

Medical Ethics

POLICY: It is the policy of the Board of Licensure in Medicine that the American Medical Association's Code of Medical Ethics, most recent edition of *Current Opinions with Annotations*, is one of the primary sources in defining ethical physician and physician associate behavior.

EFFECTIVE DATE: February 13, 2001

REVISION DATE: August 12, 2025

HISTORY: The Board has, for at least the past 14 years, relied on the guidance provided by this document as a definitive source of clearly stated ethical medical performance and behavior.

August 12, 2025: The title physician assistant was changed to physician associate to conform to the change in statute effective September 24, 2025.
