

# **RIVER OTTER MANAGEMENT GOAL AND OBJECTIVES 1985 – 1990**

*Adopted by MDIFW Commissioner and Advisory Council in 1986*

## **GOAL**

Maintain otter population at current level.

Abundance Objective: Maintain otter population at the 1985 level (estimated at 21,000) through 1990.

Harvest Objective: Maintain opportunity (season length and timing) and average harvest (currently 700 otter) at 1985 levels through 1990.
