

2021 "VIRTUAL" WORK ZONE TRAFFIC CONTROL

Your Instructor:
Peter Coughlan, P.E. –
Director, Maine Local Road
Center

Peter has trained thousands of municipal, State, utility, and private personnel and served as the primary trainer for work zone trainings since 1993. His classes are famous for his hands-on and interactive approach to the practical, legal, and common-sense aspects of work zone traffic control in Maine. His passion for keeping classes interactive and engaging continues today and we will be implementing a number of tools and strategies to maintain this even in our virtual class.

Make sure you don't miss Peter's interactive class making use of group work, scenario-based learning, and virtual practice!
