3. Executive Director's Report - Jay

Jay gave his report.

- We have been invited to speak to the State and Local Government Committee on Jan 27.
- Federal Agencies are waiting for the new administration and budget confirmation before awarding any grant monies. This will delay the 3DHP project. The earliest estimate is March/April.
- We are getting the Vexcel data deployed. Implementation team is forming, discovery of issues in progress. Marketing effort will wait until testing and pilot customers are set.
- We are waiting on a budget order to start the DEM sewing.
- RFP letters are drafted after purchasing requirements have been satisfied.
- Staffing augmentation is moving ahead. We have been able to add another technical support position in MeGIS to complement the new Library Analyst.
- Azure project had a significant test and looks pretty good for go live soon.
