

SHARP and SHAPE Programs

What are SHARP and SHAPE?

Safety and Health Achievement Recognition Program—**SHARP** is only for private companies with less than 250 employees on site and 500 corporate-wide.

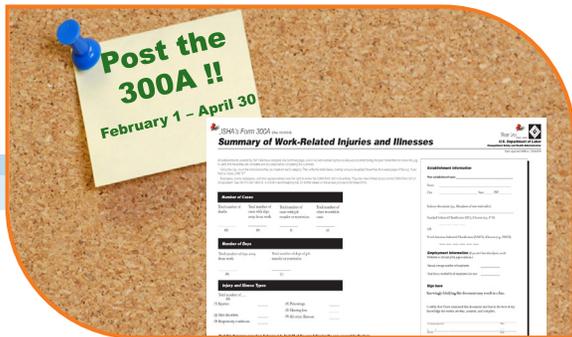

Safety and Health Award for Public Employers—**SHAPE** is for state, county, municipal, quasi-municipal and public educational facilities.

SHARP and SHAPE benefits

- Full safety and health consultation
- Reduces workers' compensation cost
- Exempt from scheduled programmed inspections
- Management commitment
- Employee involvement
- DART and TRC rates below national/state average

Consultation

A safety and health audit by an experienced occupational safety and health professional can help you identify hazards and reduce or eliminate the risk of injuries and illnesses.

- Your business receives confidential, no cost consultation
- No penalties assessed
- Hazard recognition
- A written report
- Assistance in correcting hazards
- Assistance in developing safety and health programs and enhancing safety culture
- Development of an in-house inspection plan
- Sample plans and checklists
- Air and/or noise monitoring at your workplace
- Identification of training needs

*All imminent danger and serious hazards must be corrected as a requirement of the visit.

On-site Training

SafetyWorks! professionals can train you and your employees on a wide range of safety and health topics — at no cost to you.

Training on most construction and general industry topics such as:

- 10-Hour OSHA Classes
- Lockout/Tagout
- Trenching/Excavation
- Scaffolding/Fall Protection
- Confined Space
- Hazard Communication/GHS
- Personal Protective Equipment
- Safety Committees
- Accident Investigation
- Power Industrial Trucks
- Safety and Health Program Management
- MSHA Refresher
- MSHA New Miner

SafetyWorks! Training Institute

The SafetyWorks! Training Institute (SWTI) is open to all Maine workers to learn about workplace safety.

- Scheduled training classes are held at SWTI and at other locations throughout the state
- No cost preregistration required
- Numerous safety and health training topics
- OSHA Recordkeeping
- Impairment detection training for employers
- 10- and 30-Hour classes
- Quick and easy sign-up online

See the training calendar online at:
