## **Maine Climate Council Natural and Working Lands Work Group**

### **Working Agreements**

- Meetings will start and end on time.
- When meetings are held in person, Committee members will make every effort to attend in person to maximize learning, communication, and collaboration.
- Cameras will remain on during virtual meetings to facilitate communication and understanding.
- Meeting materials will be shared in advance of meetings with sufficient time for review.
- Come prepared, having read meeting materials and completed assignments.
- Be present and engaged.
- Strive for equal airtime, enabling all to participate fully.
- Listen with curiosity and an openness to learning and understanding.
- Adopt a creative problem-solving orientation.
- Name the tension, kindly.
- Humor is welcome!

The Natural and Working Lands Work Group will strive for consensus in its recommendations through a facilitated, discussion-based process, and will not hold votes on specific decisions. The Work Group may choose to include a significant minority opinion as part of its final recommendations.
