

BOATERexam.com is proud to announce the launch of our latest FREE learning tool...

PADDLESPORTS SAFETY COURSE

North America's leading provider of online boating safety education now offers a FREE course designed to provide students with the basic safety information they'll need to safely use a canoe or kayak.

Fully narrated and filled with detailed illustrations – the course covers subjects like paddling terminology, equipment, trip plans, marine environment, safe operation and emergency preparedness.

Developed in accordance with the NASBLA Paddle-Sports Education Standards, the PADDLESPORTS SAFETY course is comprehensive, enlightening and easy to understand. The perfect tool to educate the students in your state on the importance of paddling safely.
