.

B. If the contribution is sold after the termination of the appropriate reporting period specified in subsections 2 to 4, the value of the contribution is the difference between the value of the contribution as originally reported by the treasurer and the amount of the purchase price paid at auction. Unless further reports are filed in relation to a later election in the same calendar year, the disposition of any net surplus or deficit in excess of \$100 resulting from the difference between the auction price and the original contribution value must be reported in the same manner as provided in subsection 2, paragraph F or subsection 3-A, paragraph E, as appropriate.

6. Forms. Reports required by this section not filed electronically must be on forms prescribed, prepared and sent by the commission to the treasurer of each registered candidate at least 7 days before the filing date for the report. Establishment of or amendments to the campaign report filing forms required by this section must be by rule. Persons filing reports may use additional pages if necessary, but the pages must be the same size as the pages of the form. Although the commission mails the forms for required reports to candidates who are exempt from filing electronically, failure to receive forms by mail does not excuse treasurers, committees and other persons who must file reports from otherwise obtaining the forms or from late filing penalties.

Rules of the commission establishing campaign report filing forms for candidates are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

7. Reporting exemption. [Repealed]

7-A. Reporting exemption. A candidate seeking election to a county or municipal office or a legislative candidate seeking the nomination of a party in an uncontested primary election is exempt from reporting as provided by this subsection.

A. A candidate seeking election to a county or municipal office may, at the time the candidate registers under section 1013-A, notify the commission that the candidate and the candidate's agents, if any, will not personally accept contributions, make expenditures or incur obligations associated with that candidate's candidacy. The notification must be made through an online or written form prescribed by the commission. A candidate who provides this notice to the commission is not required to appoint a treasurer and is not subject to the filing requirements of this subchapter if the statement is true.

A-1. A legislative candidate seeking the nomination of a party in an uncontested primary election may, at the time the candidate registers under section 1013-A, notify the commission that the candidate and the candidate's agents, if any, will not personally accept contributions, make expenditures or incur obligations associated with that candidate's candidacy through the 35th day after the primary election. The notification must be made through an online or written form prescribed by the commission. A candidate who provides this notice to the commission is not required to appoint a treasurer or to file the campaign finance reports under subsection 3-A, paragraphs B and D with respect to the primary election.

B. The notice provided to the commission under paragraph A or A-1 may be revoked. Prior to revocation, the candidate must appoint a treasurer. The candidate may not accept contributions, make expenditures or incur obligations before the appointment of a treasurer and the filing of a revocation notice are accomplished. A revocation notice must be in the form of an amended registration, which must be filed with the commission no later than 10 days after the appointment of a treasurer. The candidate and the candidate's treasurer, as of the date the revocation notice is filed with the commission, may accept contributions, make expenditures and incur obligations associated with the candidate's candidacy. Any candidate who fails to file a timely revocation notice is subject to the penalties prescribed in section 1020-A, subsection 4-A, up to a maximum of \$5,000. Lateness is calculated from the day a contribution is received, an expenditure is made or an obligation is incurred, whichever is earliest.

8. Disposition of surplus. A candidate or treasurer of a candidate registered under section 1013-A or qualified under sections 335 and 336 or sections 354 and 355 shall dispose of a surplus exceeding \$100 within 4 years of the election for which the contributions were received by:

- A. Returning contributions to the candidate's or candidate's authorized political committee's contributors, as long as no contributor receives more than the amount contributed;
- B. A gift to a qualified political party within the State, including any county or municipal subdivision of such a party;
- C. An unrestricted gift to the State. A candidate for municipal office may dispose of a surplus by making a restricted or unrestricted gift to the municipality;
- D. Carrying forward the surplus balance to a political committee established to promote the same candidate for a subsequent election;
- D-1. Carrying forward the surplus balance for use by the candidate for a subsequent election;
- E. Transferring the surplus balance to one or more other candidates registered under section 1013-A or qualified under sections 335 and 336 or sections 354 and 355, or to political committees established to promote the election of those candidates, provided that the amount transferred does not exceed the contribution limits established by section 1015;
- F. Repaying any loans or retiring any other debts incurred in the course of the candidate's campaign activity;
- G. Paying for any expense incurred in the proper performance of the office to which the candidate is elected, as long as each expenditure is itemized on expenditure reports; and
- H. A gift to a charitable or educational organization that is not prohibited, for tax reasons, from receiving such a gift.

The choice must be made by the candidate for whose benefit the contributions were made.

9. Campaign termination report forms. The commission shall provide each candidate required to report campaign contributions and expenditures with a campaign termination report form. A candidate shall file the campaign termination report with the commission as required in this subsection. The campaign termination report must be complete as of June 30th of the year following the campaign of the previous year. This form must show any deficits or surpluses to be carried over to the next campaign. Funds not carried forward to the next campaign must be disposed of as provided in subsection 8. Campaign reporting is as follows.

- A. Candidates with surplus campaign funds following an election shall file termination reports no later than July 15th of the year following the campaign of the previous year.

B. Candidates with a campaign deficit following an election shall file termination reports no later than July 15th of the year following the campaign of the previous year.

C. Candidates with a deficit who will not participate in the next election for the same office shall file semiannual reports until the deficit is liquidated.

D. Candidates who collect funds subsequent to an election for purposes other than retiring campaign debt shall register with the commission pursuant to section 1013-A.

10. Electronic filing. The treasurer of a candidate or committee that has receipts or expects to have receipts of more than \$1,500 shall file each report required by this section through an electronic filing system developed by the commission. The commission may make an exception to this electronic filing requirement if a candidate or committee submits a written request that states that the candidate or committee lacks access to the technology or the technological ability to file reports electronically. The request for an exception must be submitted by April 15th of the election year, except that a candidate registered according to subsection 4 has 10 business days from the date of registration to submit a request to the commission. The commission shall grant all reasonable requests for exceptions.

§ 1017-A. Reports of contributions and expenditures by party committees

1. Contributions. A party committee shall report all contributions in cash or in kind from a single contributor that in the aggregate total more than \$200. The party committee shall report the name, mailing address, occupation and place of business of each contributor. Contributions of \$200 or less must be reported, and these contributions may be reported as a lump sum.

2. Expenditures to influence a campaign. A party committee shall report all expenditures made to influence a campaign, as defined in section 1052, subsection 1. The party committee shall report:

A. The name of each candidate, political action committee, ballot question committee or party committee;

- (4) On October 5th, which must be complete up to September 30th.

B. During any year in which primary and general elections are held, a state party committee shall file primary and general election reports in addition to the reports required under paragraph A:

- (1) On the 11th day before the date on which the election is held, which must be complete up to the 14th day before that date; and
- (2) On the 42nd day after the date on which the election is held, which must be complete up to the 35th day after that date.

C. In an election year other than a year described in paragraph B, if a state party committee has received contributions or made expenditures for the purpose of influencing a ballot question election, a special election or a municipal candidate or referendum election subject to Title 30-A, section 2502, the committee shall file preelection and post-election reports:

- (1) On the 11th day before the date on which the election is held, which must be complete up to the 14th day before that date; and
- (2) On the 42nd day after the date on which the election is held, which must be complete up to the 35th day after that date.

D. A state party committee that files an election report under paragraph B or C is not required to file a quarterly report under paragraph A when the deadline for that quarterly report falls within 10 days of the filing deadline established in paragraph B or C.

E. If a state party committee is required to file a report 11 days before an election pursuant to paragraph B or C, the committee shall report any single contribution of \$5,000 or more received or any single expenditure of \$1,000 or more made after

the 14th day before the election and more than 24 hours before 5:00 p.m. on the day of the election within 24 hours of that contribution or expenditure. The committee is not required to include in this report expenditures for overhead expenses or compensation paid to an employee or other member of the campaign staff who has received payments at regular intervals that have been disclosed in previously filed campaign finance reports. As used in this paragraph, “overhead expenses” includes, but is not limited to, rent, utility payments, taxes, insurance premiums or similar administrative expenses.

4-B. Filing schedule for municipal, district and county party committees. Municipal, district and county party committees shall file reports according to the following schedule.

A. Reports filed during an election year must be filed with the commission by 11:59 p.m. on:

- (1) July 15th and be complete as of June 30th;
- (2) The 11th day before the date on which the general election is held and must be complete up to the 14th day before that date; and
- (3) January 15th and be complete as of December 31st.

B. Reports filed during a nonelection year must be filed by 11:59 p. m. on:

The committee is not required to include in this report expenditures for overhead expenses or compensation paid to an employee or other member of the campaign staff who has received payments at regular intervals that have been disclosed in previously filed campaign finance reports. As used in this paragraph, “overhead expenses” includes, but is not limited to, rent, utility payments, taxes, insurance premiums or similar administrative expenses.

4-C. Electronic filing. State party committees shall file each report required by this section through an electronic filing system developed by the commission. The commission may make an exception to this electronic filing requirement if a party committee submits a written request that states that the party committee lacks access to the technology or the technological ability to file reports electronically. The request for an exception must be submitted by March 1st of the election year. The commission shall grant all reasonable requests for exceptions.

5. Penalties. A party committee is subject to the penalties in section 1020-A, subsection 4-A.

6. Notice; forms. A state party committee shall notify all county, district and municipal party committees of the same political party of the party committee reporting requirements. The party committees shall obtain the necessary forms from the commission to complete the filing requirements.

7. Exemption. Any party committee receiving and expending less than \$1,500 in one calendar year is exempt from the reporting requirements of this section for that year.

8. Municipal elections. When a party committee makes contributions or expenditures on behalf of a candidate for municipal office subject to this subchapter, it shall file a copy of the reports required by this section with the clerk in that candidate's municipality.

§ 1017-B. Records

Any party committee that makes expenditures that aggregate in excess of \$50 to any one or more candidates, committees or campaigns in this State shall keep records as provided in this section. Records required to be kept under this section must be retained by the party committee until 10 days after the next election following the election to which the records pertain.

1. Details of records. The treasurer of a party committee shall record a detailed account of:

- A. All expenditures made to or on behalf of a candidate, campaign or committee;
- B. The identity and address of each candidate, campaign or committee;
- C. The office sought by a candidate and the district the candidate seeks to represent, for candidates that a party committee has made an expenditure to or on behalf of; and
- D. The date of each expenditure.

2. Receipts. The treasurer of a party committee shall retain a vendor invoice or receipt stating the particular goods or services purchased for every expenditure in excess of \$50.

3. Record of contributions. The treasurer of a party committee shall keep a record of all contributions to the committee, by name and mailing address, of each donor and the amount and date of the contribution. This subsection does not apply to aggregate contributions from a single donor of \$50 or less in an election. When any donor's contributions to a party committee exceed \$50, the record must include the aggregate amount of all contributions from that donor.

§ 1018. Reports by party committees (Repealed)

§ 1018-B. Recounts of elections

1. Reporting. Candidates who are involved in a recount of an election shall file a report 90 days after the election containing itemized accounts of cash, goods and services received for the recount and payments made by the candidate for the recount. The reports must be made on forms prepared and sent by the commission. Persons donating services to the candidate are required to provide the candidate with an estimate of the value of the services donated. Political action committees and party committees making expenditures for a candidate's recount shall identify on their regularly filed reports that the expenditures were made for the purposes of a recount.

2. Limitations. After an election, candidates may receive donations for purposes of a recount. The donations must be within the limitations of section 1015, except that no limitation applies to donations from party committees and caucus political action committees and from attorneys, consultants and their firms that are donating their services without reimbursement. Candidates may not spend revenues received under chapter 14 for recount expenditures.

§ 1019. Reports of independent expenditures (Repealed)

§ 1019-A. Reports of membership communications

Any membership organization or corporation that makes a communication to its members or stockholders expressly advocating the election or defeat of a clearly identified candidate shall report any expenses related to such communications aggregating in excess of \$100 in any one candidate's election race, notwithstanding the fact that such communications are not expenditures under section 1012, subsection 3, paragraph A. Reports required by this section must be filed with the commission on forms prescribed and prepared by the commission and according to a reporting schedule that the commission shall establish by rule.

§ 1019-B. Reports of independent expenditures

1. Independent expenditures; definition. For the purposes of this section, an "independent expenditure" means any expenditure made by a person, party committee or political action committee that is not made in cooperation, consultation or concert with, or at the request or suggestion of, a candidate, a candidate's authorized political committee or an agent of either and that:

A. Is made to design, produce or disseminate any public communication that expressly advocates the election or defeat of a clearly identified candidate; or

B. Unless the person, party committee or political action committee making the expenditure demonstrates under subsection 2 that the expenditure did not have a purpose or effect of influencing the nomination, election or defeat of the candidate, is made to design, produce or disseminate a public communication that names or depicts a clearly identified candidate and is disseminated during the 28 days, including election day, before a primary election; during the 35 days, including election day, before a special election; or from Labor Day to a general election day.

2. Commission determination. A person, party committee or political action committee may request a determination that an expenditure that otherwise meets the definition of an independent expenditure under subsection 1, paragraph B is not an independent expenditure by filing a signed written statement with the commission within 7 days of disseminating the communication stating that the cost was not incurred with a purpose of influencing the nomination, election or defeat of a candidate, supported by any additional evidence the person, party committee or political action committee chooses to submit. The commission may gather any additional evidence it determines relevant and material. The commission shall determine by a preponderance of the evidence whether the cost was incurred with a purpose of, or had the effect of, influencing the nomination, election or defeat of a candidate. In order to make this determination, the commission shall consider whether the language and other elements of the communication would lead a reasonable person to conclude that the communication had a purpose of, or had the effect of, influencing an election. The commission may consider other factors, including, but not limited to, the timing of the communication, the recipients of the communication or, if the communication is a digital communication, any links to publicly accessible websites related to the nomination, election or defeat of a candidate. The commission's executive director shall make an initial determination on the request, which must be posted on the commission's publicly accessible website. Any person may appeal the initial determination, which must be considered by the commission at the next public meeting that is feasible.

3. Report required; content; rules. [Repealed]

4. Report required; content; rules. A person, party committee or political action committee that makes any independent expenditure in excess of \$250 during any one candidate's election shall file a report with the commission. In the case of a municipal election, the report must be filed with the municipal clerk.

A. A report required by this subsection must be filed with the commission according to a reporting schedule that the commission shall establish by rule that takes into consideration existing campaign finance reporting requirements. Rules

adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

B. A report required by this subsection must contain an itemized account of the total contributions from each contributor, each expenditure in excess of \$250 in any one candidate's election, the date and purpose of each expenditure and the name of each payee or creditor. The report must state whether the expenditure is in support of or in opposition to the candidate and must include, under penalty of unsworn falsification, as provided in Title 17-A, section 453, a statement whether the expenditure is made in cooperation, consultation or concert with, or at the request or suggestion of, the candidate or an authorized committee or agent of the candidate.

C. A report required by this subsection must be on a form prescribed and prepared by the commission. A person filing this report may use additional pages if necessary, but the pages must be the same size as the pages of the form. The commission may adopt procedures requiring the electronic filing of an independent expenditure report, as long as the commission adopts an exception for persons who lack access to the required technology or the technological ability to file reports electronically.

5. Exclusions. An independent expenditure does not include:

A. [Repealed]

B. A telephone survey that meets generally accepted standards for polling research and that is not conducted for the purpose of changing the voting position of the call recipients or discouraging them from voting;

C. A telephone call naming a clearly identified candidate that identifies an individual's position on a candidate, ballot question or political party for the purpose of encouraging the individual to vote, as long as the call contains no advocacy for or against any candidate; and

D. A voter guide that consists primarily of candidates' responses to surveys and questionnaires and that contains no advocacy for or against any candidate.

6. Segregated contributions required. A political action committee may use only funds received in compliance with section 1015, subsection 2-C or 2-D when making independent expenditures. A political action committee that makes independent expenditures shall keep an account of any contributions received for the purpose of making those expenditures.

§ 1020. Failure to file on time (Repealed)

§ 1020-A. Failure to file on time

1. Registration. A candidate that fails to register the name of a candidate, treasurer or political committee with the commission within the time allowed by section 1013-A, subsection 1 may be assessed a forfeiture of \$100. The commission shall determine whether a registration satisfies the requirements for timely filing under section 1013-A, subsection 1.

2. Campaign finance reports. A campaign finance report is not timely filed unless a properly signed or electronically submitted copy of the report, substantially conforming to the disclosure requirements of this subchapter, is received by the commission by 11:59 p.m. on the date it is due. Except as provided in subsection 7, the commission shall determine whether a report satisfies the requirements for timely filing. The commission may waive a penalty in whole or in part if the commission determines that the penalty is disproportionate to the size of the candidate's campaign, the level of experience of the candidate, treasurer or campaign staff or the harm suffered by the public from the late disclosure. The commission may waive the penalty in whole or in part if the commission determines the failure to file a timely report was due to mitigating circumstances. For purposes of this section, "mitigating circumstances" means:

- A. A valid emergency determined by the commission, in the interest of the sound administration of justice, to warrant the waiver of the penalty in whole or in part;
- B. An error by the commission staff;
- C. Failure to receive notice of the filing deadline; or
- D. Other circumstances determined by the commission that warrant mitigation of the penalty, based upon relevant evidence presented that a bona fide effort was made to file the report in accordance with the statutory requirements, including, but not limited to, unexplained delays in postal service or interruptions in Internet service.

3. Municipal campaign finance reports. Municipal campaign finance reports must be filed, subject to all the provisions of this subchapter, with the municipal clerk on forms prescribed by the Commission on Governmental Ethics and Election Practices. The municipal clerk shall send any notice of lateness required by subsection 6 and shall notify the commission of any late reports subject to a penalty.

4. Basis for penalties. [Repealed]

4-A. Basis for penalties. The penalty for late filing of a report required under this subchapter is a percentage of the total contributions or expenditures for the filing period, whichever is greater, multiplied by the number of calendar days late, as follows:

- A. For the first violation, 2%;

B. For the 2nd violation, 4%; and

C. For the 3rd and subsequent violations, 6%.

Any penalty of less than \$25 is waived.

Violations accumulate on reports with filing deadlines in a 2-year period that begins on January 1st of each even-numbered year. Waiver of a penalty does not nullify the finding of a violation.

A report required to be filed under this subchapter that is sent by certified or registered United States mail and postmarked at least 2 days before the deadline is not subject to penalty.

5. Maximum penalties. [Repealed]

5-A. Maximum penalties. Penalties assessed under this subchapter may not exceed:

A. Five thousand dollars for reports required under section 1017, subsection 2, paragraph B, C, D, E or H; section 1017, subsection 3-A, paragraph B, C, D, D-1 or F; and section 1017, subsection 4, except that if the dollar amount of the financial activity that was not timely filed or did not substantially conform to the reporting requirements of this subchapter exceeds \$50,000, the maximum penalty is 100% of the dollar amount of that financial activity;

A-1. Five thousand dollars for reports required under section 1019-B, subsection 4, except that if the dollar amount of the financial activity that was not timely filed or did not substantially conform to the reporting requirements of this subchapter exceeds \$50,000, the maximum penalty is 100% of the dollar amount of that financial activity;

B. Five thousand dollars for state party committee reports required under section 1017-A, subsection 4-A, paragraphs A, B, C and E, except that if the dollar amount of the financial activity that was not timely filed or did not substantially conform to the reporting requirements of this subchapter exceeds \$50,000, the maximum penalty is 100% of the dollar amount of that financial activity;

C. One thousand dollars for reports required under section 1017, subsection 2, paragraphs A and F and section 1017, subsection 3-A, paragraphs A and E; or

D. Five hundred dollars for municipal, district and county committees for reports required under section 1017-A, subsection 4-B.

E. [Repealed]

6. Request for a commission determination. If a candidate or a political committee files a report required under this subchapter late, a notice of preliminary penalty must be sent to the candidate or political committee whose registration or campaign finance report was not received by 11:59 p.m. on the deadline date, informing the candidate or

political committee of the staff finding of violation and preliminary penalty calculated under subsection 4-A and providing the candidate or political committee with an opportunity to request a determination by the commission. Any request for a determination must be made within 14 calendar days of receipt of the commission's notice. A candidate or political committee requesting a determination may either appear in person or designate a representative to appear on the candidate's or political committee's behalf or submit a sworn statement explaining the mitigating circumstances for consideration by the commission. A final determination by the commission may be appealed to the Superior Court in accordance with Title 5, chapter 375, subchapter 7 and the Maine Rules of Civil Procedure, Rule 80C.

7. Final notice of penalty. If a determination has been requested by the candidate or political committee and made by the commission, notice of the commission's final determination and the penalty, if any, imposed pursuant to this subchapter must be sent to the candidate and the political committee.

If a determination is not requested, the preliminary penalty calculated by the commission staff is final. The commission staff shall mail final notice of the penalty to the candidate and treasurer. A detailed summary of all notices must be provided to the commission.

8. Penalties for failure to file report. If the commission staff finds that a candidate, party committee or other person has failed to file a report required under this subchapter, the commission staff shall send by regular mail and e-mail a notice to the candidate, party committee or person within 3 business days following the filing deadline informing the candidate, party committee or person that the report has not been received. If the report remains unfiled after 10 days, the commission staff shall send another notice by regular mail and e-mail. If the candidate, party committee or person has not filed the report after these 2 notices, the commission staff may refer the violation to the commission, which may, after providing notice and an opportunity to be heard, determine whether a violation has occurred and, if so, the amount of any penalty. The penalty may not exceed the maximum penalties as provided in subsection 5-A. A candidate party committee or other person who fails to file a report as required by this subchapter after the commission has sent the first 2 notices required by this subsection is guilty of a Class E crime. As an alternative to assessing a penalty, the commission may refer the violation to the Office of the Attorney General for potential criminal prosecution.

8-A. Penalties for failure to file report. [Repealed]

9. List of late-filing candidates. [Repealed]

10. Enforcement. A penalty assessed pursuant to this section that has not been paid in full within 30 days after issuance of a notice of the final determination may be enforced in accordance with section 1004-B.

As used in this subchapter, unless the context otherwise indicates, the following terms have the following meanings.

§ 1052-A. Registration

A committee shall register with the commission and amend its registration as required by this section. A registration is not timely filed unless it contains all the information required in this section.

1. Deadlines to file and amend registrations. A committee shall register and file amendments with the commission according to the following schedule.

A. A political action committee as defined under section 1052, subsection 5, paragraph A, subparagraph (1) or (5) shall register with the commission within 7 days of receiving contributions or making expenditures in the aggregate in excess of \$2,500.

A-1. A ballot question committee shall register with the commission within 7 days of receiving contributions or making expenditures in the aggregate in excess of \$5,000.

A-2. A registered committee that does not qualify for an exception to registration pursuant to subsection 1-A shall register as a political action committee or ballot question committee, as applicable, within 7 days of exceeding the \$10,000 threshold specified in subsection 1-A.

B. A committee shall amend the registration within 10 days of a change in the information that committees are required to disclose under this section.

C. A committee shall file an updated registration form between January 1st and March 1st of each year in which a general election is held. The commission may waive the updated registration requirement for a newly registered political action committee or other registered committee if the commission determines that the requirement would cause an administrative burden disproportionate to the public benefit of the updated information.

1-A. Exceptions to registration. The following exceptions to the registration requirements in subsection 1 apply to registered committees.

A. A registered political action committee that receives contributions or makes expenditures of \$10,000 or less in the aggregate for the purpose of influencing one or more ballot question campaigns in a calendar year is not required to register as a ballot question committee. If a registered political action committee's only expenditures to influence ballot question campaigns in an election year are monetary contributions to registered ballot question committees, the political action committee is not required to register as a ballot question committee regardless of the aggregated amount of such contributions.

B. A registered ballot question committee that receives contributions or makes expenditures of \$10,000 or less in the aggregate for the purpose of influencing the nomination or election of one or more candidates in a calendar year is not required to register as a political action committee. If a registered ballot question committee's only expenditures to influence candidate elections in an election year are monetary contributions to registered political action committees, party committees or candidates, the ballot question committee is not required to register as a political action committee regardless of the aggregated amount of such contributions.

2. Disclosure of treasurer and officers. A committee must have a treasurer and a principal officer. The same individual may not serve in both positions, unless the committee is an individual registering as a ballot question committee. The committee's registration must contain the names and addresses of the following individuals:

- A. The treasurer of the committee;
- B. A principal officer of the committee;
- C. Any other individuals who are primarily responsible for making decisions for the committee;
- D. The individuals who are primarily responsible for raising contributions for the committee; and
- E. The names of any other candidates or Legislators who have a significant role in fund-raising or decision-making for the committee.

3. Other disclosure requirements. A committee's registration must also include the following information:

- A. A statement indicating the specific candidates, categories of candidates or campaigns or ballot questions that the committee expects to support or oppose;
- B. If the committee is formed to influence the election of a single candidate, the name of that candidate;
- C. The form or structure of the organization, such as a voluntary association, membership organization, corporation or any other structure by which the committee functions, and the date of origin or incorporation of the organization;
- D. If the committee has been formed by one or more for-profit or nonprofit corporations or other organizations for the purpose of initiating or influencing a campaign, the names and addresses of the corporations or organizations;
- E. The name of the account that the committee will use to deposit contributions and make expenditures pursuant to section 1054, and the name and address of the financial institution at which the account is established; and
- E-1. [Repealed]
- F. Any additional information reasonably required by the commission to monitor the activities of committees in this State under this subchapter.

4. Acknowledgment of responsibilities. The treasurer, principal officer and any other individuals who are primarily responsible for making decisions for the committee shall submit a signed statement acknowledging their responsibilities on a form prescribed by the commission within 10 days of registering the committee. The signed acknowledgment statement serves as notification of the responsibilities of the

committee to comply with the financial reporting, record-keeping and other requirements of this chapter and the potential personal liability of the treasurer and principal officer for civil penalties assessed against the committee. The commission shall notify the committee of any individual who has failed to submit the acknowledgment statement. Failure to return the acknowledgment statement is a violation of this subchapter for which a fine of \$100 may be assessed against the committee. This section also applies to individuals named in an updated or amended registration required by this subsection who have not previously submitted an acknowledgment statement for the committee with the commission.

5. Resignation and removal. An individual who resigns as the treasurer, principal officer or primary decision maker of a committee shall submit a written resignation statement to the commission. An individual's resignation is not effective until the commission receives the written resignation statement from the individual. If an individual is involuntarily removed from the position of treasurer, principal officer or primary decision maker by the committee, the committee shall notify the commission in writing that the individual has been removed from the position. The commission may prescribe forms for these purposes.

6. Modified registration. The commission may adopt simplified registration procedures and forms for an individual registering as a ballot question committee to initiate or influence a ballot question.

§ 1053. Registration (Repealed)

§ 1053-A. Municipal elections

If an organization qualifies as a committee under section 1052, subsection 2 and that organization receives contributions or makes expenditures to influence a municipal election in towns or cities with a population of 15,000 or more, that organization shall register and file reports with the municipal clerk as required by Title 30-A, section 2502. If an organization qualifies as a ballot question committee under section 1052, subsection 2-A and that organization receives contributions or makes expenditures exceeding \$5,000 to influence a municipal referendum in a town or city with a population of less than 15,000, that organization shall register and file reports with the commission using the electronic filing system pursuant to section 1059, subsection 5. The reports must be filed in accordance with the reporting schedule in section 1059 and must contain the information listed in section 1060. A committee registered with the commission and that receives contributions or makes expenditures relating to a municipal election shall file a copy of the report containing such contributions or expenditures with the clerk in the subject municipality. The commission retains the sole authority to prescribe the content of all reporting forms. The commission does not have responsibility to oversee the filing of registrations or campaign finance reports relating to municipal elections in towns or cities

with a population of 15,000 or more. If a municipal clerk becomes aware of a potential violation of this subchapter that the clerk considers to be substantial, the clerk may refer the matter to the commission for enforcement. The commission may conduct an investigation if the information referred by the municipal clerk shows sufficient grounds for believing that a violation may have occurred. After conducting the investigation, if the commission determines that a violation of this subchapter has occurred, the commission may assess penalties provided in this subchapter.

§ 1053-B. Out-of-state committees

An organization that is registered as a political action committee, ballot question committee or political committee with the Federal Election Commission or a jurisdiction outside of this State shall register and file reports with the commission in accordance with this subchapter upon receiving contributions or making expenditures to initiate or influence a campaign in the State in excess of the amounts that would require registration under section 1052-A. The committee is not required to register and file reports if the committee's only financial activity within the State is to make contributions to candidates, party committees, political action committees or ballot question committees registered with the commission or a municipality and the committee has not raised and accepted any contributions during the calendar year to influence a campaign in this State.

§ 1053-C. Caucus political action committees

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "House caucus leader" means a member of a political party in the House of Representatives who has been elected the leader of that political party in the House of Representatives. For purposes of this paragraph, if the Speaker of the House of Representatives is a member of a political party, the Speaker of the House of Representatives is deemed the House caucus leader of that political party.

B. "Political party" has the same meaning as "party" as defined by section 1, subsection 28.

C. "Senate caucus leader" means a member of a political party in the Senate who has been elected the leader of that political party in the Senate. For purposes of this paragraph, if the President of the Senate is a member of a political party, the President of the Senate is deemed the Senate caucus leader of that political party.

2. Designation of caucus political action committee. Each Senate caucus leader and each House caucus leader may designate one caucus political action committee to promote the election of nominees of the caucus leader's political party to the body of the Legislature of which the caucus leader is a member. The designation must be made

in a letter to the commission and remains effective until a new designation is made in a letter to the commission from the caucus leader of the same political party and same body of the Legislature.

§ 1054. Appointment of treasurer; segregated campaign account

1. Appointment of treasurer. A committee required to register under section 1052-A shall appoint a treasurer before registering with the commission.

2. Segregated campaign account. A committee registered under section 1052-A shall establish a separate account in a bank or other financial institution, referred to in this section as a “campaign account.” The committee shall deposit all funds contributed to or received by the committee for the purpose of initiating or influencing a campaign in the campaign account and shall finance all of the committee’s expenditures to initiate or influence the campaign through the campaign account. If a business or corporate entity has established the committee, the campaign account must be segregated from the general treasury funds of the entity that established the committee. If the committee is established by one or more individuals, the campaign account must be segregated from and not commingled with the personal funds of those individuals.

3. Exceptions. The commission may adopt procedures by rule for waiving the requirement under subsection 2 to maintain a segregated campaign account upon a showing by a committee that a separate account would be administratively burdensome, including but not limited to committees organized outside this State or an individual who registers as a ballot question committee. If the committee was formed by another organization, that other organization may pay its employees for their campaign-related activities on behalf of the committee through its own treasury, rather than the campaign account. Rules adopted pursuant to this subsection are routine technical rules as defined by Title 5, chapter 375, subchapter 2-A.

§ 1054-A. Duties and liabilities of the treasurer, principal officer and primary decision maker of committees

1. Duties of the treasurer. The treasurer of the committee shall ensure that the committee files and amends the committee’s registration, files complete and accurate financial reports with the commission and maintains the committee’s records as required by this chapter and the commission’s rules. The treasurer is responsible for the committee’s performance of these duties regardless of whether the treasurer has delegated administrative tasks related to these duties to another individual.

2. Joint responsibilities of the treasurer and principal officer. The treasurer and the principal officer are jointly responsible for the committee’s compliance with the requirements of this chapter and the commission’s rules. The treasurer and principal

officer are responsible for accepting and responding to notices and correspondence from the commission on behalf of the committee.

3. Participation in spending decisions. An individual who is the treasurer, principal officer or primary decision maker of the committee and who has signed the acknowledgment statement required by section 1052-A, subsection 4 is deemed to have participated in the spending decisions of the committee until the commission receives the individual's resignation statement or a notice of the individual's involuntary removal from the committee.

4. Financial liability. The commission may hold the treasurer and principal officer jointly and severally liable with the committee for any fines assessed against the committee for violations of this chapter and chapter 14. In addition, the commission may assess all or part of a fine against any other agent of the committee who is directly responsible for a violation, including individuals who have resigned or have been removed involuntarily from the committee. In deciding whether to assess a penalty against a treasurer, principal officer or any other individual, the commission may consider, among other things, whether the individual had actual knowledge of the action that constituted the violation or had authorized that action and whether the violation was intentional or caused by an error by a vendor or someone outside the control of the committee.

§ 1054-B. Payments to Legislators by political action committees and ballot question committees

1. Payments to Legislators. If a Legislator is a principal officer or treasurer of a political action committee or a ballot question committee or is one of the individuals primarily responsible for raising contributions or making decisions for a political action committee or a ballot question committee, the committee is subject to the following restrictions regarding payments to that Legislator.

A. Except as provided in paragraphs B and C, the committee may not compensate the Legislator for services provided to the committee.

B. The committee may pay for or reimburse the Legislator for travel expenses incurred in the proper performance of the Legislator's legislative duties and in volunteering for the committee. If the Legislator uses the Legislator's vehicle when conducting the activities described in this paragraph, the committee may pay the Legislator mileage reimbursement at a rate established by the commission by rule but may not pay for or reimburse the Legislator for the direct costs of repairing or maintaining the Legislator's vehicle.

C. The committee may pay for or reimburse the Legislator for other expenses incurred in the proper performance of the Legislator's legislative duties and for purchases made by the Legislator on behalf of the committee.

D. Notwithstanding any other provision of this section, the committee may not pay for or reimburse the Legislator for any expenses that have been or will be paid for or reimbursed by the Legislature or any other source of payment or reimbursement.

E. The committee may not make any payments for or reimburse the Legislator for any expenses that are determined by the commission to be for the purpose of personal financial enrichment of the Legislator.

2. Payments to immediate family members and businesses. If a Legislator is a principal officer or treasurer of a political action committee or a ballot question committee or is one of the individuals primarily responsible for raising contributions or making decisions for a political action committee or a ballot question committee, the committee is subject to the following restrictions regarding payments to an immediate family member of the Legislator or a business owned or operated by the Legislator or an immediate family member of the Legislator.

A. The committee may not compensate an immediate family member of the Legislator for services provided to the committee.

B. The committee may not make payments to or distribute, loan, advance, deposit or give money or anything of value to or compensate a business owned or operated by the Legislator or an immediate family member of the Legislator.

C. The committee may not make any payments for or reimburse the immediate family member of a Legislator for any expenses that are determined by the commission to be for the purpose of personal financial enrichment of the immediate family member of the Legislator.

3. Commingling of funds. If a Legislator is a principal officer or treasurer of a political action committee or a ballot question committee or is one of the individuals primarily responsible for raising contributions or making decisions for a political action committee or a ballot question committee, the committee's funds may not be commingled with the personal funds of the Legislator or the funds of a business owned or operated by the Legislator or any other person.

4. Penalties. A political action committee or ballot question committee that violates subsection 1, 2 or 3 commits a civil violation for which a fine of not more than \$500 or the amount of the impermissible payment or reimbursement, whichever is greater, may be imposed by the commission according to the procedures set forth in section 1004-A. A Legislator who accepts a payment or reimbursement from a committee that is prohibited by subsection 1 or who violates subsection 3 commits a civil violation for which a fine of not more than \$500 or the amount of the impermissible payment or reimbursement, whichever is greater, may be imposed by the commission according to the procedures set forth in section 1004-A.

5. Rules. The commission may adopt rules as necessary to implement this section, including rules establishing mileage reimbursement rates, record-keeping requirements and reporting requirements and rules related to reimbursable travel expenses. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

§ 1055. Publication or distribution of political public communications

A political action committee that makes an expenditure to finance a public communication expressly advocating the election or defeat of a candidate or that names or depicts a clearly identified candidate is subject to the requirements of section 1014.

§ 1055-A. Political public communications to influence a ballot question

1. Public communications to influence ballot question elections. Whenever a person makes an expenditure exceeding \$500 for a public communication expressly advocating for or against an initiative or referendum that is on the ballot, the public communication must clearly and conspicuously state the name and address of the person who made or financed the expenditure for the public communication, except that telephone calls must clearly state only the name of the person who made or financed the expenditure for the public communication. A digital public communication, including the transmission of text messages with the assistance of mass distribution technology, costing more than \$500 that expressly advocates for or against an initiative or referendum or that includes a link to a publicly accessible website containing express advocacy must clearly and conspicuously state the name of the person who made or financed the expenditure, unless the digital communication is excluded under subsection 2. A website established by a person required to register as a ballot question committee expressly advocating for or against an initiative or referendum must clearly and conspicuously state the name and address of the person who made or financed the expenditure for the website. Telephone surveys that meet generally accepted standards for polling research and that are not conducted for the purpose of influencing the voting position of call recipients are not required to include the disclosure.

2. Exceptions. The following forms of political public communication do not require the name and address of the person who made or financed the expenditure for the public communication because the name or address would be so small as to be illegible or infeasible: clothing, envelopes and stationery, small promotional items, tickets to fundraisers and electronic media advertisements where compliance with this section would be impracticable due to size or character limitations and similar items determined by the commission to be too small and unnecessary for the disclosures required by this section. “Small promotional items” includes but is not limited to ashtrays, badges and badge holders, balloons, campaign buttons, coasters, combs,

emery boards, erasers, glasses, key rings, letter openers, matchbooks, nail files, noisemakers, paper and plastic cups, pencils, pens, plastic tableware, 12-inch or shorter rulers and swizzle sticks.

3. Enforcement. A violation of this section may result in a penalty of no more than \$5,000. In assessing a penalty, the commission shall consider, among other things, how widely the communication was disseminated, whether the violation was intentional, whether the violation occurred as the result of an error by a printer or other paid vendor and whether the communication conceals or misrepresents the identity of the person who financed it.

§ 1056. Expenditure limitations

Any committee required to register under this chapter shall comply with the following expenditure limitations.

1. Aggregate expenditures. A committee may not make contributions in support of the candidacy of one person aggregating more than the contribution limits established by the commission pursuant to section 1015.

2. Prohibited expenditures. No committee may make any expenditure for liquor to be distributed to or consumed by voters while the polls are open on election day.

§ 1056-A. Expenditures by political action committees (Repealed)

§ 1056-B. Ballot question committees (Repealed)

§ 1056-C. Limits on contributions to leadership political action committees (Repealed)

§ 1056-D. Limits on contributions to separate segregated fund committees (Repealed)

§ 1057. Required records for committees

Any committee that is required to register under section 1052-A or 1053-B shall keep records as provided in this section for 4 years following the election to which the records pertain.

1. Details of records. The treasurer of a committee shall record a detailed account of:

- A. All expenditures made to or in behalf of a candidate, campaign or committee;
- B. The identity of each candidate, campaign or committee;
- C. The office sought by a candidate and the district the candidate seeks to represent, for candidates that a committee has made an expenditure to or in behalf of; and
- D. The date of each expenditure.

2. Receipts. The treasurer of a committee shall retain a vendor invoice or receipt stating the particular goods or services purchased for every expenditure in excess of \$50 to initiate or influence a campaign.

3. Record of contributions. The treasurer of a committee shall keep a record of all contributions to the committee, by name and mailing address, of each donor and the amount and date of the contribution. This provision does not apply to aggregate contributions from a single donor of \$50 or less. When any donor's contributions to a committee exceed \$50, the record must include the aggregate amount of all contributions from that donor.

4. Account statements. The treasurer of a committee shall keep account statements for the campaign account required by section 1054.

5. Simplified record-keeping requirements. The commission may adopt by rule simplified record-keeping requirements for an individual registering as a ballot question committee to initiate or influence a ballot question. Rules adopted pursuant to this subsection are routine technical rules as defined by Title 5, chapter 375, subchapter 2-A.

§ 1058. Reports; qualifications for filing (Repealed)

§ 1059. Report; filing requirements

A committee required to register under section 1052-A or 1053-B shall file an initial campaign finance report within 7 days of registration or within 14 days of having been required to register, whichever comes first, and thereafter shall file reports in compliance with this section. All reports must be filed by 11:59 p.m. on the day of the filing deadline,

except that reports submitted to a municipal clerk must be filed by the close of business on the day of the filing deadline.

1. Contents; quarterly reports and election year reports. [Repealed]

2. Reporting schedule. A committee shall file reports according to the following schedule.

A. A committee shall file quarterly reports:

- (1) On January 15th, and the report must be complete as of December 31st;
- (2) On April 10th, and the report must be complete as of March 31st;
- (3) On July 15th, and the report must be complete as of June 30th; and
- (4) On October 5th, and the report must be complete as of September 30th.

B. During any year in which primary and general elections are held, a committee shall file primary and general election reports in addition to the reports required under paragraph A:

- (1) On the 11th day before the date on which the election is held, which must be complete as of the 14th day before that date; and
- (2) On the 42nd day after the date on which the election is held, which must be complete as of the 35th day after that date.

A committee shall file primary and general election reports even if the committee did not engage in financial activity to influence the primary or general election.

C. In any election year other than a year described in paragraph B, if a committee has received contributions or made expenditures for the purpose of influencing a ballot question election, a special election or a municipal candidate or referendum election subject to Title 30-A, section 2502, the committee shall file preelection and post-election reports:

- (1) On the 11th day before the date on which the election is held, which must be complete as of the 14th day before that date; and
- (2) On the 42nd day after the date on which the election is held, which must be complete as of the 35th day after that date.

E. If a committee is required to file a report 11 days before an election pursuant to paragraph B or C, the committee shall report any single contribution of \$5,000 or

more received or single expenditure of \$1,000 or more made after the 14th day before the election and more than 24 hours before 5:00 p.m. on the day of the election within 24 hours of that contribution or expenditure. The treasurer is not required to include in this report expenditures for overhead expenses or compensation paid to an employee or other member of the campaign staff who has received payments at regular intervals that have been disclosed in previously filed campaign finance reports. As used in this paragraph, “overhead expenses” includes, but is not limited to, rent, utility payments, taxes, insurance premiums or similar administrative expenses.

3. Report of expenditure made after the 11th day and more than 48 hours before any election. [Repealed]

4. Special election reports. [Repealed]

5. Electronic filing. A committee shall file each report required by this section through an electronic filing system developed by the commission. Notwithstanding any provision of this chapter to the contrary, for purposes of entering and retrieving information, the electronic filing system may categorize ballot question committees as a subcategory of political action committees. The commission may make an exception to this electronic filing requirement if a committee submits a written request that states that the committee lacks access to the technology or the technological ability to file reports electronically. The request for an exception must be submitted within 30 days of the registration of the committee. The commission shall grant all reasonable requests for exceptions.

§ 1060. Content of reports

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Contribution" has the same meaning as set out in section 1052, subsection 3 and also includes but is not limited to:

(1) Funds or anything of value that the contributor specified were given in connection with a campaign for a people's veto referendum or direct initiative campaign;

(3) Funds or anything of value that can be reasonably determined to have been provided by the contributor for the purpose of initiating or influencing a people's veto referendum or direct initiative campaign when viewed in the

context of the contribution and the recipient committee's activities during the campaign.

B. "Major contributor" means a person, other than an individual or a committee, that makes one or more contributions aggregating in excess of \$100,000 to a ballot question committee or political action committee for the purpose of initiating or influencing any one people's veto referendum campaign or any one direct initiative campaign.

2. Notice to major contributor. Within 5 days of receiving more than \$100,000 in the aggregate from a major contributor, the recipient committee shall provide written notice to the major contributor of the reporting requirement under this section and shall submit a copy of the notice to the commission. If the \$100,000 aggregate amount is exceeded as a result of a contribution received during the last 13 days before an election, the recipient committee shall, within 24 hours of receiving the contribution, provide written notice of the reporting requirement to the major contributor and submit a copy of the notice to the commission. The commission shall prepare a sample written notice for this purpose.

3. Required reports. A major contributor shall file a report containing the information required in subsection 4 on or before the next regularly scheduled filing deadline under section 1059, subsection 2 occurring after the major contributor receives notice of the reporting requirement. If a major contributor has received a notice from a recipient committee or the commission during the last 13 days before an election as required under subsection 2, the major contributor shall file a report within 2 business days of receiving notice from the recipient committee or commission. The commission shall prescribe and prepare forms for these reports and may require major contributors to file reports electronically.

4. Content. In the reports required under subsection 3, a major contributor shall provide:

- A.** The name of and relevant contact information for the major contributor and the name of a responsible officer of the major contributor;
- B.** The form of organization and purpose of the major contributor;
- C.** The amount and date of each contribution from the major contributor to the recipient committee;
- D.** A certification that the major contributor has not received contributions, in whole or in part, for the purpose of initiating or influencing a people's veto referendum or direct initiative campaign in this State or, if the major contributor has received such contributions, the dates, sources and amounts of any such contributions;

E. The names of the 5 largest sources of funds received by the major contributor during the period beginning 6 months prior to the first contribution made to the recipient committee and ending on the date of the filing of the report. This paragraph does not apply to funds received by the major contributor:

- (1) That are restricted to purposes that are unrelated to a people's veto referendum or direct initiative campaign in the State;
- (2) In the ordinary course of the major contributor's regular trade or business or as investment income; or
- (3) If the source of the funds provided no more than \$5,000 to the major contributor during the relevant period of time; and

F. A statement indicating whether the major contributor is exempt from taxation under the United States Internal Revenue Code of 1986 and a list of any governmental jurisdictions within the United States in which the major contributor has filed campaign finance reports during the previous 12 months.

The commission may require by rule additional information to be reported consistent with this subsection to facilitate disclosure to citizens of this State of financial activity conducted for the purpose of influencing elections in this State.

5. Noncompliance. The commission may assess a civil penalty against a person that does not comply with the requirements of this section. The preliminary penalty is 10% of the total contributions required to be reported or \$50,000, whichever is less, for:

- A. A recipient committee that fails to provide timely notice to a major contributor under subsection 2;
- B. A recipient committee that fails to provide a copy of the notice to the commission under subsection 2. If the commission assesses a penalty under paragraph A, the commission may not also assess a penalty under this paragraph; and
- C. A major contributor that fails to file a timely report required under this section or that files a report that does not substantially conform to the disclosure requirements of this section or rules adopted under this section.

6. Waiver request; final penalty. Not later than the 14th calendar day after the date the person receives notice of the preliminary penalty from the commission under subsection 5, the person may request a waiver of the penalty in full or in part. In considering a request for a waiver under this subsection, the commission shall consider:

A. For violations under subsection 5, paragraphs A and B:

- (1) Whether, as a result of the late notice, the due date for a report required by this subchapter is later than if a timely notice had been received;

- (2) Whether the recipient committee made a bona fide effort to provide notice to the major contributors;
- (3) The amount of the contributions required to be reported; and
- (4) Other relevant factors; and

B. For violations under subsection 5, paragraph C:

- (1) The failure of the recipient committee to provide notice of the reporting requirement to the major contributor;
- (2) The number of days the report is late;
- (3) The amount of the contributions required to be reported; and
- (4) Other relevant factors.

A person requesting a determination on a waiver may either appear in person or designate a representative to appear on the person's behalf or may submit a sworn statement explaining the mitigating circumstances for consideration by the commission. After a commission meeting, the commission shall mail notice of the final determination of the commission and the penalty, if any, imposed pursuant to this subsection to the person against whom the commission is assessing the penalty. If the person against whom the commission is assessing the penalty does not request a waiver, the preliminary penalty calculated by the commission is final. The commission shall mail final notice of the penalty to the person against whom the commission is assessing the penalty. A final determination by the commission on a waiver may be appealed to the Superior Court in accordance with Title 5, chapter 375, subchapter 7 and the Maine Rules of Civil Procedure, Rule 80C.

§ 1061. Dissolution of committees

Whenever any committee determines that it will no longer accept any contributions or make any expenditures, the committee shall file a termination report that includes all financial activity from the end date of the previous reporting period through the date of termination with the commission. The committee shall dispose of any surplus prior to termination. In the termination report, the committee shall report any outstanding loan, debt or obligation in the manner prescribed by the commission.

§ 1062. Failure to file on time (Repealed)

§ 1062-A. Failure to file on time

1. Registration. A political action committee required to register under section 1052-A, 1053-A or 1053-B or a ballot question committee required to register under section 1053-A or 1056-B that fails to do so or that fails to provide the information required by the commission for registration may be assessed a fine of no more than \$2,500. In assessing a fine, the commission shall consider, among other things, whether the violation was intentional, the amount of campaign and financial activity that occurred before the committee registered, whether the committee intended to conceal its campaign or financial activity and the level of experience of the committee's volunteers and staff.

2. Campaign finance reports. A campaign finance report is not timely filed unless a properly signed or electronically submitted copy of the report, substantially conforming to the disclosure requirements of this subchapter, is received by the commission by 11:59 p.m. on the date it is due. Except as provided in subsection 6, the commission shall determine whether a required report satisfies the requirements for timely filing. The commission may waive a penalty in whole or in part if it is disproportionate to the level of experience of the person filing the report or to the harm suffered by the public from the late disclosure. The commission may waive the penalty in whole or in part if the commission determines the failure to file a timely report was due to mitigating circumstances. For purposes of this section, "mitigating circumstances" means:

A. A valid emergency of the committee treasurer determined by the commission, in the interest of the sound administration of justice, to warrant the waiver of the penalty in whole or in part;

B. An error by the commission staff; or

C. Other circumstances determined by the commission that warrant mitigation of the penalty, based upon relevant evidence presented that a bona fide effort was made to file the report in accordance with the statutory requirements, including, but not limited to, unexplained delays in postal service or interruptions in Internet service.

3. Basis for penalties. The penalty for late filing of a report required under this subchapter is a percentage of the total contributions or expenditures for the filing period, whichever is greater, multiplied by the number of calendar days late, as follows:

A. For the first violation, 2%;

B. For the 2nd violation, 4%; and

C. For the 3rd and subsequent violations, 6%.

Any penalty of less than \$25 is waived.

Violations accumulate on reports with filing deadlines in a 2-year period that begins on January 1st of each even-numbered calendar year. Waiver of a penalty does not nullify the finding of a violation.

A report required to be filed under this subchapter that is sent by certified or registered United States mail and postmarked at least 2 days before the deadline is not subject to penalty.

4. Maximum penalties. The maximum penalty under this subchapter is \$10,000 for reports required under section 1053-A, 1056-B or 1059, except that if the dollar amount of the financial activity that was not timely filed or did not substantially conform to the reporting requirements of this subchapter exceeds \$50,000, the maximum penalty is 100% of the dollar amount of that financial activity.

5. Request for a commission determination. If a committee files a report required under this subchapter late, a notice of preliminary penalty must be forwarded to the treasurer of the committee whose report is not received by 11:59 p.m. on the deadline date informing the treasurer of the commission staff finding of violation and preliminary penalty calculated under subsection 3 and providing the treasurer with an opportunity to request a determination by the commission. A request for determination must be made within 14 calendar days of receipt of the commission's notice. A principal officer or treasurer requesting a determination may either appear in person or designate a representative to appear on the principal officer's or treasurer's behalf or submit a sworn statement explaining the mitigating circumstances for consideration by the commission. A final determination by the commission may be appealed to the Superior Court in accordance with Title 5, chapter 375, subchapter 7 and the Maine Rules of Civil Procedure, Rule 80C.

6. Final notice of penalty. After a commission meeting, notice of the final determination of the commission and the penalty, if any, imposed pursuant to this subchapter must be sent to the principal officer and the treasurer of the committee.

If a determination is not requested, the preliminary penalty calculated by the commission staff is final. The commission staff shall mail final notice of the penalty to the principal officer and to the treasurer of the committee. A detailed summary of all notices must be provided to the commission.

7. List of late-filing committees. [Repealed]

8. Penalties for failure to file report. If the commission staff finds that a committee or other person has failed to file a report required under this subchapter, the commission staff shall send by regular mail and e-mail a notice to the committee treasurer or other responsible officer within 3 business days following the filing deadline informing the committee treasurer or other responsible officer that the report has not been received. If the report remains unfiled after 10 days, the commission staff shall send another notice by regular mail and e-mail. If the committee or other person has not filed the

report after these 2 notices, commission staff may refer the violation to the commission, which may, after providing notice and an opportunity to be heard, determine whether a violation has occurred and, if so, the amount of any penalty. The maximum penalty for failure to file a report required under section 1059 is \$10,000 or the amount of financial activity not reported, whichever is greater. A person who fails to file a report as required by this subchapter after the commission has sent the first 2 notices required in this subsection is guilty of a Class E crime, except that, if a penalty is assessed pursuant to this subsection and collected by the commission, the State may not prosecute a violation under this subsection.

8-A. Penalties for failure to file report. [Repealed]

9. Enforcement. A penalty assessed pursuant to this section that has not been paid in full within 30 days after issuance of a notice of the final determination may be enforced in accordance with section 1004-B.

§ 1062-B. Failure to keep records

A committee that fails to keep records required by this chapter may be assessed a fine of up to \$10,000 or the amount of financial activity for which no records were kept, whichever is greater. In assessing a fine, the commission shall consider, among other things, whether the violation was intentional, whether the violation occurred as the result of an error by someone outside the control of the committee, whether the committee intended to conceal its financial activity, the amount of financial activity that was not documented and the level of experience of the committee's volunteers and staff.

§ 1063. Constitutional officers and State Auditor

The Secretary of State, the Treasurer of State, the Attorney General, the State Auditor, or any individual running for these offices, may not form a political action committee or be involved in decision making for or solicit contributions to a political action committee.
