- A debt or obligation is incurred if a committee places an order for a good or service without making a payment; makes a promise or agreement to pay for a good or service; signs a contract for a good or service; or receives delivery of a good or service for which the committee has not paid.
- This schedule is a list of all unpaid debts and obligations of the committee as of the end of this reporting period. When the obligation has been paid, the expenditure (i.e., the actual payment) must be reported on Schedule B or B-1.
- If the committee has not received a bill for goods or services, contact the vendor to obtain the amount owed. If it is impossible to verify the amount of the debt, enter an estimated amount and indicate that the amount is estimated in the purpose section.
- If obligations from a previous campaign finance report still remain unpaid, you will need to continue to report them on this schedule until they have been paid in full.
