Dear Dr. Weinberg:

This letter is to confirm that you have complied with the terms and have successfully completed your Consent Agreement dated January 28, 2002. The Board of Licensure in Medicine has released you from the terms of the Consent Agreement, effective January 28, 2007.

The Board will make reports to the National Practitioner Data Bank and to the Federation of State Medical Boards documenting your successful fulfillment and the resulting closure of the Consent Agreement.

Please let me know if you have any questions. I can be reached at 287-6931.

Very truly yours,

suspended his practice and received in-patient treatment for chemical dependency. He has participated in the recovery and rehabilitation program of the Massachusetts Medical Society. The Massachusetts Board of Registration in Medicine reinstated his license without restriction on May 1, 1998.

3. The New Jersey Board of Medical Examiners and the New York State Office of Professional Medical Conduct entered into Consent Decrees with the Applicant whereby his license was suspended for one year. Although being eligible to do so, the Applicant has not applied for reinstatement in either state.

4. The New Hampshire Board of Medicine issued a conditional license to the Applicant pursuant to a Consent Agreement in January, 2000. The Consent Agreement requires the Applicant to enter the Physicians Health Program of the New Hampshire Medical Society subject to the same terms and conditions of his Consent Agreement entered into with the Massachusetts Board of Registration in Medicine and provide the program with a signed contract which reflects the incorporations of the Massachusetts' conditions which were previously applicable to the Applicant. The Applicant has complied with the New Hampshire Consent Agreement and is currently being monitored in the program with random testing on a monthly basis. This agreement will be in effect for five (5) years.

5. Based on the Applicant's acceptance of responsibility for his chemical dependency and Medicaid offenses, his subsequent treatment of his chemical dependency problem, his payment of full restitution to the Commonwealth of

Massachusetts in the amount of \$30,000, his successful participation in a Physician Health Rehabilitation and Monitoring Program, and his sobriety since November, 1990,

IT IS HEREBY ORDERED, that the application of Benjamin Weinberg, M.D. for a license to practice medicine in the State of Maine be approved subject to the following conditions:

1. In the event that the Applicant fails to comply with any obligation in the contract with the New Hampshire Medical Society Physician Health Program, that failure will constitute a violation of this Consent Agreement which may result in the immediate suspension of the Applicant's license, pending a hearing which shall be held as soon as reasonably possible after the suspension.

2. If the Applicant practices medicine in the State of Maine, he shall contract with the Physicians Health Program in the State of Maine and participate in monthly random testing.

3. The Applicant will notify at the Board of any change in employment or address in writing.

**I, BENJAMIN WEINBERG, M.D., HAVE READ AND UNDERSTAND THE FOREGOING CONSENT AGREEMENT. I UNDERSTAND THAT BY SIGNING, I WAIVE CERTAIN RIGHTS. I SIGN IT VOLUNTARILY, WITHOUT ANY THREAT OR PROMISE. I UNDERSTAND THAT THIS CONSENT AGREEMENT CONTAINS THE ENTIRE AGREEMENT AND THERE IS NO OTHER AGREEMENT OF ANY KIND, VERBAL, WRITTEN OR OTHERWISE.**
