RESOLVED: That S. P. 314, "To assist the United States cotton textile industry in regaining its equitable share of the world market," and other measures designed to resolve the immediate emergency confronting the cotton textile industry and to promote its long-range prosperity, be acted upon forthwith by the Congress; and be it further

RESOLVED: That a copy of this Memorial, duly authenticated by the Secretary of State, be immediately transmitted by the Secretary of State to the President and to the Senate and House of Representatives in Congress, the membership of said Senate and House of Representatives from this State and to the presiding officers of each of the Legislatures in the New England States.

Read and adopted in the Senate.

The SPEAKER: The Chair understands now that the gentleman from Bangor, Mr. Totman, moves that this Memorial be tabled and specially assigned for tomorrow, and that it be reproduced and distributed to the desks of the members prior to tomorrow's session. Is this the pleasure of the House?

The motion prevailed and the Memorial was tabled pending reference and tomorrow assigned.

The SPEAKER: The House is proceeding under Orders of the Day.

On motion of the gentleman from South Portland, Mr. Fuller, the House voted to take from the table the forty-sixth tabled and unassigned matter, Bill "An Act relating to Educational Aid and Reorganization of School Administrative Units", Senate Paper 515, Legislative Document 1478, tabled on April 12 by that gentleman pending assignment for third reading.

The SPEAKER: The Chair recognizes the same gentleman.

Mr. FULLER: Mr. Speaker and Members of the House: Your Education Committee had an executive session this morning. We discussed some of the fine suggestions that we have had from citizens and from Members of the House, and we have another session scheduled.

We feel that you Members should have at least one more week end to talk with your constituents so that there won't be anything jammed down your throats in any way, shape or manner. And so, Mr. Speaker, I move that this Bill be assigned for third reading on Wednesday, April 24.

The SPEAKER: With respect to item forty-six, Bill "An Act relating to Educational Aid and Reorganization of School Administrative Units", Senate Paper 515, Legislative Document 1478, the gentleman from South Portland, Mr. Fuller, now moves that this Bill be assigned for third reading on Wednesday of next week. Is this the pleasure of the House?

The motion prevailed and the Bill with accompanying papers was retabled pending assignment for third reading and specially assigned for Wednesday of next week, April 24.

The SPEAKER: At this time the Chair would like to recognize the presence in the gallery of the House of a group of thirty Girl Scouts from the Town of Bridgton, under the direction of Mrs. Weeman and Mrs. Fessenden. On behalf of the House the Chair extends to you ladies a most cordial welcome and we hope that you will enjoy and profit by your visit with us today. (Applause)

The SPEAKER: The House is proceeding under Orders of the Day.

On motion of the gentleman from Perham, Mr. Bragdon, the House voted to take from the table the seventh tabled and unassigned matter, Bill "An Act relating to Employment of Minors", House Paper 546, Legislative Document 773, tabled on March 19 by that gentleman pending third reading.

The SPEAKER: The Chair recognizes the same gentleman.

Mr. BRAGDON: Mr. Speaker and Members of the House, I now move its indefinite postponement. I oppose this measure because I feel it is a move to further restrict the employment of minors in some of our industries. If you will look at the Bill you will see that in addition to some of the things that are now—
