LEGISLATIVE RECORD

OF THE

*Ninety-Eighth Legislature*

OF THE

STATE OF MAINE

VOLUME I

1957

DAILY KENNEBEC JOURNAL  
AUGUSTA, MAINE

signed matter being Senate Report "Ought Not to pass" from the Committee on Taxation on Bill, "An Act Directing Public Utilities to File Schedule of Property Valuation with Municipal Assessors." (S. P. 187) (L. D. 466) tabled on February 26 by the Senator from Knox, Senator Low, pending acceptance of the report; and on further motion by the same Senator, the ought not to pass report was accepted.

Sent down for concurrence.

On motion by Mr. Bailey of Sagadahoc, the Senate voted to take from the table House Report "Ought to pass" from the Committee on Public Health on Bill, "An Act Relating to Depositing Carcass of Domestic Fowl to Cause Nuisance." (H. P. 289) (L. D. 385) tabled by that Senator on February 21 pending consideration of House Amendment B; and on further motion by the same Senator, House Amendment B was adopted, and the bill as amended was tomorrow assigned for second reading.

Mr. Low of Knox was granted unanimous consent to address the Senate.

Mr. LOW: Mr. President and members of the Senate: It now seems that the bill to supplement the Jacobs' Report, sponsored by the Senator from Somerset, Senator Sinclair, will be printed by next Tuesday. This is a long bill and does a great deal to reorganize the entire educational set-up in the towns. It seems worth while to have a joint meeting of the House and

Senate to explain the various provisions of this bill, and it is planned to do so next Tuesday evening. Members of the Department who have been instrumental in writing a good deal of the bill will be there; the Commissioner of Education will be there; and the Governor has indicated that he would like to attend if possible. The bill is so long and so involved that it really seems worthwhile to discuss it. I hope that all the members who can will be there on Tuesday night.

The PRESIDENT: The Chair at this time notes in the Senate Chamber a group of youngsters from the 7th and 8th grades of Garland Junior High School of Bangor, members of the Jewish Community Center. We appreciate your visiting with us and I commend to you particularly, the two able Senators from Penobscot, Senators Woodcock and Hillman who will be more than pleased to serve as both your hosts and guides wherever you want to go in the statehouse. Thank you for coming.

The PRESIDENT: The Chair would note that the next legislative day is the only day of the session when absences can be accounted for only by unanimous consent. The Chair would ask the Senate to take his word that we want to have a full attendance the next legislative day.

On motion by Mr. Davis of Cumberland,

Adjourned until 1:00 p.m. tomorrow.
