**MEMORANDUM**

To: Sen. Dawn Hill, Senate Chair  
Rep. Margaret R. Rotundo, House Chair  
Joint Standing Committee on Appropriations and Financial Affairs

From: Sen. Margaret M. Craven, Senate Chair  
Rep. Richard R. Farnsworth, House Chair  
Joint Standing Committee on Health and Human Services

Date: April 22, 2013

Re: Recommendations on LR 1046, The Governor's Proposed Biennial Budget for FY 2014 and FY 2015

---

The Health and Human Services Committee is pleased to provide its report on LR 1046, The Governor's Proposed Biennial Budget for FY 2014 and FY2015. We provide the HHS Committee Program spreadsheet, which is attached as Appendix A, which includes a column for the HHS vote.

**Unanimous votes.** Most votes were unanimous, including all of the baselines and many of the lines shown in the HHS spreadsheets. By unanimous agreement the committee voted:

- To request additional time to work on the issue of bed hold days. The committee voted out lines 337 and 338 on therapeutic and hospital bed hold days and inserted 432-C as a placeholder for the committee recommendation on LD 1364, a bill sponsored by Representative Sanderson that addresses hospital leave days.
- To recommend a new initiative, a copy of which is attached as Appendix B. This initiative calls for DHHS to apply to provide home support and technology in the Section 21 and Section 29 waivers and to direct any savings into services for persons on waiting lists for services under those waivers.

**Majority votes.**

- **The majority of the committee voted to request time** to work on two sets of initiatives in order to consider information requested but not yet available from the Department of Health and Human Services that is critical to understanding the initiatives, as follows:

- Lines 286-288 (MAP and DEL program adjustments to baseline due to program growth, utilization and other factors).
- Lines 322-323 (reduction in MaineCare reimbursement for outpatient hospital services).
- **The majority of the committee voted to fund** three new initiatives, as follows:
  - Line 432-A (MaineCare reimbursement for inpatient hospitalization for substance abuse and children’s psychiatric services). Funding for inpatient substance abuse services at Mercy Recovery Center and St. Mary’s Hospital as well as funding for inpatient children’s psychiatric services in the Lewiston-Auburn area, as presented in LD 1333 sponsored by Senator Craven,
  - Lines 327-328 (increased MaineCare reimbursement for hospitals). Funding to increase inpatient and outpatient hospital reimbursement provided in conjunction with a one-time rebasing of the hospital tax year.
  - Line 432-B (increased MaineCare reimbursement for certain counseling services). Funding to reverse the 5% reimbursement cut for licensed clinical professional counselors and licensed marriage and family therapists that was enacted in the supplemental budget, the restoration to take effect July 1, 2013.

**Minority votes.** The minority of the HHS committee voted to amend the following lines:

- Lines 237-238, 443 (Part MMM). Cap casino revenues to FHM for DEL at \$2.5million each year in FY 14 and FY 15 only.
- Lines 292-294, 433 (Part NN). Reduce DEL eligibility from 175% to 100% FPL.
- Lines 320-321, 437 (Part RR). Reduce MaineCare reimbursement to critical access hospitals from 109% of allowable costs to 105% of allowable costs for FY 14 and FY 15 only.
- Lines 322-323. Accept the reduction in reimbursement for outpatient hospital services by the dollar amounts identified and amend the blippie to delete “by 10%” and to limit the cut to FY14 and FY15 only.
- Line 344. Delete “for legal noncitizens” from the blippie.
- Lines 434 (Part OO). Incorporate initiatives on General Assistance from the anticipated change package.

Committee members are prepared to discuss this report with you. We will be available to work with the AFA Committee and your staff if drafting is required for any of our HHS program items. Thank you for your consideration.

186	HHS-	145	140	Office of Elder Services Central Office	C-A-1533	Provides funding in the Office of Elder Services - Central Office program for the Homeward Bound/Money Follows the Person grant award.	Increases funding for FY14 and FY15 grant year in accordance with Homeward Bound/Money Follows the Person grant budget. This 5 year grant was awarded to support Maine's efforts to enable MaineCare members to leave nursing facilities (and other institutions) to return to their home and live more independently. This grant provides support for each person to overcome barriers that keep them in a nursing home (and are not currently provided by MaineCare: finding housing to move into; home modifications to provide access and support; help in planning and arranging for in-home support services; and, technology to support health and safety in the home. These services are provided for up to 1 year to each member. In addition to the targeted populations it is anticipated that Homeward Bound will support individuals moving from nursing facilities into the community under the "Other Related Conditions (ORC) waiver. 187	HHS-	145	140	Office of Elder Services Central Office	C-A-1583	Provides funding in the Office of Elder Services Central Office program in order to maintain the current budget level of the Maine Long-Term Care Ombudsman Program.	Provides funding for the Long term Care Ombudsman Program which is federally mandated under the Older Americans Act. Historically the funds requested were provided by CMS. In November of 2010 the CMS Regional Office informally notified the Department that it considered it inappropriate to allocate Title XIX CMS funds to the LTCOP. Earlier this year, the CMS Regional Office instructed the Department to stop allocating these funds to the LTCOP. These funds are needed to maintain the direct services the LTCOP provides to Maine's elderly population receiving long term care services and supports in our nursing homes and other residential care facilities, and through our home and community based programs. 416	HHS-	41	679	Office of Substance Abuse	C-A-1524	Continues one limited-period Education Specialist I position through June 13, 2015 and related All Other in the Office of Substance Abuse program to provide support for prevention services.	This Education Specialist I position was established as a result of a prior prevention services grant (Strategic Prevention Framework State Incentive Grant.) Following grant closure, the position was deemed necessary to maintain to continue the initiatives developed as a result of the grant. Prior legislative approval was granted for existence of this position but this limited period position is slated to end June 2013. Funding for this position comes from the federal Substance Abuse Prevention and Treatment Block Grant. The Office of Substance Abuse would like to make this a permanent position due to an increasing need for staff given the multiple initiatives currently happening in substance abuse prevention services in Maine. The Office of Substance Abuse and the Office of Adult Mental Health Services will be merging as of September 1, 2012 and with the integration of these two offices, there is no additional funding or staff allotted to incorporate mental health prevention into the work that is currently being done to truly do behavioral health prevention (substance abuse and mental health). In addition, the incumbent of this position is Maine's Enforcing Underage Drinking Laws Grant Coordinator, which is a necessary position for the Federal Department of Justice.	Substance Abuse	15	Federal Block Grant Fund	1	IN	\$68,735	\$73,244	\$3,945	\$3,945	\$0	0.000	0.000

## APPENDIX B

### Proposed Amendment to LR 1046, Biennial Budget

#### Part ???

**Sec. ???-1 Department of Health and Human Services directed to request approval to amend the MaineCare program Chapter 101, Chapter II, Sections 21 and 29 waivers to permit reimbursement for the use of appropriate technology.** The Department of Health and Human Services shall request approval from the federal Centers for Medicare and Medicaid Services to amend the waivers for the MaineCare program Chapter 101, Chapter II, Section 21, Home and Community Benefits for Members with Intellectual Disabilities or Autistic Disorder, and Section 29, Support Benefits for Adults with Intellectual Disabilities or Autistic Disorder, to permit the reimbursement for use of appropriate electronic technology as a means of reducing the costs of supporting people currently being served. Appropriate use of technology includes, but is not limited to, increasing independence and reducing reliance on staff during overnight hours. The department shall submit the application for both waivers by October 1, 2013.

**Sec. ???-2 Rulemaking to implement technology updates.** Upon the approval of the amended waivers by the federal Centers for Medicare and Medicaid Services pursuant to section 1, the Department of Health and Human Services shall undertake rulemaking to amend the rules on the MaineCare program in Chapter 101, Chapter II, Sections 21 and 29 to add electronic technology. Rules adopted pursuant to this section are routine technical rules as defined in the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A.

**Sec. ???-3 Department of Health and Human Services directed to amend the Section 29 waiver to add home support services.** The Department of Health and Human Services shall request approval from the federal Centers for Medicare and Medicaid Services to amend the waiver for the MaineCare program Chapter 101, Chapter II, Section 29 to add as a covered service home support as an option under the current service cap. Home support is a direct support provided to a member in the member's home by a direct support professional to improve and maintain the member's ability to live as independently as possible in that member's own home and primarily consists of personal assistance, such as preparing meals, cleaning and personal care. The department shall submit the application for the waiver by October 1, 2013.

**Sec. ???-4 Rulemaking to implement home support services.** Upon approval of the waiver by the federal Centers for Medicare and Medicaid Services pursuant to section 3, the Department of Health and Human Services shall undertake rulemaking to amend the rules on the MaineCare program in Chapter 101, Chapter II, Section 29 to add home support services as a covered service. Rules adopted pursuant to this section are routine technical rules as defined in the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A.

**Sec. ???-5 Savings generated by electronic technology and home support services.** The savings generated by the use of electronic technology and home supports, particularly in preventing the need for individuals who are to receive services under the MaineCare program Chapter 101, Chapter II, Section 29 from requiring residential services under Section 21, must be used to serve additional people currently on the waiting list for these waiver programs.

**Sec. ???-6 Implementation of adult developmental services working group interim recommendations.** The Department of Health and Human Services shall incorporate the following

recommendations from the adult developmental services working group for individuals with intellectual disabilities and autism that was formed pursuant to Public Law 2011, chapter 477, section W-1 into a plan:

1. Each person will receive a strength-based standardized individualized assessment of that person's strengths or needs to inform a person-centered plan;
2. Each person will be assessed for the natural family and community support networks potentially available to that person;
3. The State will establish a broad menu option model designed to match the amount and kind of paid support services needed by each individual;
4. Each person will have a designated community resource assistant whose job it is to help individuals at any age navigate the local array of services;
5. The State will develop a thorough and accessible information repository;
6. The State will establish early support and planning for steps to transition individuals from childhood services to adult services;
7. The State will undertake educational efforts in each neighborhood to educate and foster inclusiveness and awareness of the community;
8. The State's developmental services will deliver only the paid services needed; and
9. Formal services will be based on individual and realistic needs.

The department shall develop a plan with clear steps and a timeline with a goal that current and future waiting lists do not exceed 6 months and shall report periodically to the Joint Standing Committee on Health and Human Services.

### **SUMMARY**

This amendment requires the Department of Health and Human Services to request approval from the federal Centers for Medicare and Medicaid Services to amend the MaineCare waivers for Section 21, Home and Community Benefits for Members with Intellectual Disabilities or Autistic Disorder, and Section 29, Support Benefits for Adults with Intellectual Disabilities or Autistic Disorder, to permit the reimbursement for the use of appropriate electronic technology as a means of reducing the costs of supporting people currently being served. It also requires the department to apply to the Centers for Medicare and Medicaid Services to amend the Section 29 waiver to add as a covered service home support as an option under the current service cap. Home support is direct support provided to a member in the member's home by a direct support professional to improve and maintain the member's ability to live as independently as possible in the member's own home and primarily consists of personal assistance, such as preparing meals, cleaning and personal care. Upon the granting of the amended waivers, the department is required to undertake rulemaking to amend the Section 21 and 29 rules to reflect the changes in the waiver. Any savings from the use of electronic technology and the provision of home support services must be used to serve additional people on Sections 21 and 29 waiting lists.

The department is required to develop a plan to incorporate the recommendations of the working group, including specific steps and a timeline with a goal that current and future waiting lists do not exceed 6 months and to report periodically to the joint Standing Committee on Health and Human Services.
