BIDDING INSTRUCTIONS

- 1. Use pen and ink to complete all paper bids.
- 2. As a minimum, the following are to be completed and must be received prior to the time of bid opening:
 - a. A copy of the Notice to Contractors
 - b. the completed Acknowledgement of Bid Amendments form
 - c. the completed Schedule of Items in Appendix A
 - d. two (2) copies of the completed and signed Contract Agreement for Transportation Related Work form
 - e. The completed Contractor Information Sheet
 - f. Any other certifications or Bid requirements listed in the Bid Documents as due by Bid opening
- 3. Include prices for all items in the Schedule of Items
- 4. For security and other reasons, all Bid Packages which are mailed or sent express, shall be provided in double (one envelope inside the other) envelopes. The *Inner Envelope* shall have the following information provided on it:

Bid Enclosed - Do Not Open

Title:

Town or Region:

Date of Bid Opening:

Name of Contractor with mailing address and telephone number:

In Addition to the usual address information, the *Outer Envelope* should have written or typed on it:

Double Envelope: Bid Enclosed

Title:

Town or Region:

Date of Bid Opening:

Name of Contractor:

Hand-carried Bids may be in one envelope, and should be marked with the following information:

Bid Enclosed: Do Not Open

Title:

Town or Region:

Name of Contractor:

- 5. If a paper Bid is to be hand carried, deliver directly to the Reception Desk using the "Public Entrance" which is located on the Capitol Street side of the DOT Headquarters Building in Augusta. http://www.maine.gov/mdot/mainedotdirections.htm. If a paper Bid is to be sent express, "FedEx First Overnight" delivery is suggested as the package is delivered directly to the DOT Headquarters Building, Mailroom, in Augusta located at 24 Child Street in Augusta. Other means, such as U.S. Postal's Service Express Mail has proven not to be reliable. If a paper bid is to be mailed, the mailing address is Maine Department of Transportation, 16 State House Station, Augusta, ME 04333-0016.
- 6. If you need further information regarding Bid preparation, call the DOT Contracts Section at (207) 624-3410. For complete bidding requirements, refer to Section 102 of the Maine Department of Transportation, Standard Specification, November 2014 Edition.

NOTICE

The Maine Department of Transportation is attempting to improve the way Bid Amendments/Addendums are handled, and allow for an electronic downloading of bid packages from our website, while continuing to maintain an optional plan holders list.

Prospective bidders, subcontractors or suppliers who wish to download a copy of the bid package and receive a courtesy notification of project specific bid amendments must fill out the on-line plan holder registration form and provide an email address to the MDOT Contracts mailbox at: MDOT.contracts@maine.gov. Each bid package will require a separate request.

Additionally, interested parties will be responsible for reviewing and retrieving the Bid Amendments from our web site, and acknowledging receipt and incorporating those Bid Amendments in their bids using the Acknowledgement of Bid Amendment Form.

NOTICE

Bidders:

Please use the attached "Request for Information" form when submitting questions concerning specific Contracts that have been advertised for Bid, include additional numbered pages as required. RFI's may be faxed to 207-624-3431, submitted electronically through the Departments web page of advertised projects by selecting the RFI tab on the project details page or via e-mail to RFI-Contracts.MDOT@maine.gov.

These are the only allowable mechanisms for answering Project specific questions. Maine DOT will not be bound to any answers to Project specific questions received during the Bidding phase through other processes.

When submitting RFIs by Email please follow the same guidelines as stated on the "Request for Information" form and include the word "RFI" along with the Project name and Identification number in the subject line.

Appendix A – Special Provision - Specifications of Work to be Performed
Appendix B – Special Provisions for State Funded Transportation Related
Maintenance Work

The Department and the Contractor, in consideration of the mutual promises set forth in this Contract (hereinafter "Contract") hereby agree as follows:

A. The Work.

The Contractor agrees to complete all work described in Appendix A – Special Provision - Specifications of Work to be Performed, and under the terms of the Contract for HVAC Preventative Maintenance & Repair Work at the MaineDOT Headquarters Building, in Augusta, Maine.

The Contractor shall be responsible for furnishing all supervision, labor, equipment, tools supplies, facilities, permanent materials and temporary materials and services required to perform the Work including quality control, all required documentation at the conclusion of the project, warranting its work and performing all other work indicated in the Contract.

The Department shall have the right to alter the nature and extent of the Work as provided in the Contract; payment to be made as provided in the same.

11

B. Time.

This contract commences on June 8, 2015 or when executed, whichever is latest and expires on <u>June 30, 2016</u>. At the Department's discretion and upon mutual agreement with the Contractor, the contract may be extended for time and money, under all the terms of this contract, at bid prices up to three (3) additional 1 year periods.

C. Price.

The quantities given in the Schedule of Items in Appendix A of the Bid Package will be used as the basis for determining the original contract amount and the amount of this offer is

The Maine DOT does not guarantee the use of any or all of the Contract amount.

D. Contract.

This Contract, which may be amended, modified, or supplemented in writing only, consists of the State of Maine, Department of Transportation, Standard Specifications, November 2014 Edition, Special Provisions, Contract Agreement and Appendices. It is agreed and understood that this Contract will be governed by the documents listed above.

E. Certifications.

By signing below, the Contractor hereby certifies that to the best of the Contractor's knowledge and belief:

- 1. All of the statements, representations, covenants, and certifications required or set forth in the Contract are still complete and accurate as of the date of this contract.
- 2. The Contractor knows of no legal, contractual, or financial impediment that prevents Contractor from entering into this Contract.
- 3. The person signing below is legally authorized by the Contractor to sign this Contract on behalf of the Contractor and to legally bind the Contractor to the terms of the Contract.

F. Agreement.

The undersigned, having carefully examined the site of work, scope of work, State of Maine, Department of Transportation, Standard Specifications, November 2014 Edition, Special Provisions, Contract Agreement and Appendices contained herein, hereby agrees to supply all the services, materials, tools, equipment and labor to complete the whole of the work in strict accordance with the terms and conditions of this Contract at the prices agreed to in Appendix A.

The Contractor agrees to perform the work required at the prices specified above in accordance with the terms of this Contract and to provide the appropriate insurance.

Contractor also agrees:

First: Contractor agrees to perform extra work, not described in Appendix A, which may be ordered by the Department, and to accept as full compensation the amount determined upon basis as provided in the contract documents.

Second: Contractor understands that Work may commence upon Contract Execution, unless provided elsewhere in this contract and that Work must be completed within the time limits given in this Contract.

Third: That this offer shall remain open for 30 calendar days after the date of opening of bids.

Fourth: The Contractor hereby certifies, to the best of its knowledge and belief that: the Contractor has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of competitive bidding in connection with its bid, and its subsequent contract with the Department.

Fifth: Contractor further agrees to provide insurance as required by this Contract.

IN WITNESS WHEREOF, the Contractor, for itself, its successors and assigns, hereby executes two duplicate originals of this Contract and thereby binds itself to all covenants, terms, and obligations contained in the Contract Documents.

APPENDIX A SPECIAL PROVISION SPECIFICATIONS OF WORK TO BE PERFORMED

SCHEDULE OF ITEMS HVAC PREVENTATIVE MAINTENANCE & REPAIR

Contractor			

Bidders are required to bid and complete all Items.

Bid prices must be quoted as specified on this worksheet. The Department will reject bids if any one of the following occurs:

- a) the Bid is not Delivered to the precise location and by the precise time set forth in the Notice to Contractors or any applicable Bid Amendment,
- b) the Bid is not signed
- c) the unit price/lump sum price for any item is not provided or is unreadable
- d) the Bid contains any handwritten changes to the bid documents such as: additional charges for transportation, supplemental fees or surcharges

The Bidder will have no opportunity to cure the above Non-curable Bid Defects. For clarification, questions, comments/recommendations use the "Request for Information" form as directed in the Bid Book instructions. For a related provision see Standard Specification, Section 102.11 – Bid Responsiveness.

Scoring

The Bids will be scored on the basis of the following weighted criteria:

Criteria	Weight
1. Price	95%
2. Economic Impact within the State of Maine	5%

The scoring formula for price is: (Lowest submitted cost bid / Cost of bid being scored) x 95 = pro-rated score. The contract award will be made to the bidder whose Bid receives the Committee's highest score following the final review.

1. PriceBidders are required to bid all Items.

Description	Estimated Quantities &	Unit Price \$	Bid Amount \$ Est Quantity X
	Units		Unit Price
Annual Heating Preventive			
Maintenance and Service Work	1 Lump Sum		
Annual Ventilation and Air Conditioning Preventive Maintenance and Service Work	1 Lump Sum		
Regular Hourly Rate - Hourly rate for repair/emergency services at this site, (6:00am – 5:00pm)	<u>300</u> Hrs.	\$Per Hr.	
TOTAL BID			

For clarification, refer to Measurement and Payment in Appendix A.

2. Economic Impact within the State of Maine (5 points)

In addition to bid prices, each Bidder is required to check the boxes below to indicate their Economic Impact upon the State of Maine. The term "economic impact" shall be defined as any activity that is directly performed by or related to the Bidder and has a direct and positive impact on the Maine Economy and public revenues within the State of Maine. "Currently" is defined as within the last twelve months.

Bidder currently employs Maine residents	Yes	□No
Bidder currently pays Maine corporate and/or income taxes	Yes	□No
Bidder currently pays property taxes to government entities in Maine	□Yes	□No
Bidder currently purchases inventory, supplies and/or services		
from Maine businesses	□Yes	□No
Bidder currently has other Economic Impact upon Maine	Yes	□No
Bidders are required to follow the format and respond to all questions and specified in the "Schedule of Items". It is the responsibility of the Bidder information requested in the bid package at the time of submission prior to time specified in the Notice to Contractors. For each "yes" box checked, receive one point. For each "no" box checked, the bidder will receive no question a bidder checks neither or both boxes, the bidder will receive no shall take careful note that in scoring a bid submission, the Department with the boxes checked for scoring purposes and that additional comments and language will not affect the scoring.	to provi to the date the bidd points. I points. I	ide <u>all</u> te and ler will For each Bidders der only

MANDATORY PRE-BID MEETING

A mandatory pre-bid meeting will be held at the Augusta Maine Department of Transportation Headquarters Facility located at 24 Child Street, Augusta, Maine at the time stated in the Notice to Contractors. Only Contractors that attend the meeting and sign in will be allowed to bid. Following the pre-bid meeting, the sign in sheet for the meeting will be included with a written bid amendment available at http://www.maine.gov/mdot/contractors/.

Bidders shall direct all technical or engineering questions, including requests for explanations or interpretation, in writing to the Bid Contact Person noted in the Notice to Contractors using the "Request for Information" form. RFI's may be faxed to the number listed in the Notice to Contractors, submitted electronically through the Departments web page of advertised projects by selecting the RFI tab on the project details page or via e-mail to the address in the Notice to Contractors in accordance with the Notice to Contractors and the RFI Instructions contained in these documents. Bidders may attach separate sheets with questions to the "Request for Information" form.

The Department is not bound by any oral, written or other representations, including information exchanged verbally at pre-Bid meetings. The Department will issue a written Bid Amendment in response to questions from Bidders when the answers: (A) relate to ambiguous, incorrect, or missing information in the Bid Documents; (B) are not apparent to Contractors experienced in the type of Work covered by the potential Contract; and (C) could have a significant impact on the cost, quality, conformity or timeliness of the Work.

AS BUILT PLANS AND c. 2001 HVAC SPECIFICATIONS

Before submitting a Bid, the Bidder is responsible for: (A) obtaining and examining the Plans, Specifications, all Bid Amendments, and all other Bid Documents; (B) examining the As Built Information, the c. 2001 MaineDOT Headquarters HVAC Construction Specifications and all other information provided or referenced in the Bid Documents; (C) examining the site(s) of Work and making other examinations and investigations that are needed to Make the Bidder fully aware of the conditions that would be encountered in performing the Work, and (D) communicating with the Department as provided in Section 102.5 - Communication Before Bid Opening.

The Department has made available as-built plans and specifications noting existing conditions and equipment from 2003. In 2014, the propane gas burners were changed to natural gas burners. The Bidder shall be responsible to verify all existing conditions and equipment. Bidders are obligated to examine and obtain existing equipment, system and condition information. The As Built Plans and c. 2001 MaineDOT Headquarters HVAC Construction Specifications may be accessed at the Department's web site. The Department shall not be responsible for the Bidders' and Contractors' interpretations of

or estimates or conclusions drawn from the As Built Information and Specifications. Data provided may not be representative of the actual current conditions and equipment.

Heating, Ventilation, and Air Conditioning Services

The MaineDOT is accepting Bids with intent to award a contract for the purpose of providing the MaineDOT Headquarters Facility, located at 24 Child Street, Augusta, with preventive maintenance and repair services for heating, ventilation, air conditioning units. The contract will be awarded for a one year period starting on the Contract execution date, with the option to extend up to three (3) additional years on an annual basis at the Department's discretion.

During the year, approximately 100 work orders were issued for services from Ventilation filter changes to pipe repairs. This does not guarantee the annual amount for services under this contract.

Contract Administrator the Contract Administrator for this contract will be:

Scott Gray, Facility Manager MaineDOT 24 Child St Augusta, Me. 04333

The Contractor shall contact the Contract Administrator, in order to coordinate the work. The Contractor shall submit invoices to the Contract Administrator as described in this contract.

Contractor Requirements

Contractor must have at least 5 years' experience successfully maintaining and repairing commercial/industrial systems and equipment larger and more complex than or substantially equal to that located at the physical plant located at 24 Child Street. This experience must include central air handling units, gas heating, outdoor air conditioning units, air energy recovery units, humidification units, ductwork, maintaining indoor air quality and automatic temperature controls. Possess licenses boiler operator license, electrician, plumber

Contractor may be requested to submit copies of licenses or certificates when required by the State of Maine, the manufacturer or by the Department.

The Contractor must have the necessary personnel and equipment mobilized and be on site within 2 hours or less when MaineDOT has determined an Assignment is an emergency.

The Contractor must provide and maintain a current contact list with phone numbers and e-mail addresses in order to be contacted 24 hours a day, 7 days a week for emergency services.

The Contractor must:

- Work effectively with minimum supervision.
- Adhere to of all national and local Codes, Industry Standards and OSHA requirements and have the knowledge to do so.
- Provide all tools and equipment needed to perform required duties.
- Provide a reliable service truck to provide transportation for employee's to and from jobsite. Vehicle must carry all tools, supplies, and equipment needed for job duties.
- Comply with established safety guidelines and procedures and provide all Personal Protective Equipment needed to perform job duties
- Adhere to a comprehensive Lockout/Tagout policy and have the knowledge and willingness to do so.

Contract Time

The Contractor will be allowed to commence work on or after the execution date.

Heating Units - are to be serviced between September 1st and October 31st, and Must be scheduled and coordinated prior to this date with the Contract Administrator.

Cooling units – are to be serviced between April 1st and May 31st, and must be scheduled and coordinated prior to this date with the Contract Administrator.

Scope and Specifications of Work to be Performed

The Contractor is to perform preventive maintenance and repair services for heating, ventilation and air conditioning units at the MaineDOT Headquarters Facility in Augusta, Maine. This includes providing all labor and furnishing all equipment, supplies, materials and other applicable tools/items needed to maintain and repair all the HVAC at MaineDOT 24

Child Street, Augusta, Me. Except somethings related to controls by BGS. All Work shall be performed by a licensed technician and shall be performed in accordance with manufacture recommendations and specifications. All parts shall be manufacturer original or recommended.

A. Repair Work

- 1. Repair Work shall include Work not included in the Preventative maintenance work which may be discovered, recommended and approved during annual maintenance or requested by the Department at a different time. The Maintenance/Repair/Emergency Work Administrator must approve all Repair Work, prior to the Work being performed. The scope of work covered under this contract includes repairing existing heat and air conditioning units and is not intended to be used for replacing and installing new equipment unless the cost is under \$500.00. Major or extensive work to systems and replacements will be bid and contracted separately.
- 2. The Contractor shall perform repair services to HVAC at 24 Child Street as requested by MaineDOT during regular business hours of 6:00 a.m. to 5:00 p.m. unless otherwise authorized by MaineDOT. The Contractor is to receive prior approval from the Contract Administrator for parts orders over \$500.00 for any one repair. Miscellaneous items and materials shall not be billed separately, but shall be considered incidental to related items. Service and parts needed over and above what was originally authorized must be authorized by Contract Administrator or designee prior to any work performance or replacement. Invoices shall show the itemized list of parts and materials and the associated costs.
- 3. When the Department determines that the Assignment is an emergency the Contractor has ½ hour to reply to notification, and accept or decline, if the Contractor accepts the Assignment they must be on site within 2 hours after notification. If they do not show up we may assign to another Contractor. In an Emergency situation the Contractor will be notified by email or called by phone and must have 24/7 coverage to respond.
- **B. Preventive Maintenance Services** The Contractor shall annually perform preventive maintenance service as described below on all HVAC equipment at the MaineDOT Headquarters in Augusta. The preventive maintenance services shall be performed annually between September 1 and October 1.
- **C. Additional work**: All requests for work that will require additional payment must be in writing. Work will not start until approval is in writing from the owner's representative. Failure to obtain written approval may result in non-payment. Emergency repairs may be made without prior authorization when public safety is

a concern. In situations as this, make the repairs to protect the public or employees safety and immediately contact the owner. Unless otherwise noted, request for additional work must be made two weeks prior to the work being started

D: **Service reports**; Service reports stating date, time, technician's name, work completed, location of unit, unit type and noting any obvious problems or recommendations for repairs will be completed with one copy submitted to the Contract Administrator and another copy left on site. Completed service will be approved and reports signed by the Department before processed for payment.

1. Gas Heating & Humidification Units -

Contractors shall understand and follow manufacturer's recommendations. Work shall include but is not limited to the following:

- 1. All safety devices will be cleaned, overhauled and adjusted as necessary.
- 2. All furnaces and heat exchangers will be cleaned and inspected.
- 3. All controls will be cleaned and calibrated.
- 4. All electrical connections will be inspected and tightened if required.
- 5. All corroded components will be cleaned and reported.
- 6. All units will be started to ensure trouble-free operations.
- 7. All heating equipment will be fired, tested and adjusted for maximum efficiency.
- 8. All burner assemblies will be cleaned and adjusted as specified by the manufacturers' specifications.
- 9. All filters will be replaced with pleated filters
- 10. All motors, bearing, valves and other equipment requiring lubrication will be cleaned, lubricated and adjusted.
- 11. All motors, pumps, fans couplings, seals and mounts will be inspected and adjusted.
- 12. Drive belts will be inspected and replaced as required.
- 13. Defective and inoperative equipment will be identified and reported immediately to Contract Administrator.
- (a) One additional visit during the heating season (January) will be scheduled with Maine DOT personal to make adjustments for maximum efficiency, perform operational inspection, and identify defective and inoperative equipment of all covered heating units.
- 2. **Ventilation and Air Conditioning Units** are to be serviced by May 1st and once during the cooling season of each contracted year. All Work must be scheduled and coordinated with Contract Administrator. Work is to be performed during Straight Time hours unless otherwise authorized.

Preventive maintenance service will follow the manufacturer's recommendations to each unit and shall include but not be limited to the following:

- 1. Equipment will be cleaned and inspected for proper airflow.
- 2. Coils and blowers will be inspected, brush-cleaned and vacuumed
- 3. Disposable filters will be replaced with pleated filters and washable filters will be cleaned.
- 4. Motors, pumps, fans, couplings, seals and mounts will be inspected and checked for proper operation and condition.
- 5. Motors, bearings, automatic valves and other equipment requiring lubrication will be lubricated as required and adjusted.
- 6. Safety Devices will be cleaned and checked for proper operation.
- 7. OEM temperature controls will be cleaned and calibrated.
- 8. Electrical connections will be inspected and tightened.
- 9. Drive belts will be replaced, aligned and tensioned.
- 10. Air conditioning and ventilation equipment will be tested and adjusted for maximum efficiency.
- 11. Defective and inoperative equipment will be identified and reported immediately.

One additional visit during the cooling season (July) will be scheduled and performed to make adjustments for maximum efficiency, perform operational inspection, and identify defective and inoperative equipment of all covered units.

3. **Direct Digital Control software-** Existing control software is Honeywell EBI system. Issues or concerns with Honeywell Controls will be coordinated with MaineDOT personnel and/or the Bureau of General Services. Work is to be performed during MaineDOT operating hours unless otherwise authorized. Operational problems discovered during the inspection are to be noted on the service report along with the estimated cost (if any) to correct the problem.

Allowable Work Times

The Contractor shall perform work only during the following times Monday through Friday, 6:00 AM through 5:00 PM except for they may not work on holidays as defined in Appendix B unless otherwise directed by the Department.

The Contractor may choose to perform work outside Straight Time hours of operation for their convenience. The Contractor will be reimbursed for this work at straight time rates.

Work is to be performed during MaineDOT operating hours unless otherwise authorized by the Contract Administrator.

Measurement and Payment

Annual Heating Preventative Maintenance and Service Work will be paid for at the contract unit price, performed and accepted. Payment will be full compensation for supervision, labor, equipment, materials, parts, supplies, and other incidentals necessary to perform the Work.

Annual Heating Ventilation and Air Conditioning Preventative Maintenance and Service Work will be paid for at the contract unit price, performed and accepted. Payment will be full compensation for supervision, labor, equipment, materials, parts, supplies, and other incidentals necessary to perform the Work.

The Contractor will be paid for approved and accepted Repair Work and Additional Work by the hour for each hour Repair Work and Additional Work is performed at the contract unit price per hour. Overtime will be paid at the contract unit price per hour at time and ½. Sundays and Holidays will be paid at the contract unit price per hour at double time.

No expenses, mileage, meals or phones will be paid.

Hourly Work will be measured as Straight Time when the work is performed Monday through Friday from 6 AM to 5 PM.

Hourly Work will be measured as Overtime when the work hours occur on Saturday or extend after 5 PM or before 6 AM Monday through Friday.

Hourly Work will be measured as Sundays and Holiday when the work is performed on Sunday or a holiday as defined in Appendix B.

Service truck or vehicle not paid separately, but will be considered incidental to the contract items.

All Travel time including traveling to and from the job site and picking up any parts and materials will be considered incidental.

Mobilization will not be paid for separately and shall be considered incidental.

For the purpose of billing the Contractor will begin billing their time from the time they arrive on a specific job site until the Contractor has left the job site. The total amount of hours will rounded off to the nearest ½ hour.

The Contractor shall not begin performing any additional work beyond the scope and requirements listed in the Assignment and Appendix A, without first obtaining written approval from the Department. In the event of additional work, the Contractor must present a written proposal to perform the additional work to the Department. The proposal should provide justification for the necessity of the additional work and estimated cost of parts, material and labor.

The Contractor's written proposal must provide a detailed description of the work to be performed broken down by task and subtask. The proposal should also contain details on the level of effort, including hours, labor categories, etc., necessary to complete the additional work. The contractor shall furnish all necessary tools, equipment, labor and materials for all services considered Additional Work.

Payment for replacement parts associated for Additional Work will be the actual documented cost (invoice cost from the manufacturer) plus an additional mark-up of 15%. The cost associated with the replacement part(s) shall not include installation. Installation cost will be paid for at the appropriate hourly labor rate bid price. Payment for the shipping and handling of replacement parts associated for Additional Work will be the actual documented cost (invoice cost from the manufacturer) with no mark-up allowed. Miscellaneous items and materials such as rags, gloves, cleaning chemicals shall not be billed separately, but shall be considered incidental to related items. The Department reserves the right to require the Contractor to obtain competitive quotes for parts, were applicable.

MaineDOT will determine which materials will be purchased by the Contractor and which will be purchased by MaineDOT.

The Contractor shall submit an itemized invoice to the Contract Administrator for services bi-weekly, or at the completion of the Assignment for approval and payment. The Department will pay for accepted Work based upon prices bid and complete and correct invoices.

Assigned work will be performed at the bid rates as stated in the "Schedule of Items". Any item not contained in this "Schedule of Items" will be decided and agreed upon between the MaineDOT and the Contractor in accordance with the terms of this Contract.

Subcontracts

Subcontracting must be in compliance with Standard Specifications. The Contractor shall perform at least 90% of the value of the Work with its own Work force.

The Contractor is responsible for assuring that its Subcontractors have sufficient skill and experience to perform the Work properly and for coordinating and managing its

Subcontractors to achieve the intent of the Contract. The Department, upon written notice to the Contractor, may require that the Contractor discharge any Subcontractor without cost or liability to the Department. All subcontracts of the Contractor, and all lower tier subcontracts, shall contain or reference all applicable provisions of the Contract. If requested by the Department, the Contractor shall provide the Department with copies of any subcontract or other document that establishes the relationship of the Contractor and any Subcontractors. Subcontractors shall provide signed, valid, and enforceable certificate(s) of insurance with each Subcontract that will comply with The State of Maine, Department of Transportation Standard Specifications under Section 110.3 Insurance including Workers' Compensation, Commercial General Liability and Automobile Liability.

Changes

The Department may increase or decrease Pay Item quantities from the estimated quantities shown in the Bid Documents, and such increase or decrease shall not be considered Extra Work. Except as expressly provided otherwise in this Contract, the Contractor shall be paid for actual Work authorized and performed at the Unit Prices contained in the Contractor's Bid. The Contractor accepts such payment as full and complete compensation.

<u>Default and Termination of Assignment</u> The Contractor is in Default of the Assignment if the Contractor:

- A. Fails to adhere to obligations of Appendix A; Contractor Requirements or Scope and Specifications of Work to be Performed.
- B. Fails to answer or reply to the Department within ½ hour of emergency notification of work.
- C. Fails to commence work or be onsite within 2 hours after accepting an emergency assignment.
- D. Fails to provide sufficient labor, Equipment, or Materials to assure the timely Completion of the Assignment.
- E. After work on assignment has commenced, fails to continuously work on assignment without Department approval.
- F. Performs Defective Work neglects or refuses to repair or correct Unacceptable Work when directed by the Department.
- G. Continues to perform Work after the Department directs that Work be stopped.

If Default and Termination of Assignment occurs, the Department may give written Notice of Default and Termination of Assignment to the Contractor. Failure to give Notice of Default is in no way a waiver by the Department of any provision of the Contract. In this event, the Department may award the Assignment to another Contractor for the Completion of the Work, or use such other methods as in the opinion of the

Department are required for the Completion of the intent of the Assignment in an acceptable and timely manner.

Upon receiving a 2^{nd} Default and Termination of Assignment, the Department may, in addition, consider this 2^{nd} notification as a Default and Termination of Contract 2^{nd} Incident written warning.

<u>Default and Termination of Contract</u> The Contractor is in Default of the Contract if the Contractor:

- A. Fails to provide labor, Equipment or Materials specified in the Assignment or Contract,
- B. Fails to perform the Work with sufficient labor, Equipment, or Materials to assure the timely Completion of the Assignment,
- C. Fails to perform Work when specified in the Assignment.
- D. Performs Defective Work neglects or refuses to repair or correct Unacceptable Work when directed by the Department;
- E. Becomes insolvent or is declared bankrupt or commits any act of bankruptcy or insolvency that could affect the Work in any way,
- F. Discontinues the Work without the Department approval,
- G. Continues to perform Work after the Department directs that Work be stopped,
- H. In any other manner, fails to perform the Work in Substantial Conformity with any material provision of the Contract.

Failure by the Contractor to perform the Work when required or to substantially meet other contractual requirements will result in the following actions:

- 1st Incident: If the Contractor does not take corrective action for a non-emergency Assignment within 2 days upon receipt of verbal warning, for an emergency Assignment within 2 hours after notification the Department will issue a written warning.
- 2nd Incident: The Department will issue a written warning.
- 3rd Incident: The Department may (A) give written Notice of Default to the Contractor and immediately terminate the Contract by written Notice of Termination, or (B) take prosecution of the Work away from the Contractor without violating the Contract (C) for if an emergency will count as 1st incident and no time to cure.

If Default occurs, the Department may give written Notice of Default to the Contractor. Failure to give Notice of Default is in no way a waiver by the Department of any provision of the Contract. In this event, the Department may enter into an Agreement with another entity for the Completion of the Work, or use such other methods as in the opinion of the Department are required for the Completion of the intent of the Assignment in an acceptable and timely manner. The Department will pay for all Accepted items of Work as of the date of Termination at agreed upon prices.

SPECIAL PROVISIONS ADDITIONS AND REVISIONS TO STANDARD SPECIFICATIONS

SPECIAL PROVISION SECTION 101 CONTRACT INTERPRETATION

101.2 Definitions Add the following:

<u>MaineDOT</u> The Department of Transportation of the State of Maine, as established by 23 MRSA §4205 et seq. for the administration of Highway, Bridge, and other public Works; acting through the Commissioner and his/her duly authorized representatives.

<u>101.2 Definitions Contract Completion Date</u> Delete the entire section and replace with the following:

"The required completion date of all Work pursuant to the Contract, except warranty work. The Contract Completion Date is usually on the Contract form."

<u>101.2 Definitions Contract Execution</u> Delete the entire section and replace with the following:

"Execution of the Contract by the Commissioner or their authorized agent by signing the Contract form which action, upon written notification to the Contractor, forms a Contract as provided in Section 103.8 - Execution of Contract by Department."

<u>101.2 Definitions Contractor</u> Delete the entire section and replace with the following:

"After the Department has executed the Contract by cosigning the Contract form provided in the Bid Documents, previously signed by the successful bidder, the Successful Bidder becomes the Contractor. The Contractor will be the single point of responsibility for all Contract obligations to the Department. The Contractor shall be an independent Contractor with respect to the Department and shall not be an employee, agent, or representative of the Department. Alternatively, "Contractor," with a lower case "c," may mean a firm engaged in construction Work.

SPECIAL PROVISION SECTION 102 BIDDING

<u>102.6 Bid Guaranty</u> Delete the entire section 102.6.

102.7.1 Location and Time Delete the entire section and replace with the following:

The Bidder must Deliver its Bid and Bid Guaranty in a sealed envelope to the exact location and before the precise time (as determined by the Department) specified in the Notice to Contractors or any applicable Bid Amendment. The sealed envelope must be labeled with the Bidder's name, the Project or Work location, WIN (if applicable) and/or Title, and the words "Bid Enclosed". As a minimum, the Bidder will submit a Bid Package consisting of the Notice to Contractors, the completed Acknowledgement of Bid Amendments form, the completed Schedule of Items, 2 copies of the completed Contract form, and any other Certifications or Bid Requirements listed in the Bid Book. For a related provision, see Section 102.11 - "Bid Responsiveness".

<u>102.11.2 Curable Bid Defects</u> A. Change "Contract Agreement Offer and Award forms" to Contract form.

SPECIAL PROVISION SECTION 103 AWARD AND CONTRACTING

103.5 Award Conditions Replace the first paragraph with the following:

The Apparent Successful Bidder must provide and/or perform all of the items listed in this Section 103.5 within 14 Days of Receipt of the Notice of Intent to Award. Unless indicated otherwise, all items must be Delivered to the Department's Bureau of Maintenance & Operations.

103.5.1 Performance and Payment Bonds Delete the entire section 103.5.1.

<u>103.5.4 Execution of Contract By Bidder</u> Delete the entire section and replace with the following:

"The properly completed and signed Contract form provided with the Bid constitutes the Bidder's offer. Once the Department has received the insurance and any other pre-award items required, the Department will sign and execute the Contract. The point of Contract execution is when the Contractor receives written notice that the contract has been signed by the Department and executed."

SPECIAL PROVISIONS FOR STATE FUNDED TRANSPORTATION RELATED MAINTENANCE WORK

- 1. **BENEFITS AND DEDUCTIONS** If the Contractor is an individual, the Contractor understands and agrees that he/she is an independent contractor for whom no Federal or State Income Tax will be deducted by the Department, and for whom no retirement benefits, survivor benefit insurance, group life insurance, vacation and sick leave, and similar benefits available to State employees will accrue. The Contractor further understands that annual information returns, as required by the Internal Revenue Code or State of Maine Income Tax Law, will be filed by the State Controller with the Internal Revenue Service and the State of Maine Bureau of Revenue Services, copies of which will be furnished to the Contractor for his/her Income Tax records.
- 2. <u>INDEPENDENT CAPACITY</u> In the performance of this Contract, the parties hereto agree that the Contractor, and any agents and employees of the Contractor shall act in the capacity of an independent contractor and not as officers or employees or agents of the State.
- 3. **DEPARTMENT'S REPRESENTATIVE** The Contract Administrator shall be the Department's representative during the period of this Contract. The Contract Administrator has authority to curtail Work if necessary to ensure proper execution of the Contract, to take actions needed to assure that the Contractor's Work conforms with the Contract, to decide questions regarding quality and acceptability of Work, to suspend Work, to reject Unacceptable or Unauthorized Work and to refuse to approve Progress and Final Payments until Unacceptable or Unauthorized Work is corrected. The Contract Administrator shall certify to the Department when payments under the Contract are due and the amounts to be paid. He/she shall make decisions on all claims of the Contractor. Unless authorized by the Contract Administrator, other Departmental employees are not authorized to alter or waive the provisions of the Contract or to issue instructions contrary to the Contract.

The Department has the authority to inspect all Materials and every detail of the Work. The Contractor shall provide the Department with safe access to all portions of the Work in Conformity with all applicable OSHA requirements. The Contractor shall furnish the Department with all information and assistance required to make a detailed inspection.

- 4. **CONTRACT ADMINISTRATOR** All progress reports, correspondence and related submissions from the Contractor shall be submitted to the Department's Project Manager who is designated as the Contract Administrator on behalf of the Department for this Contract, except where specified otherwise in this Contract.
- 5. <u>CHANGES IN THE WORK</u> The Department shall have the right to alter the nature and extent of the Work as provided in the Contract, the Contract Amount being adjusted accordingly. In no event shall Contractor fail or refuse to continue the performance of its obligations under this Contract because of the inability of the parties to agree on an adjustment or adjustments. Any changes to the Contract that affect scope, compensation, time, quality, or other Contract requirements shall be by written Contract Modification, signed by both parties.
- 6. **SUBCONTRACTS** The Contractor is responsible for assuring that its subcontractors have sufficient skill and experience to perform the pursuant to the Contract. The Contractor is responsible for subcontractors that it employs and for coordinating and managing its subcontractors. The Contractor agrees to indemnify, defend, and hold harmless MaineDOT from and against all claims and causes of action arising out of any act or omission of Contractor's subcontractors, their agents, representatives, and employees. The Contractor agrees to indemnify the MaineDOT and hold it harmless from any claims asserted by, against or on behalf of Contractor's subcontractors. Included in this release is the

Contractor's agreement to waive any claims against MaineDOT to recover losses allegedly suffered by a subcontrator. If Work under this Contract is performed pursuant to subcontracts, the Contractor's obligations are not diminished and the Contractor remains responsible for all Work under the Contract.

- 7. **SUBLETTING, ASSIGNMENT OR TRANSFER** The Contractor shall not sublet, sell, transfer, assign or otherwise dispose of this Contract or any portion thereof, or of its right, title or interest therein, without written request to and written consent of the Contract Administrator. No subcontracts or transfer of the Contract shall in any case release the Contractor of its liability under this Contract.
- 8. **EQUAL EMPLOYMENT OPPORTUNITY** During the performance of this Contract, the Contractor agrees as follows:
 - a. The Contractor shall not discriminate against any employee or applicant for employment relating to this Contract because of race, color, religious creed, sex, national origin, ancestry, age, physical or mental disability, or sexual orientation, unless related to a bona fide occupational qualification. The Contractor shall take affirmative action to ensure that applicants are employed and employees are treated during employment, without regard to their race, color, religion, sex, age, national origin, physical or mental disability, or sexual orientation.

Such action shall include but not be limited to the following: employment, upgrading, demotions, or transfers; recruitment or recruitment advertising; layoffs or terminations; rates of pay or other forms of compensation; and selection for training including apprenticeship. The Contractor agrees to post in conspicuous places available to employees and applicants for employment notices setting forth the provisions of this nondiscrimination clause.

- b. The Contractor shall, in all solicitations or advertising for employees placed by or on behalf of the Contractor relating to this Contract, state that all qualified applicants shall receive consideration for employment without regard to race, color, religious creed, sex, national origin, ancestry, age, physical or mental disability, or sexual orientation.
- c. The Contractor shall send to each labor union or representative of the workers with which it has a collective bargaining Contract, or other Contract or understanding, whereby it is furnished with labor for the performance of this Contract a notice to be provided by the contracting agency, advising the said labor union or workers' representative of the Contractor's commitment under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- d. The Contractor shall inform the contracting Department's Equal Employment Opportunity Coordinator of any discrimination complaints brought to an external regulatory body (Maine Human Rights Commission, EEOC, Office of Civil Rights) against their agency by any individual as well as any lawsuit regarding alleged discriminatory practice.
- e. The Contractor shall comply with all aspects of the Americans with Disabilities Act (ADA) in employment and in the provision of Work to include accessibility and reasonable accommodations for employees and clients.
- f. Contractors and subcontractors with contracts in excess of \$50,000 shall also pursue in good faith affirmative action programs.

- g. The Contractor shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this Contract so that such provisions shall be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.
- 9. EMPLOYMENT AND PERSONNEL The Contractor shall not engage any person in the employ of any State Department or Agency in a position that would constitute a violation of 5 MRSA § 18 or 17 MRSA § 3104. The Contractor shall not engage on a full-time, part-time or other basis pursuant to this Contract any personnel who are or have been at any time during the period of this Contract in the employ of the State of Maine, except regularly retired employees, without the written consent of the Department. Further, the Contractor shall not engage on this project on a full-time, part-time or other basis during the period of this Contract any retired employee of MaineDOT who has not been retired for at least one year without the written consent. The Contractor shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this Contract so that such provisions shall be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.
- 10. STATE EMPLOYEES NOT TO BENEFIT No individual employed by the State of Maine at the time this Contract is executed or any time thereafter shall be admitted to any share or part of this Contract or to any benefit that might arise therefrom directly or indirectly that would constitute a violation of 5 MRSA § 18 or 17 MRSA § 3104. No other individual employed by the State at the time this Contract is executed or at any time thereafter shall be admitted to any share or part of this Contract or to any benefit that might arise therefrom directly or indirectly due to his employment by or financial interest in the Contractor or any affiliate of the Contractor, without the written consent of the Department. The Contractor shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this Contract so that such provisions shall be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.
- 11. WARRANTY OF NO COLLUSION The Contractor hereby certifies that it did not, directly or indirectly, enter into any agreement, participate in any collusion or otherwise take any action in restraint of competitive bidding in connection with this Contract. For breach or violation of this warranty, MaineDOT shall have the right to annul this Contract without liability. Further, MaineDOT shall have the right to recover the full amount of such fee, commission, gift, or the value of consideration that may have been transferred by the Contractor in violation of this clause.
- 12. <u>RECORDS</u>; <u>ACCESS</u> The Contractor and its subcontractors shall maintain all books, documents, payrolls, papers, accounting records and information of any type on any medium ("Project Records") that pertain to this Contract for such period as specified under Maine Uniform Accounting and Auditing Practices for Community Agencies (MAAP) rules. Upon request by MaineDOT, the Contractor and its subcontractors shall make Work Records available for inspection and must provide MaineDOT with copies at all reasonable times without cost or liability to MaineDOT.
- 13. <u>TERMINATION AND FAILURE TO PERFORM</u> The Department may terminate this Contract with or without cause upon 7 days written notice. Termination of the contract shall not relieve the Contractor of its contractual responsibilities for the work completed prior to termination (including warranty obligations), nor shall it relieve the Surety of its obligation for claims arising from the Work or the Contract. The Department will pay for all accepted items of Work completed prior to the date of Termination at agreed upon prices.

If for any reason the Contractor is unable to complete the work in an acceptable manner the Department may give written Notice of Default to the Contractor, which will outline the required remedies. Any delay by the Department in providing a written Notice of Default shall in no way constitute a waiver by

the Department of any provision of the Contract. If the Department determines the default is not curable, the notice of default shall also include the date of termination. Termination of the Contract or portion thereof shall not relieve the Contractor of its Contractual responsibilities for the Work completed.

In addition the Department may enter into an Agreement with another entity for the Completion of the Work, or use such other methods as in the opinion of the Department are required for the Completion of the intent of the Contract in an acceptable and timely manner.

- 14. **GOVERNMENTAL REQUIREMENTS** The Contractor warrants and represents that it will comply with all governmental ordinances, laws and regulations including all applicable laws and regulations of OSHA.
- 15. **GOVERNING LAW** This Contract shall be governed in all respects by the laws, statutes, and regulations of the United States of America and of the State of Maine. Any legal proceeding against the State regarding this Contract shall be brought in State of Maine administrative or judicial forums. The Contractor consents to personal jurisdiction in the State of Maine.
- If, in the performance of this Agreement, there arises a dispute between the Contractor and MaineDOT that cannot be resolved by the parties to the Contract, the parties may agree to submit the dispute to non-binding Alternate Dispute Resolution. All disputes shall be governed by Maine law, and all actions shall be filed in the Kennebec Superior Court, in Augusta Maine.
- 16. **STATE HELD HARMLESS** The Contractor agrees to indemnify, defend and hold harmless the State, its officers, agents and employees from any and all claims, costs, expenses, injuries, liabilities, losses and damages of every kind and description (hereinafter in this paragraph referred to as "claims") resulting from or arising out of the performance of this Contract by the Contractor, its employees, agents or subcontractors. Claims to which this indemnification applies include, but are not limited to, the following: (i) claims suffered or incurred by any Contractor, subcontractor, materialman, laborer and any other person, firm, corporation or other legal entity providing work, services, materials, equipment or supplies in connection with the performance of this Contract; (ii) claims arising out of a violation or infringement of any proprietary right, copyright, trademark, right of privacy or other right arising out of publication, translation, development, reproduction, delivery, use, or disposition of any data, information or other matter furnished or used in connection with this Contract; (iii) Claims arising out of a libelous or other unlawful matter used or developed in connection with this Contract; (iv) claims suffered or incurred by any person who may be otherwise injured or damaged in the performance of this Contract; and (v) all legal costs and other expenses of defense against any asserted claims to which this indemnification applies. This indemnification does not extend to a claim that results solely and directly from (i) the Department's negligence or unlawful act, or (ii) action by the Contractor taken in reasonable reliance upon an instruction or direction given by an authorized person acting on behalf of the Department in accordance with this Contract.

The Department's employees and other representatives act solely as representatives of the Department when conducting and exercising authority granted to them under the Contract. Such persons have no liability either personally or as Department employees.

17. **NOTICE OF CLAIMS** The Contractor shall give the Contract Administrator immediate notice in writing of any legal action or suit filed related in any way to the Contract or which may affect the performance of duties under the Contract, and prompt notice of any claim made against the Contractor by any subcontractor which may result in litigation related in any way to the Contract or which may affect the performance of duties under the Contract.

18. <u>INSURANCE</u> The Contractor shall provide signed, valid, and enforceable certificate(s) of insurance complying with this Section. All insurance must be procured from insurance companies licensed or approved to do business in the State of Maine by the State of Maine, Bureau of Insurance. The Contractor shall pay all premiums and take all other actions necessary to keep required insurances in effect for the duration of the Contract obligations, excluding warranty obligations.

<u>Workers' Compensation</u> For all Work performed by the Contractor and any subcontractor, the Contractor and each subcontractor shall carry Workers' Compensation Insurance or shall qualify as a self-insurer with the State of Maine Workers' Compensation Board in accordance with the requirements of the laws of the State of Maine. If maritime exposures exist, coverage shall include United States Long Shore and Harbor Workers coverage.

Commercial General Liability With respect to all Work performed by the Contractor and any subcontractors, the Contractor and any subcontractors shall carry commercial general liability insurance in an amount not less than \$400,000.00 per occurrence and \$2,000,000.00 in the Aggregate. The coverage must include products, completed operations, and Contractual liability coverages. The Contractual liability insurance shall cover the Contractor's obligations to indemnify the Department as provided in this Contract. The coverage shall also include protection against damage claims due to use of explosives, collapse, and underground coverage if the Work involves such exposures. The Department shall be named as additional insured on the Commercial General Liability insurance policies carried by the Contractor that are applicable to the Work.

<u>Automobile Liability</u> The Contractor shall carry Automobile Liability Insurance covering the operation of all motor vehicles including any that are rented, leased, borrowed, or otherwise used in connection with the Project. The minimum limit of liability under this Section shall be \$400,000.00 per occurrence.

<u>Claims.</u> Each insurance policy shall include a provision requiring the insurer to investigate and defend all named insured's against any and all claims for death, bodily injury or property damage, even if groundless.

- 19. **SEVERABILITY** The invalidity or unenforceability of any particular provision or part thereof of this Contract shall not affect the remainder of said provision or any other provisions, and this Contract shall be construed in all respects as if such invalid or unenforceable provision or part thereof had been omitted.
- 20. <u>INTEGRATION</u> All terms of this Contract are to be interpreted in such a way as to be consistent at all times. If the Contractor discovers any ambiguity, error, omission, conflict, or discrepancy related to the Contract, the Contractor must notify MaineDOT of the ambiguity or waive claims resulting from any such ambiguity. In the case of ambiguity the following components of the Contract shall control in the following descending order of priority:

Contract Agreement, Transportation Related Maintenance Work

Bid Amendments (most recent to least recent)

Appendix A – Special Provision Specifications of Work to be Performed or Request for Proposals

Appendix B – Special Provisions for State Funded Transportation Related Maintenance Work

Appendix C – Special Provisions

The Department's Notice to Contractors and any amendments

State of Maine, Department of Transportation, Standard Specifications, November 2014 as updated through advertisement, Sections 101, 102, 103 and 111.

- 21. **FORCE MAJEURE** The Department may, at its discretion, excuse the performance of an obligation by a party under this Contract in the event that performance of that obligation by that party is prevented by an act of God, act of war, riot, fire, explosion, flood or other catastrophe, sabotage, severe shortage of fuel, power or raw materials, change in law, court order, national defense requirement, or strike or labor dispute, provided that any such event and the delay caused thereby is beyond the control of, and could not reasonably be avoided by, that party. The Department may, at its discretion, extend the time period for performance of the obligation excused under this section by the period of the excused delay together with a reasonable period to reinstate compliance with the terms of this Contract.
- 22. **FURNISHING OF OTHER PROPERTY RIGHTS, LICENSES AND PERMITS** The Contractor shall acquire, at its sole expense, all property rights outside the Project Limits needed for construction staging, yarding, construction, waste disposal, or other Project-related purpose. The Contractor shall also acquire, at its sole expense, all licenses, Permits and other permissions that are necessary or appropriate to perform the Work that are not furnished by the Department.
- 23. <u>ALLOWABLE WORK TIMES</u> Work can be performed at any time except Saturdays, Sundays, Holidays and state government closure days, unless expressly specified otherwise in this Contract. Holidays are defined as New Year's Day, Martin Luther King Day, President's Day, Patriot's Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, the Friday after Thanksgiving Day, and Christmas Day. If a Holiday occurs on a Sunday, the following Monday shall be considered a Holiday. If a Holiday occurs on a Saturday, the preceding Friday shall be considered a Holiday. Saturday, Sunday or Holiday work must be approved by the Department. The Contractor is solely responsible for the planning and execution of Work in order to complete the Work within the Contract Time.
- 24. **SET-OFF RIGHTS** MaineDOT shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, MaineDOT's right to withhold and take possession of monies due to the Contractor under this Contract up to any amounts the Contractor owes to the State of Maine pursuant to this Contract or any other contract, including any contract for a term commencing prior to the term of this Contract, plus any amounts that Contractor owes the State of Maine for any reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. MaineDOT shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Controller.
- 25. **WORKERS AND EQUIPMENT** _ The Contractor shall at all times provide all Superintendents, forepersons, laborers, inspectors, Subcontractors, subconsultants, Equipment, Materials, and Incidentals as needed to perform the Work in Conformance within the Contract Time. The Contractor shall provide all safeguards, safety devices, and protective Equipment and take all other action that is necessary to continuously and effectively protect the safety and health of all persons from hazards related to the Work.

Any person employed by the Contractor or by any Subcontractor or any officer or representative or agent of the Subcontractor, who, in the opinion of the Contract Administrator, is intemperate or disorderly, shall be removed immediately by the Contractor or Subcontractor employing such person. The employee shall not be employed again in any portion of the Work without prior approval from the Contract Administrator. Should the Contractor fail to remove such person or persons as required above or fail to furnish suitable and sufficient personnel for the proper prosecution of the Work, the Contract Administrator may suspend the Work by written notice until such orders are complied with.

All persons employed by or through the Contractor, except for registered trainees, shall have sufficient skill and experience to perform the Work properly. The Department may require that the Contractor discharge any such person who the Department determines jeopardizes safety of any person or the Project without cost or liability to the Department. If the Department determines that such person's performance jeopardizes the intent of the Contract otherwise, the Department may, but is not required, to notify the Contractor of such a determination. Such notice, or lack thereof, does not affect the Contractor's duties regarding Workers. Upon Receipt of such notice, the Contractor shall take any action it determines necessary to fulfill its obligations under the Contract.

26. ENVIRONMENTAL REQUIREMENTS

<u>Temporary Soil Erosion and Water Pollution Control</u> If the Work involves excavation or placement of soil, the Contractor shall stabilize the area on a daily basis and comply with all applicable federal, state, and local laws, rules, regulations, permit requirements and conditions.

<u>Hazardous Materials</u> If the Contractor encounters any condition that indicates the presence of uncontrolled petroleum or hazardous Materials, the Contractor shall immediately stop Work, notify the Department, treat any such conditions with extreme caution, and secure the area of potential hazard to minimize health risks to Workers and the public, and to prevent additional releases of contaminants into the environment. Such conditions include the presence of barrels, tanks, unexpected odors, discoloration of soil or water, an oily sheen on soil or water, excessively hot earth, smoke, or any other condition indicating uncontrolled petroleum or hazardous Materials. The Contractor shall continue Work in other areas of the Project unless otherwise directed by the Department. The Contractor shall comply with all federal, State, and local laws concerning the handling, storage, treatment, and disposal of uncontrolled petroleum or hazardous Material.

<u>Waste Materials</u> All waste materials shall be disposed of in accordance with all federal, State, and local laws.

<u>Environmental Non-compliance - Remedies and Costs</u> The Contractor shall be in non-compliance if it, or Subcontractors at any tier, fail to comply with the terms of this Contract or any applicable environmental or land use law or regulation including Project specific permit conditions.

If the Contractor is in non-compliance, the Department may, at its discretion:

- A. Withhold all Progress Payments, or any portion thereof, during the period the Contractor is in non-compliance;
- B. Remedy such non-compliance using State forces or another Contractor and deduct all costs incurred by the Department from Progress Payments. Such costs include direct costs, Project Engineering costs, and Contractor costs from amounts otherwise due the Contractor, and/or
- C. Suspend the Work for cause and without cost or liability to the Department. Said suspension shall continue until the Contractor has addressed all non-compliance issues as directed by the Department.

The Contractor shall be responsible for any fines and penalties assessed by environmental or land use regulatory agencies due to such non-compliance. Such penalties may be withheld from amounts otherwise due the Contractor.

27. **QUALITY AND STANDARDS** Materials and manufactured products incorporated into the work shall be new unless otherwise specified, free from defect, and in conformity with the contract. When material is fabricated or treated with another material or where any combination of materials is assembled to form a finished product, any or all of which are covered by specifications, the Department may reject the finished product if any of the components do not comply with the specifications. The Department may reject materials not conforming to the Specifications at any time, and the Contractor shall remove them immediately from the project site unless otherwise instructed by the Department. The Contractor shall not store or use rejected materials on any Department project.

If there is no applicable standard set forth in this contract for particular Work, then the Contractor shall perform that Work in accordance with industry standards prevailing at the time of bid. If the Department determines that Work is non-conforming, the Contractor shall remove, replace, or otherwise correct all unacceptable work as directed by the Department at the expense of the Contractor, without cost or liability to the Department.

28. <u>WARRANTY PROVISIONS</u> The Contractor unconditionally warrants and guarantees that the Work will be free from warranty defects for one year or as otherwise specified in this Contract. If the Department discovers any warranty defects during the warranty period, the Contractor agrees to perform all remedial work, at no additional cost or liability to the Department. Remedial Work will be completed within two weeks unless a more immediate response is required for safety or convenience, as determined by the Department.

The Contractor hereby assigns to the Department the right to enforce all manufacturer's warranties or guarantees on all materials, equipment or products purchased for the work that exceed the nature or duration of the warranty obligations assumed by the Contractor under this Contract.

The Contractor agrees that the warranty obligations provided by this Contract shall be reported as an outstanding obligation in the event of bankruptcy, dissolution, or the sale, merger, or cessation of operations of the Contractor.

29. **PAYMENT** The Contractor shall submit an itemized invoice to the Department for Work monthly, at the completion of the Work or as otherwise noted in the Contract documents for approval and payment. At a minimum, invoices shall include the following information:

Contractor name, address & Contract Number
Invoice Date & Number
Dates of Work
Description and Location of Work
Ouantities at the Prices contained in the Contractor's Bid

The Department will approve complete and correct invoices for accepted Work invoiced at bid prices. Payments to the Contractor shall be full compensation for furnishing all labor, equipment, materials, services, and incidentals used to perform all Work under the Contract in a complete and acceptable manner, and for all risk, loss, damage, or expense of any kind arising from the nature or execution of the Work. The Contractor shall pay all taxes, charges, fees, and allowances. Except as expressly provided otherwise in this Contract, all such taxes, charges, fees, and allowances are Incidental to the Contract. Most items are exempt from Maine sales tax. The Contractor shall Bid in accordance with the Maine statutory exemption from sales tax. The Department may require that the Contractor submit backup documentation including copies of receipts, invoices, and itemized payments to Subcontractors. The Acceptance by the Contractor of the final payment, as evidenced by cashing of the final payment check, constitutes a release to the Department from all claims and liability under the Contract.

The Department may withhold payments claimed by the Contractor on account of:

- A. Incomplete, Inaccurate or Incorrect Invoices,
- B. Defective Work or non-conforming Work,
- C. Damages for Non-conforming, Defective or Unauthorized Work or Equipment,
- D. Damage to a third party,
- E. Claims filed or reasonable evidence indicating probable filing of claims,
- F. Failure of the Contractor to make payments to Subcontractors or for Materials or labor,
- G. Regulatory non-compliance or enforcement,
- H. Failure to submit Documentation
- I. All other causes that the Department reasonably determines negatively affect the State's interest.
- 30. **RESPONSIBILITY FOR DAMAGE TO WORK** Except for damage to Project caused by Uncontrollable Events, the Contractor shall bear all risk of loss relating to the Work until Final Acceptance, regardless of cause, including completed Work, temporary Structures, and all other items or Materials not yet incorporated into the Work.

The Contractor shall, at its sole expense, rebuild, repair, restore, or replace such damaged Work or otherwise make good any losses that arise from such damage ("rebuilding, etc."). If the Contractor fails to Promptly commence and continue such rebuilding, etc., the Department may, upon 48 hours advance written notice, commence rebuilding, etc. of the damaged property without liability to the Department with its own forces or with Contracted forces and all costs will be deducted from amounts otherwise due the Contractor.

31. **RESPONSIBILITY FOR PROPERTY OF OTHERS** The Contractor shall not enter private property outside the Project Limits without first obtaining permission from the Owners.

The Contractor shall be responsible for all damage to public or private property of any kind resulting from any act, omission, neglect, or misconduct of the Contractor until Final Acceptance. The preceding sentence includes damage to vehicles passing through the Work area.

The Contractor shall, at its sole expense, rebuild, repair, restore, or replace such damaged property or otherwise make any good losses that arise from such damage ("rebuilding, etc."). If the Contractor fails to commence and continue such rebuilding, etc. in a timely manner, the Department may, upon 48 hours advance written notice, commence rebuilding, etc. of the damaged property without liability to the Department with its own forces or with Contracted forces, and all costs will be deducted from amounts otherwise due the Contractor.

32. **NOTICE REQUIRED** When the Contractor becomes aware of facts or circumstances that may cause the Contractor to seek additional compensation, time, or any other change in Contract requirements ("Issue"), then the Contractor shall notify the Contract Administrator within 48 hours and before commencing any part of the Work relating to the Issue. The notice must describe the basic nature and extent of the Issue.

The written notice or confirmation will be known as a "Notice of Issue for Consideration". The Contractor will not be entitled to any additional compensation, time, or any other change to Contract requirements without a timely Notice of Issue for Consideration.

33. **ENTIRE CONTRACT** This document contains the entire Contract of the parties, and neither party shall be bound by any statement or representation not contained herein. No waiver shall be deemed to have been made by any of the parties unless expressed in writing and signed by the waiving party. The parties expressly agree that they shall not assert in any action relating to the Contract that any implied waiver occurred between the parties which is not expressed in writing. The failure of any

party to insist in any one or more instances upon strict performance of any of the terms or provisions of the Contract, or to exercise an option or election under the Contract, shall not be construed as a waiver or relinquishment for the future of such terms, provisions, option or election, but the same shall continue in full force and effect, and no waiver by any party of any one or more of its rights or remedies under the Contract shall be deemed to be a waiver of any prior or subsequent rights or remedy under the Contract or at law.
