Job search support resources

Support for dislocated workers

Name of resource	Resource description	Contact/ link
Maine CareerCenter	Maine CareerCenters provide help to those who have lost their job or received notice that they will lose their job because of a lay-off or plant closure. CareerCenter staff will help you find a new job and/or prepare for a new career. Through the federal Trade Adjustment Assistance (TAA), and Trade Readjustment Allowances programs, special reemployment and training support is available for workers who lose their jobs or experience a reduction in hours or wages due to foreign trade.	Website: http://mainecareercenter.gov/locations/index.shtml Phone: (207) 623-7981
Dislocated Worker Program (DWB)	Workers who are at the end of their unemployment benefits and in an approved training program may be granted up to an additional 26 weeks of unemployment benefits if needed while completing their training programs.	Website: https://www.maine.gov/unemployment/specialprograms/
Unemployment Insurance	Unemployment insurance provides a temporary source of income to individuals who have lost their jobs through no fault of their own. Unemployment insurance is provided while individuals look for another job and is funded by unemployment taxes paid by employers.	Website: https://www.maine.gov/unemployment/
WorkShare	WorkShare is an unemployment option that helps businesses retain their workforce during a temporary slowdown in work. The program allows employers to voluntarily reduce the hours of staff in lieu of layoffs. Employees of the business are allowed to collect a partial unemployment benefit to help them offset the loss of income.	Website: https://www.maine.gov/unemployment/workshare/
Transitions Resource Guide	A comprehensive resource list for laid-off workers in Maine including unemployment; reemployment; self-employment; health insurance; legal assistance; budgeting; community resources; and food, household and financial resources. Transitioning from incarceration

Name of resource	Resource description	Contact/ link
Maine CareerCenter	CareerCenters offer job search guidance to those who have been involved with the criminal justice system or are close to being released from incarceration. The Centers offer group and individual sessions for those who have been justice-involved and want assistance addressing certain issues, problems or situations that may come up such as long-term unemployment, addressing their history with employers, and planning for living expenses while attending college. CareerCenters also offer programs to help mitigate some barriers that this population faces. Two such programs are a federal bonding program offering free bonds to employers who hire individuals with a history with corrections and the Work Opportunity Tax Credit program where employers may receive a tax credit for hiring certain individuals who have been incarcerated.	<p>Live Chat: https://www.mainecareercenter.gov/ Additional resources: https://www.careeronestop.org/ExOffender/default.aspx</p> <p>Phone: (207) 623-7981</p>
Maine Department of Corrections (MDOC) Re-entry Services	MDOC begins identifying and addressing release planning and reentry as soon as the offender enters one of the facilities. The intake and assessment process involves several assessments to determine an offender's areas of risk. Once the risk factors have been identified, facility Case Managers work with the offender to create an individualized case plan to address these factors.	<p>Website: http://www.maine.gov/corrections/about/best-practices/successful-reentry-services</p>
Maine Prisoner Re-entry Network (MPRN)	MPRN connects clients with transportation, housing, employment, mental health resources, substance abuse resources, faith connections, and other needs through a local community approach to address the issues of the formerly incarcerated and their communities.	<p>Website: http://re-entymaine.org/</p>
Take 2 - YouthBuild	Take 2 helps 17-24 year olds who have a history in the juvenile justice system gain new skills and give back to their community. Young people learn construction skills in the National Center for Construction Education and Research (NCCER) program while working toward their high school equivalencies and learning valuable life and workreadiness skills	<p>Take 2 (YouthBuild)- https://youthbuild.org/ Sandra.Goss@goodwillnne.org Website: https://goodwillnne.org/jobs/youth-job-services/</p>
