Basis of Award

Bids (quotes) are requested for all 5 Regions in the state. The Regions are further subdivided into nine (9) zones. Maps are included that display the Regions and the 9 zones described in the schedule of items. (Zone 3 excluded-none needed). The 5 Regions are divided as Zones (sub-areas). A Bidder is not required to bid all zones, and may bid on one or more Zone(s).

The dollar amount of this Contract does not guarantee that the Department will assign Work for any or all of the total amount.

Work will be assigned under these contracts according to the following process: The Contractor with the lowest bid for the particular Work (the "Assignment") will have first option to perform work pursuant to an Assignment Letter. If this Contractor is unable to accept the work, then the Department will contact the firm that submitted the next lowest bid to see if that Contractor will accept the Assignment and subsequent Contractors in ascending order of the amount of their bids, until a Contractor accepts the Assignment. Upon mutual agreement, an Assignment Letter will then be sent to the successful contractor. The Work described in this letter will become part of the Contract.

If, a Contractor fails to work when required or performs it in an unsatisfactory manner, or fails to meet other contractual requirements, the Department may issue a written warning. If the Contractor subsequently fails to work when required or performs it in an unsatisfactory manner, or fails to meet other contractual requirements, the Department reserves the right to immediately terminate the Contract by written Notice of Termination. In this event, the Department may complete the work with its own forces or enter into an Assignment Letter with another entity for the Completion of the Work, or use such other methods as in the opinion of the Department are required for to complete the Assignment.

The accepted quantities of flagger hours will be paid for in accordance with SPECIAL PROVISION, SECTION 652, MAINTENANCE OF TRAFFIC, Flagger.

Bid prices are being requested primarily for our 2012 summer construction and maintenance season, but will be valid through March 31, 2013.

The second lowest bidder will receive a contract for 80% of the Zone's estimated amount.

The remaining bidders will receive a contract for 60% of the Zone's estimated amount.
