III. PERMIT CONDITIONS:
The Commissioner may issue Special Permits under Maine law to enhance access for persons who have permanent physical disabilities. A Special Permit is a waiver that allows the person to hunt, trap, or fish in a manner or at a time otherwise prohibited by Maine law, to the extent necessary for safety and access to the sport. The Department may not authorize any special exceptions that endangers public safety and may authorize only the minimum special exceptions necessary to overcome the applicant’s permanent disability and allow the applicant to safely hunt, trap or fish.

NOTE: A special permit to hunt with a crossbow is not required if you are age 65 or over.

This permit may be revoked, amended, suspended, or modified at any time for cause, including by not limited to: change in permit laws or rules; change in disability eligibility; or violation of hunting, trespass or archery bow transportation laws.
