Augusta, MAINE — Guverineri Janet Mills n'Umushinjacyaha Mukuru Aaron Frey bandikiye uyu munsu Minisitiri w'Umutekano w'Igihugu Kristi Noem n'Umuyobozi Mukuru w'Agateganyo wa ICE Todd Lyons, basaba ko Ubuyobozi bwa Trump buhita bushyira ahagaragara amakuru yose ku muntu wese wafashwe mu gikorwa cya ICE gihuterse cyo gushyira mu bikorwa amategeko cyongerewe imbaraga muri Maine, bananenga abayobozi ba Leta ya Amerika bakoze ifatwa ry'abantu mu ibanga ryasenyeye imiryango rikanatera ubwoba abatwaga hirya no hino muri Leta.

Mu itangazo ryashyizwe ahagaragara ejo hashize, ICE yatangaje ko yafashe abantu 206 muri Maine, ariko iyo nzego yashyize hanze amakuru make cyane ku bantu 10 gusa muri abo.

Raporo z'itangazamakuru zigaragaza ko bamwe mu bantu batawe muri yombi bari batuye mu gihugu mu buryo bwemewe n'amategeko kandi nta cyaha bakoze, bikaba bihabanye n'ibyo Ubuyobozi bwa Trump bwavugaga ko bukurikirana 'ababi kurusha abandi bose.' Ibyakozwe na ICE byatandukanyije ababyeyi n'abana bato, bisiga imiryango ihanganye n'ibibazo byo kwirukanwa mu mazu, kudahunzabana mu bukungu, n'ubwoba — batamenya aho ababo bafungirwe.

Guverineri n'Umushinjacyaha Mukuru basabye ko Leta ya Amerika itanga amazina ya buri muntu wafashwe, impamvu zemewe n'amategeko zatumye buri wese afatwa, aho buri wafungirwe aherereye ubu, n'ibyo Leta ya Amerika iteganya kuri buri muntu.

"Uyu munsu hari abantu benshi muri Leta yacu batamenya aho ababo bari kubera mwe," **Guverineri Mills n'Umushinjacyaha Mukuru Frey banditse.** "Ibyo ntibyumewe na gato, kandi si ukurenga ku burenganzira bwabo bw'Itegeko Nshinga gusa, ahubwo ni n'igitera ibyago ku burenganzira bw'Itegeko Nshinga twese dufite." "Abaturage ba Maine bakwiye ibisobanuro, kandi bakwiye ko hagira uwo bihanangiriza."

"Muri Amerika, ntidufite polisi ikorera mu ibanga. "Muri Amerika, ntidukora ifatwa ry'abantu mu ibanga," **Guverineri n'Umushinjacyaha Mukuru bakomeza bavuga.** "Niba mufite impapuro zo gufata abantu, nimuzigaragaze." "Abaturage ba Maine bafite uburenganzira bwo kubona aya makuru shingiro."

Guverineri Mills n'Umushinjacyaha Mukuru Frey banasabye ko Minisitiri y'Umutekano w'Igihugu ishyira ahagaragara umubare w'abakozi ba Leta ya Amerika boherejwe muri Maine muri icyo gikorwa, ikanagaragaza amazina n'inzego by'abayobozi bagenzuraga ishyirwa mu bikorwa ry'iyi mirimo.

“Muri Maine, tuzi neza uko ishyirwa mu bikorwa ry’amategeko rikwiye risa,” **Guverineri Mills n’Umushinjacyaha Mukuru Frey banditse.** “Abapolisi bacu bahabwa amahugurwa yimbitse kandi bagakurikiranwa hashingiwe ku bipimo bikomeye by’imikorere myiza n’uburyozwe inshingano.” “Bakorera kubaka icyizere hagati yabo — n’abaturage bakorera, aho kubiba ubwoba, iterabwoba, n’amacakubiri, nk’uko abakozi banyu babikoze.”

Inyandiko yose y’iyo baruwa ikubiyemo amagambo akurikira:

Minisitiri Noem n’Umuyobozi Mukuru w’Agateganyo Lyons:

Dukurikije itangazo ryashyizwe ahagaragara ku itariki ya 29 Mutarama n’Urwego rushinzwe Abinjira n’Abasohoka muri Amerika (ICE), ICE yataye muri yombi abantu 206 mu gikorwa cyayo cyiswe “cyongerewe imbaraga” muri Maine.

ICE yashyize ahagaragara amakuru make cyane ku bantu 10 gusa muri abo. icyakora, raporo z’itangazamakuru n’abandi zigaragaza ko ICE yafashe abakozi babiri bashinzwe iyubahirizwa ry’amategeko, umuforomo, n’umwubatsi w’injeniyeri, hamwe n’abandi benshi, kandi igatandukanya abana bato n’ababyeyi babo mu buryo bubi kandi butagira impuhwe. Benshi muri abo bantu bigaragara ko bari bari mu gihugu mu buryo bwemewe n’amategeko kandi nta byaha bakoze – bikaba binyuranyije n’ibyo mwavugaga ko Ubuyobozi bwa Trump bukurikirana gusa “ababi kurusha abandi bose.”

Mu by’ukuri, aho kwita aba bantu “ababi kurusha abandi bose,” twavugaga ko uburyo bubi kandi budafite ubumuntu bw’urwego rwanyu ari bwo bubi kurusha byose. Muri Maine, tuzi uko ishyirwa mu bikorwa ry’amategeko rikwiye rikorwa. Abapolisi bacu bahabwa amahugurwa yimbitse kandi bagakurikiranwa hashingiwe ku bipimo bikomeye by’imikorere myiza n’inshingano. Bakorera kubaka icyizere n’abaturage bakorera, aho kubiba ubwoba, iterabwoba n’amacakubiri, nk’uko abakozi banyu babigenje.

Kuba igikorwa cyongerewe imbaraga muri Maine cyarangiye bigaragara ntibivuze ko imibabaro n’agahinda abakozi banyu bateje mu miryango yo muri Leta yacu byarangiye — abaturage batewe ubwoba n’ibigo by’ubucuruzi byatewe iterabwoba, byose bikoze na Leta yabo bwite.

Uyu munsi, hari abantu benshi hirya no hino muri Leta yacu batamenya aho ababo bari kubera mwe. Ibyo ntibyemewe na gato, kandi si ukurenga ku burenganzira bwabo bw’Itegeko Nshinga gusa, ahubwo ni n’akaga ku burenganzira bw’Itegeko Nshinga twese twemerewe. Abaturage ba Maine bakwiye ibisobanuro, kandi bakwiye ko hagira ubyirengera. Kubera izo mpamvu, turasaba amakuru akurikira:

1. Umubare w’abakozi ba Leta ya Amerika boherejwe muri Maine muri icyo gikorwa cyongerewe imbaraga, n’amazina n’inzego by’abayobozi babagenzuraga.

2. Amazina ya buri muntu wese watawe muri yombi na ICE muri icyo gikorwa muri Maine.
3. Impamvu zemewe n'amategako zatumye buri muntu afatwa na ICE muri icyo gikorwa muri Maine.
4. Aho buri muntu wese wafashwe na ICE muri icyo gikorwa muri Maine aherereye ubu.
5. Ibyo Leta ya Amerika iteganya kuri buri muntu wese wafashwe na ICE muri icyo gikorwa muri Maine.

Muri Amerika, ntidufite polisi ikorera mu ibanga. Muri Amerika, ntidukora ifatwa ry'abantu mu ibanga. Nk'uko twabivuze mbere, niba mufite impapuro zo gufata abantu, nimuzigaragaze. Abaturage ba Maine bafite uburenganzira bwo kubona aya makuru shingiro. Maine ntizatezuka kubera iterabwoba. Turasaba ibisobanuro.
