

# Nature Scavenger Hunt

## Early Spring

There are so many wonderful things to see in nature, but sometimes even our best trained eyes can miss something. Try this scavenger hunt and see how many of these things you can find near your own home, at a preserve, or wildlife management area. Remember, be safe and have fun.

### Getting Started – It's Easy!

**Who:** all ages (adults may need to help young children)

**Where:** outside in a natural setting

**Materials:** this scavenger hunt and a pencil

**Length of time:** 30 minutes – 1 hour

**\*Note\* Remember to be safe and make sure someone knows where you are and when you'll be back.**
