

FALL 2020 Trapper Harvest Report

Trapping License (Permanent License #) _____

Date _____

_____ Check here if you did not trap this past season (October-December).

 Check here if you only trapped for bear this past season.

 Check here if you only trapped for Animal Damage Control this past season.

 Check here if you trapped with a partner and partner tagged all fur this past season.

If you did not check one of the above boxes, please fill in the following information for each Town or Wildlife Management District (WMD): **(1)** The average number of traps you set for the primary furbearer species you targeted; **(2)** The number of days traps were set for each targeted species; and **(3)** The number of each species you harvested. If you did all trapping with a partner, trapping effort and catch should only be reported by 1 trapper in your group.
