Wild Brook Trout Habitat Priority conservation areas identified by the Dep, of Inland Fisheries and Wildlife.

Maine Heritage Fish Waters Lakes and ponds in Maine that have been designated as Maine Heritage Fish Waters according to Title 12, §12461. State Heritage Fish Waters.

Wetlands National Wetlands Inventory (NWI) uses aerial photographs to approximate wetland locations. NWI data typically under represents the presence of wetlands on the landscape.

Shoreland Areas Areas are delineated by ME Dep. of Environmental Protection's Mandatory Shoreland Zoning Act, which includes areas within 250 feet of great ponds, rivers, and wetlands, and within 75 feet of streams. The regulations within each shoreland zone depends on the town, and towns may regulate greater areas than what is shown here. For more information, please visit: https://www.maine.gov/dep/land/slz/
