**Instructions**

1. This application can be used only for machines registered for the purpose of Trail-grooming.
2. This machine must be driven by a track or tracks in contact with the snow and is performing winter trail maintenance by plowing, leveling or compacting snow by use of a front plow or rear attachments that include but are not limited to rollers, compactor bars or trail drags.
3. The owner of the groomer must be an organization that has an approved contract for Snowmobile trail grooming with the Department of Conservation, Bureau of Parks and Lands, off-road Vehicle Division or a person that can provide proof to the department at the time of application that the person is a member of an organization eligible to register trail-grooming equipment.
4. A Snowmobile Groomer Registration is valid until the ownership of that vehicle is transferred to another person. The new owner is then responsible to register the machine.
5. To register, complete the shaded area on the other side of this form. Send the form and a check for \$34.00 to:
