The 127th Legislature of the State of Maine

State House

Augusta, Maine

Dear Honorable Members of the 127th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 1112, "An Act to Make Technical Changes to the Sex Offender Registration and Notification Acts of 1999 and 2013."

I am uncomfortable with the idea of registrants from other jurisdictions having to register in Maine as if they were convicted in Maine with not enough attention paid to the different public safety threats of each separate jurisdiction. Other jurisdictions have crimes specific to their state and their own penalties that are specific to their crimes.

A closer look should be given to the length of time registrants convicted in other jurisdictions have to register in Maine. This determination should be based on the penalties given out in other states, as well as the egregiousness of the offense.

For these reasons, I return LD 1112 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

S/Paul R. LePage

Governor

READ and ORDERED PLACED ON FILE. Sent for concurrence.

The 127th Legislature of the State of Maine

State House

Augusta, Maine

Dear Honorable Members of the 127th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 321, "An Act To Protect Consumers against Residential Real Estate Title Defects."

Far too many legislators make solemn-sounding promises to the voters who elect them, then sweep them aside as soon as they step foot into the exclusive, club-like atmosphere of the State House. Their giddy eagerness to get along with colleagues on both sides of the aisle swiftly supersedes their sworn duty to the people who sent them to Augusta.

This Legislature delayed its responsibilities for five months, negotiated a last-minute budget deal behind closed doors and is now passing bills at breakneck speed, just so they can pack up and go home for the summer. While they are busy high-fiving each other for hastily passing bills they haven't even read, the Maine people are left disenfranchised and without true representation.

Maine voters in last November's election clearly endorsed tax and welfare reforms, but this Legislature has denied them their Constitutional right to debate the issues at the ballot box.

Mainers deserve to know how their elected officials voted on public policies that could affect the future of our state. Therefore,
