

## REPORTING REQUIREMENTS FOR INDEPENDENT EXPENDITURES: HD 93 SPECIAL ELECTION—MARCH 10, 2015

*These instructions are intended to provide information about how to report independent expenditures. The statute and rules governing independent expenditures are 21-A M.R.S.A. § 1019-B and Commission Rules, Chapter 1, Section 10 (94-270 CMR Chapter 1, Section 10).*

### WHEN DO INDEPENDENT EXPENDITURES HAVE TO BE REPORTED?

It is important to note that it is the total or aggregate amount spent per candidate for the election that matters in determining whether an independent expenditure has to be reported, not simply the amount of a single expenditure. When an independent expenditure report has to be filed depends on the amount and the timing of the expenditure. The table below shows the reporting periods and the applicable thresholds and deadlines for reporting expenditures.

Reporting Period	Threshold for Reporting Expenditure	Report and Due Date
From January 23 through February 24	Expenditures aggregating over \$100 per candidate but not over \$250	11-Day Pre-Election Report due February 27 by 5:00 p.m.
From January 23 through February 24	Expenditures aggregating over \$250 per candidate	Within 2 calendar days of making the expenditure
From February 25 through March 10 (13 days before the election)	Expenditures aggregating over \$100 per candidate	Within 1 calendar day of making the expenditure

### HOW DO I REPORT INDEPENDENT EXPENDITURES?

If you or your organization makes an independent expenditure, you must file the attached report with the Commission. The filer must report the date, amount, payee, and purpose of the expenditure, and must allocate the cost among the different candidates affected by the expenditure, indicating whether the expenditure was made in support of or in opposition to each candidate. The Election Law requires the report to contain a notarized statement disclosing whether the expenditure was made in cooperation or consultation with a candidate, so please locate a notary public in advance of the filing deadline.

Independent expenditure reports can be filed in person at the Commission's office during regular business hours (Monday through Friday from 8:00 a.m. to 5:00 p.m.). Filers may also submit the reports anytime by fax to (207) 287-6775, provided that the original report is received by the Commission within five calendar days. If the deadline for an independent expenditure report falls on a weekend or holiday, the report must be filed on that day, usually by fax.

## WHAT ARE THE SPECIAL REQUIREMENTS FOR COMMUNICATIONS DISSEMINATED CLOSE TO THE ELECTION?

If you disseminate a communication that names or depicts a clearly identified candidate during the 35 days before the special election (from February 3 through March 10), any expenditure made for the design, production, or dissemination of the communication will be presumed to be an independent expenditure. This presumption applies even if the communication does not expressly advocate for the election or defeat of a candidate.

## DOES THE PRESUMPTION EVER APPLY TO EXPENDITURES THAT ARE MADE BEFORE THE PRESUMPTION PERIOD BEGINS?

Yes. If the expenditure to design, produce or disseminate the communication is made before the presumption period and the communication itself is disseminated or is intended to be disseminated within the presumption period, the expenditure is presumed to be an independent expenditure and must be reported.

## IMPORTANT INFORMATION ABOUT EXPENDITURES

The legal definition of expenditure includes not just the making of a payment but also “[a] contract, promise or agreement, expressed or implied, whether or not legally enforceable, to make any expenditure.” (21-A M.R.S.A. §§ 1012(3)(A)(3) & 1052(4)(A)(3)) The Commission views this as requiring the reporting of an unpaid obligation as an independent expenditure.

### What is an expenditure?

- any obligation to pay for a good or service
- the placement of an order for goods and services
- a promise or agreement (even an implied one) that payment will be made
- the signing of a contract for a good or service
- the delivery of a good or service even if payment has not been made
- the payment for a good or service

### When is an expenditure made?

The earliest of the following events:

- the placement of an order for a good or service
- a promise or an agreement to pay
- the signing of a contract for a good or service
- the delivery of a good or service
- the making of a payment for a good or service

## WHAT IF THE COST OF A COMMUNICATION IS LESS THAN \$100 PER CANDIDATE?

If the person making the communication did not spend or obligate more than \$100 per candidate to design, produce, or disseminate the communication, no independent expenditure report is necessary. However, once the aggregated costs for any candidate exceed \$100, a report must be filed for independent expenditures regarding that candidate.

Please note that if an organization uses materials produced by another entity (e.g., a legislative scorecard), the cost of producing that material must be included in the total amount for that communication.

***If you have any questions about whether an expenditure for a communication has to be reported as an independent expenditure, please contact the Commission staff at (207) 287-4179 .***
