

Spring 2025 (Round 5)

Community Action Grant Awardees

96 awards to 108 communities, totaling \$7.3 million.

Community	Conditional Award	Project Title
Acton	\$68,838	Modernizing Municipal Facilities in Acton through Energy Efficient Upgrades
Alfred	\$54,070	Alfred Municipal Energy Assessment and Village Museum Upgrades
Arrowsic-Georgetown	\$170,122	A Collaborative Assessment of Island Groundwater Vulnerability and Sustainability in a Changing Climate
Auburn	\$75,000	Expanding Access to EV Charging Capacity at Our Municipal Facilities
Bangor	\$75,000	Improving Mobility and Evaluating Efficiency of Municipal Buildings in Bangor
Bath	\$79,650	Resilient Bath Outreach & Education Campaign
Beals	\$47,000	Beals Plan for a Resilient Future

Belfast	\$48,600	Belfast Harbor Master Building Modernization Project
Biddeford	\$80,000	FEMA Category G (100-yr flood protection) Dune & Beach Engineering
Bowdoinham	\$75,000	Old Town Hall Energy Upgrades
Bristol	\$80,000	Assessing Vulnerabilities and Planning for Climate Resilience in Bristol
Brooks	\$21,898	Improving Energy Efficiency and Communications in Brooks
Canton	\$75,000	Replacing Fossil-Fuel Heating with Air-Source and Geothermal Heat Pumps
Cape Elizabeth	\$39,400	Community Services Building Heat Pump Installation for Energy Efficiency and Climate Resilience
Caratunk	\$33,500	Hydrologic Survey and Modeling of Pleasant Pond Stream and Associated Watersheds
Chebeague-Long Island	\$86,000	A Community Wildfire Protection Plan for the Towns of Chebeague Island and Long Island, Maine
Corinna	\$37,769	Heat Pump Installation in the Stewart Library and Corinna Town Office
Cranberry Isles	\$70,650	Fostering a Future of Sustainability and Resiliency - an Update to Cranberry Isles Comprehensive Plan and Continued Focus on Energy Security
Cumberland	\$75,000	Reduce Greenhouse Gas Emission of the Town of Cumberland by Increasing Energy Efficiency, Reducing Use of

		Fossil Fuels, Developing a Local Food Economy, and Enhancing Sequestration from Natural Systems
Dover-Foxcroft	\$75,000	Dover-Foxcroft Resiliency Project
Durham	\$80,000	Durham Open Space Plan and Conservation Strategy
Eastport	\$51,947	Eastport Storm Water Systems Mapping, Capital Investment, and Municipal Energy Efficiency Upgrades
Freeport	\$10,000	Freeport Community Resilience and Public Safety Collaboration
Fryeburg	\$75,000	Fryeburg Walkability Improvements
Gardiner	\$75,000	City of Gardiner Municipal Building Heat Pump Installation
Gorham	\$56,077	Gorham Municipal Buildings Lighting Retrofit Project
Hallowell	\$74,736	Planning for Nature-based Stabilization of Hallowell's Kennebec River Shoreline: Community Engagement and Design in Support of Policy Development and Implementation
Harpwell	\$80,000	Develop Maps that Combine Sea Level Rise and Storm Surge to help the Town, Working Waterfront Community and Residents with Resilience Planning
Harrison	\$75,000	Stream Smart Crossings for Flood Resilient Roads in Harrison
Hartford	\$70,000	Weatherize the Harford Town Hall for Heating Efficiency

Hollis	\$34,475	Town of Hollis Open Space Plan
Hope	\$60,150	Hope Community Sustainability & Resilience Plan
Howland-Enfield	\$130,300	Laying the Groundwork for a Stronger Future
Islesboro	\$80,000	Community-Driven Nature-Based Solutions for Adaptation of Vulnerable Life-Line Coastal Infrastructure
Jay	\$75,000	Preparing for High Priority Culvert Improvements to Increase Resiliency
Kennebunk	\$75,000	Waterhouse Center Rooftop Solar
Kennebunkport	\$80,000	Adaptation and Flood Mitigation Designs for Increasing the Resilience of Coastal Riverfront Areas in Kennebunkport
Lincoln	\$55,000	Lincoln Assessment and Planning for Stormwater Management
Livermore Falls	\$75,000	Town Office Building Envelope Upgrade for Energy Efficiency
Lubec	\$43,000	Lubec Resilience Districting and Capital Investment Planning
Machias	\$67,922	Machias Resilience Planning and Storm Water Systems Mapping

Mariaville	\$75,000	Mariaville Otis Volunteer Fire Department Fire-Fighting Water Cistern
Monhegan Plantation	\$75,000	Resiliency Improvements to Monhegan's Breakwater
Montville	\$75,000	Solar Capacity Increase with Heating Retrofit to Offset Municipal Costs for all Town Buildings
Mount Vernon	\$75,000	Build 50-Kilowatt Solar Array to Generate all Current Municipal Energy Used Yearly
Naples	\$75,000	A Municipal Fiber Network for Resilience and Emissions Reduction
Newcastle	\$68,500	Battery Storage Systems for Strengthening Community Resilience and Sustainability in Newcastle
North Haven	\$75,000	Design and Scoping: Mitigating Saltwater Intrusion Risk in Fresh Pond
Northport	\$75,000	Shoreline Stabilization, Landscape Architecture, and Project Management in Bayview Park
Ogunquit	\$75,000	Enhancing the Resilience of Ogunquit's Main Beach Natural and Physical Infrastructure through Design and Implementation of Nature-Based Strategies

Orono	\$50,943	Executing Projects Identified in the Municipal Building Energy Audit
Otisfield	\$74,755	Making Otisfield's Fire Stations Energy Efficient
Owls Head	\$44,857	Fire-Fighting Water Supply Ponds with Dry Hydrants
Parsonsfield	\$66,304	Town of Parsonsfield Municipal Energy Plan
Penobscot Nation-Houlton Band of Maliseet	\$155,144	Wabanaki Sustainable Energy Coordinator to Support Wabanaki-led Sustainable Energy Initiatives
Phippsburg	\$75,000	Town of Phippsburg Climate Vulnerability Assessment
Portland-South Portland	\$180,000	One Climate Future Risk Based Asset Management Tool Project (RBAMT)
Rockland	\$80,000	Safe Routes to South School: Advancing Active and Public Transportation Access Between Rockland's Neighborhoods, Elementary School, and Community Services
Rockport-Camden	\$174,099	Climate Action Through Collaboration: Building Resilience in Camden and Rockport

Rome	\$38,280	Fire Fighting - Emergency Water Source Resiliency
Saco-Old Orchard Beach	\$180,000	Determine quantities of Sand Needed to Achieve 100-year Flood Protection
Scarborough	\$80,000	Sustainable Scarborough: Climate Action Plan
Shapleigh	\$65,000	Shapleigh Climate Change Vulnerability Assessment
Sorrento	\$65,800	Preparing for Tomorrow: Securing a Stronger Sorrento
South Berwick	\$75,000	Energy Efficient Window Upgrades for South Berwick Town Hall
Southport	\$80,000	Community-Driven Nature-Based Solutions for Vulnerable Coastal Infrastructure at Hendricks Head
Southwest Harbor	\$74,500	Strengthening Southwest Harbor's Community Resilience, Emergency Preparedness, and Access to Public EV Charging Infrastructure
St. George-South Thomaston	\$128,200	Collaborative Climate Action Planning in St. George and South Thomaston
Stockton Springs	\$72,435	Energy Efficiency and Community Garden for Stockton Springs
Stoneham	\$58,075	Improving Energy Efficiency through Weatherization, Heat Pumps, and Appliances

Stonington	\$80,000	Pursuing Resilience for Our Island Fishing Community: Update and Revision of Stonington's 2018 Comprehensive Plan with a Focus on Working Waterfront, Transportation and Climate Resilience
Strong	\$36,859	Implement Energy Efficiency Strategies in the Town Fire Station
Sullivan	\$62,000	Emergency Response in Sullivan: Planning for Future Climate Change Impacts
Surry-Brooklin-Castine-Sedgwick	\$177,985	Blue Hill Peninsula Tomorrow Climate Resilience Leadership Development
Temple	\$75,000	Rooftop Solar for the Temple Town Office
Thomaston	\$75,000	Working Waterfront Resilience Project
Topsham	\$69,038	Streets for People
Tremont	\$80,000	Implementing Tremont's Resilience Plan: Action in Pursuit of Community Resilience
Trescott Township	\$80,000	Trescott Township Citizen Committee and Vulnerability Assessment Development
Union	\$74,982	Union Severe Weather Infrastructure Risk Management Plan

Vanceboro	\$75,000	Vanceboro Community Center Energy Efficiency Improvements
Verona Island	\$61,472	Updating Verona Island's Comprehensive Town Plan to Advance and Fund Climate Resilience
Vinalhaven	\$75,000	Alternatives Analysis and Preliminary Design for Flood Resilience at Two Critical Roadway Locations
Waldoboro	\$75,000	Town Office and Emergency Service Building Modernization
Waltham	\$39,365	Setting the Cornerstones for Resilience in Waltham: Assessing Efficiency and Infrastructure, and Building Community Awareness and Engagement
Warren	\$75,000	Warren Buildings and Operations Efficiency Upgrades Plan
Waterford	\$75,000	Install Phase II Solar Array to Power the Waterford Town Hall and Fire Department and Develop plans to Remedy an Identified Vulnerable Stream Crossing Subject to Climate Change
Waterville	\$70,111	Weathering Our Future: Fostering Efficiency in Our Municipal Facilities
Wayne	\$75,000	Town of Wayne Climate Impact Infrastructure and Population Vulnerability Assessment

West Bath	\$60,000	West Bath Energy and Vulnerability Assessment
Westport Island	\$69,840	Energy Efficiency Upgrades for Municipal Buildings
Wilton	\$60,846	Heat Pump Installation for the Public Safety Building
Winthrop	\$75,000	Fire and Ambulance Station Heat Pump Installation
Woolwich	\$75,000	Assessing Vulnerability and Charting a Course of Action to Build Climate Resilience in Woolwich Maine
Yarmouth-Falmouth	\$175,000	Greater Portland Energy Coaches (GPEC) Program
York	\$75,000	York Sewer District Infrastructure Resiliency Project

Service Provider Grant Awardees

Awards to 13 service provider organizations that will assist 58 communities to enroll in the Partnership and/or complete community vulnerability assessments.

Service Provider	Project Type	Award	Communities
Androscoggin Valley Council of Governments (AVCOG)	Community Vulnerability Assessment	\$35,000	Jay, Livermore Falls, Livermore
Center for an Ecology-Based Economy (CEBE)	Enrollment	\$37,500	Brownfield, Stow, Sweden

Center for an Ecology-Based Economy (CEBE)	Community Vulnerability Assessment	\$50,000	Greenwood, Lovell, Stoneham, Waterford
Eastern Maine Development Corporation	Enrollment	\$22,482	Hermon, Veazie
Greater Portland Council of Government	Community Vulnerability Assessment	\$50,000	Bridgton, Gray, Standish, Westbrook, Windham
GrowSmart Maine	Enrollment	\$48,400	Houlton, Leeds, Mexico, Presque Isle
Island Institute	Community Vulnerability Assessment	\$62,500	Chebeague Island, Cranberry Isles, Frenchboro, Portland, Swan's Island
Lincoln County Regional Planning Commission	Enrollment	\$25,000	Edgecomb, Whitefield
Maine Community Resilience Associates	Enrollment	\$59,987	Hampden, Winterport, Orrington, Newburgh, Frankfort
Midcoast Council of Governments (MCOG)	Enrollment	\$50,000	Friendship, Liberty, Lincolnville, Searsmont
Midcoast Council of Governments (MCOG)	Community Vulnerability Assessment	\$22,500	Warren, Stockton Springs
North Star Planning	Enrollment	\$32,500	Raymond, Pownal, Turner
North Star Planning	Community Vulnerability Assessment	\$22,500	Lisbon, Caribou
Resilient Communities L3C	Community Vulnerability Assessment	\$62,500	Isle au Haut, Long Island, Matinicus Isle Plantation, North Haven, Vinalhaven
Sunrise County Economic Council	Enrollment	\$50,000	Calais, East Machias, Machiasport, Pembroke
Sunrise County Economic Council	Community Vulnerability Assessment	\$62,500	Cutler, East Machias, Machias, Machiasport, Roque Bluffs
York County Soil and Water Conservation District	Enrollment	\$22,500	North Berwick, Newfield
