INSTRUCTIONS FOR COMPLETING VENDOR FORM

This Vendor form must be submitted to the Commission in order for the State to issue a payment of Maine Clean Election Act funds to a candidate. Please submit this form when you register. You do not need to set up a campaign bank account before submitting this form.

- All candidates participating in the Maine Clean Election Act program must submit this form **when they register** with the Commission. Check “New Request.”
- The taxpayer identification number (TIN) is either the candidate’s social security number (SSN) or a federal employer identification number (FEIN) if you obtained one from the IRS for your campaign committee. Do not use the treasurer’s SSN.
- “Organization Type” is either “Individual/Candidate” if SSN used or “Committee with FEIN” if FEIN used. “Classification” is either “Individual” if SSN used or “Other” if FEIN used.
- The “Legal Name” is either:
 - a. the candidate’s name, if the TIN is the candidate’s SSN; or
 - b. the committee’s name, if the TIN is the campaign committee’s FEIN.

The legal name must match the name used to get an SSN or an FEIN, if you have a campaign committee. If the candidate is using a “DBA” committee, the “Legal Name” is still the candidate’s name. A committee’s name can be entered as a “Legal Name” only if a committee has an FEIN.

- **The address on this Vendor form must be the same address on your candidate registration for either you or your treasurer or your campaign committee.** If you use EFT/direct deposit to receive your payments, the “Payment Address” on the Vendor form and the “Address of Payee” on the EFT/direct deposit form must match. Please notify the Commission if an address change is needed on your registration.
- **Do not fill out the “Physical Address” section (grayed area).**
- Complete the “Contact” section with the name, email address, and phone number of the person you want the state’s accounting staff to contact concerning questions about your vendor information.
- “Candidate’s Signature” section includes a new IRS requirement. State vendor forms must meet IRS W-9 requirements if a W-9 is not used. MCEA payments are coded as “non-reportable funds” in the State’s accounting system and therefore are not considered as income and subject to withholding. By signing, you are certifying that the TIN number used on this form is correct and that you are a U.S. citizen.
- **Sign and date the form.**
- Please hand-deliver or mail the completed original form to the Commission at the above addresses.
- **Faxed or scanned copies will not processed. The complete and signed original is required.**
- If you need to make any changes to your vendor information, please contact the Commission first.
