## FAQs

**Can I use my Tariff 8 tickets?** Yes. Tariff 8 tickets will be honored until September 30, 2020. Regardless of the original purchase price or value of the ticket (or one-half of a ticket) in Tariff No. 8, there will be no cash or additional upgrade value for any portion of a ticket, and no refunds will be issued.

**Can I use the vouchers I had from Tariff 7?** No. Tickets (vouchers) sold prior to the Effective Date of Tariff 8 (May 21, 2018) expire as of the effective date of Tariff 9 on October 1, 2019.

**I have already made a reservation for the next 30 days. Is this impacted by the new Tariff?** No. 30 day-out reservations currently made, will be honored. Regardless of the original purchase price or value of the Reservation in Tariff No. 8, there will be no cash or additional upgrade value for any portion of a ticket, and no refunds will be issued.

**Where can I use my ferry tickets?** Tickets are available at all mainland and island terminals as round-trip only and are origin/destination based for Islesboro and Matinicus. Tickets for Swans's Island, Frenchboro, North Haven and Vinalhaven are not origin/destination based, meaning both portions of a round-trip ticket may be used in any combination to take 2 one-way rides between Bass Harbor and Swan's Island, Bass Harbor and Frenchboro, Rockland and North Haven or Rockland and Vinalhaven.

**When is Peak Season and Off-Peak Season?** Off Peak season is October 1 to May 31. Off-Peak rates are lower than Peak Season (June 1 to September 30) rates.

**Can I use Peak Season tickets in the Off-Peak and vice-versa?** Yes. A Peak season ticket may be used during the Off-Peak season though no refund for the difference will be issued. An Off-Peak season ticket may be used during the Peak season by purchasing an additional Off-Peak Upgrade Ticket for the difference.

**What is a Commuter Pass?** Five commuter tickets may be purchased for the price of 4 regular tickets. Commuter tickets are non-transferable, may be used for no more than one round trip per day, and expire if not used within 7 days after the first of the 5 commuter tickets is used.

**Is a passenger ticket included in the vehicle/motorcycle/truck/bicycle fare?** A passenger ticket is included in the fare for a vehicle, motorcycle and bicycle ticket. A passenger ticket is not included in the fare for a truck and must be purchased separately.
