Reporting Deadlines

- This personal financial disclosure statement must be filed annually by the Governor, constitutional officers, State Auditor, all state employees in major policy-influencing positions (other than assistant attorneys general), and any other executive branch employee who is appointed by the Governor and confirmed by the Legislature.
The statement must be filed by the close of the second week of April and covers the preceding calendar year (the reporting year).
No statement is required in April if the executive employee has already filed a statement covering the preceding year as an initial report. (Employees appointed by the Governor must file an initial report before confirmation by the Legislature, and the Governor, constitutional officers, and State Auditor must file an initial report within 30 days of his or her election.)
If there is a substantial change in the sources of your income or positions during the current calendar year, file an "update statement" for the current year within 30 days of the substantial change.
