ITEM NUMBER 1: Fares, Rates, and Charges

Fares, rates and charges apply only for the transportation of individual passengers and their hand baggage (as defined in Item 17), vehicles under their own power, vehicles not under their own power but under tow of a vehicle under its own power and bicycles.

Property loose, or not in a vehicle, or baggage in excess of hand baggage, will not be accepted for transportation except as otherwise specifically provided.

Tickets sold by the Maine State Ferry Service under this Tariff No. 10 (other than commuter tickets) do not have an expiration date. No refunds will be granted.

A “peak season” ticket (June 1 – September 30) may be used during the “off-peak season” (October 1 – May 31) though no refund for the difference will be issued. An “off-peak season” ticket may be used during the “peak season” by purchasing an additional off-peak upgrade ticket for the difference.

Expiration, Exchange or Upgrade of Tickets Purchased at Previous Tariff Rates:

- A. Tickets sold prior to the Effective Date of Tariff 9 (January 9, 2020) expire as of the effective date of Tariff 10 on August 1, 2024. There will be a two week transition period whereas Tariff 9 tickets will be honored and accepted for use without the need to upgrade until August 15, 2024. If you have a reservation or plan to travel after August 15, 2024, go into the terminal prior to your travel day to upgrade your ticket to speed up the process.
- B. Tickets sold under Tariff 9 (from October 1, 2019 – July 31, 2024) may be used with the purchase of an additional upgrade ticket for the difference.
 - 1) Regardless of the original purchase price or value of a round-trip ticket (or one-half of a ticket) in Tariff No. 9, there will be no cash or additional upgrade value for any portion of a ticket, and no refunds will be issued.

Fares, Rates and Charges are stated in dollars and cents, United States currency.

ITEM NUMBER 2: Definition of Carrier

When the term “Carrier” is used in this tariff, it refers to the Maine State Ferry Service.

ITEM NUMBER 3: Terms and Conditions

Transportation furnished on any tickets sold or honored by the carrier will be subject to the terms and conditions as set forth herein unless otherwise specifically provided on such tickets.

ITEM NUMBER 4: Change of Schedules without Notice and Substitution of Vessels

Carrier reserves the right to deviate from or to cancel sailing schedules without notice when in its opinion scheduled operation is impractical or unsafe because of circumstances or conditions beyond its control. Carrier also reserves the right to substitute one vessel for another over any of the routes operated. If any of the above events occur, carrier assumes no liability for loss, damage or expense to patrons that may result therein.

ITEM NUMBER 5: Landing of Passengers and/or Vehicles

When in the Captain’s opinion, safe landing cannot be made upon arrival of the vessel at a designated port of destination, passengers and/or vehicles may be landed at another port at which safe landing can be made.

Passengers and/or vehicles shall be deemed landed:

- A. Upon arrival of vessel at port of designated destination.
- B. When landed at any other port because of act of nature, misfortune to vessel, facility, captain, crew, and/or passengers.
- C. When voyage is abandoned for any cause and vessel returns to port of embarkation.

If, through an act of nature or other misfortune to vessel, facility, captain, crew, and/or passengers, carrier’s vessel fails to complete its voyage, neither the captain of the vessel nor the carrier shall be under any obligation to forward passengers or vehicles to the original destination. If voyage is not completed, complimentary tickets will be issued for all passengers and vehicles for a future voyage.

ITEM NUMBER 6: Height, Width, Length and Weight Limitations

The following height, width, length and weight limitations apply on vessels and ramps:

VESSEL LIMITATIONS

	<u>Height</u>	<u>Width</u>	<u>Length</u>	<u>Centerline or Deck Weight</u>
M/V Margaret Chase Smith	15 ft.	10 ft	60 ft	161 tons deck
M/V Captain Henry Lee	14 ft	10½ ft	60 ft	112 tons deck
M/V Captain Neal Burgess	14 ft	10½ ft	60 ft	112 tons deck
M/V Captain Charles Philbrook	14 ft	10½ ft	60 ft	112 tons deck
M/V Everett Libby	13 ft	9 ft	60 ft	38 tons deck (no truck in excess of 30 tons)
M/V E. Frank Thompson	15½ft	9½ ft	60 ft	131 tons deck
M/V Richard Spear	16 ft	10 ft	60 ft	145 tons deck
M/V Charles Norman Shay	13ft	10 ft	60 ft	38 tons deck (no truck in excess of 30 tons)

NOTE: Owners of vehicles exceeding the above limits should contact the appropriate terminal at least 72 hours in advance to make the necessary arrangements for transportation, if transporting the vehicle is deemed reasonable by the Maine State Ferry Service.

RAMP LIMITATIONS

Maine State Ferry Service ramps have a maximum height of 15 feet. Load and axle weights are limited to those legally allowed in the State of Maine.

*Note: Tons are referred to short tons or 2,000 lbs.

ITEM NUMBER 7: Medical or Surgical Treatment

Carrier shall neither be obligated to furnish nor be liable for care or maintenance of passengers or other persons while on its terminal property or vessels.

Carrier shall not be liable for the quality, nature or consequence of any medical or surgical treatment that may be administered to passengers on its terminal property or vessels.

ITEM NUMBER 8: Liability

The provisions of the Maine Tort Claims Act, 14 M.R.S.A. §8101 *et seq.*, are specifically not waived by any of the following language. If the provisions of the Maine Tort Claims Act are found not to apply, unless it is shown that carrier's wrongful act or negligence, both or either, was the sole proximate cause of any injury, loss or damage, carrier shall not be liable for any injury, loss or damage that may result from an act of Nature, public enemy, restraint of rulers, quarantine, perils of the sea or other waters, latent defects in hull, boilers, propellers, piping, shafting or machinery; or for injury, loss or damage that may result from collision, stranding, fire, sanitary regulation or operation, explosion, accident to or breakdown of machinery or any propelling appliances, accident, navigation; or for any personal injury to passenger; or loss or damage to passengers' baggage or other property. Carrier will not assume any responsibility or liability for articles left on board its vessels or at its terminals by passengers; or for articles left in vehicles while in transit or at terminals. Carrier will not assume any responsibility or liability for vehicles or their contents while at terminals.

Under no circumstances will the carrier be liable for theft from the person or baggage of a passenger or pilferage or theft from any vehicle on carrier's vessels or terminals.

ITEM NUMBER 9: Claim for Loss or Damage to Persons or Property

The provisions of the Maine Tort Claims Act, 14 M.R.S.A. §8101 *et seq.*, are specifically not waived by any of the following language. If the provisions of the Maine Tort Claims Act are found not to apply, all claims for loss of, damage to, or injury to person and/or property and for mis-delivery, short delivery or delay in delivery must be presented in writing within 10 days after such loss, or damage or injury occurs, disclosing fully the nature and extent of such loss, damage or injury, to the Manager of the Maine State Ferry Service in Rockland, Maine. Unless presented as provided above, all claims of whatsoever nature and extent shall be waived, and no suit shall be maintainable to recover the same. No suit shall in any event be maintainable against the carrier to recover such loss, damage or injury unless instituted within six months after giving written notice as herein provided. All claims for delay of shipment shall be waived and no suit be maintained, unless instituted within six months after the day of arrival of the vessel at port of discharge named herein or, in case of its non-arrival, within six months after the day of its scheduled arrival at said port. In case of any loss and/or damage for which the carrier shall be liable, the carrier shall, to the extent of such liability, have the full benefit of any insurance that may have been affected by the owner upon the goods lost or damaged, notwithstanding any underwriter is not obligated to make such payment.

ITEM NUMBER 10: Right to Refuse Passage

Carrier reserves the right to:

- A. Limit the passengers and/or cargo to be carried on any trip.
- B. Refuse to transport a person who is apparently under the influence of intoxicating liquor or drugs. This does not apply to persons who are ill and accompanied by an attendant or nurse.
- C. Refuse to transport a person whose conduct may be objectionable or dangerous to other passengers, him or herself, or the vessel, Captain or crew.
- D. Refuse to transport a person who refuses to abide by the carrier's rules and regulations and/or those of the United States Coast Guard. For the purposes of this rule, being on the Carrier's property and/or in vehicle queue shall be considered intent to transport.
- E. Refuse to transport unsafe vehicles or vehicles that are too long or too low to transverse ramps and/or vessel without causing difficulties.
- F. Refuse to transport firearms/weapons including rifles, shotguns handguns, bows, crossbows etc. except under the following conditions:
 - 1. Firearms/weapons must be unloaded with their clips/ammunition removed.
 - 2. Firearms/weapons must be in carrying case (hard or soft cover).
 - 3. Firearms/weapons will not be displayed or handled while being transported.

*This rule shall not apply to on duty law enforcement officers.
- G. Refuse to transport motorists who are inattentive during vehicle loading/unloading due to cell phone use, texting, etc.

**The carrier shall not be liable for failure to transport under all of the above circumstances.

ITEM NUMBER 11: Refusal to Transport Vehicles Containing Dangerous or Objectionable Cargo

Carrier reserves the right to inspect and to refuse any and all articles loaded in or on vehicles or vehicles that in carrier's opinion will jeopardize the safe operation of the vessel, or that carrier is not equipped to handle. Carrier also reserves the right to refuse to transport vehicles containing offensive or ill-smelling cargo and liquid, semi-liquid or other commodities not in tightly enclosed containers or tanks, precluding possibility of escaping odors or leakage from such vehicles. Carrier will not transport dangerous articles prohibited by law or the United States Coast Guard.

Caterpillar type or other such heavy equipment (except on rubber tired wheels) will not be accepted for transportation unless loaded on truck or trailer in tow of vehicle under its own power.

ITEM NUMBER 12: Priority Transportation and Reserved Spaces**Priority Transportation:**

The following vehicles/equipment, and others when so designated by the Maine State Ferry Service, when being operated under emergency conditions and when returning from such emergencies will be provided priority transportation on scheduled trips ahead of all other vehicles. Vehicles and equipment are subject to appropriate tariff charges.

Fire Fighting Vehicles/Equipment
Law Enforcement Vehicles
Rescue Vehicles/Equipment
Ambulances
Hearses
Postal Service Vehicles

Utility Repair Vehicles
DOT Emergency Repair Vehicles

RESERVATIONS REQUESTED LESS THAN ONE MONTH IN ADVANCE: Requests for reserved spaces with less than a one month notice will be sold based on availability.

ITEM NUMBER 12: Priority Transportation and Reserved Spaces (cont.)

RESERVATIONS REQUESTED ONE MONTH IN ADVANCE: Reservations to transport vehicles and trucks may be requested up to one month in advance of travel date. However, requests must be received at least two hours before scheduled departure.

When two consecutive months have an unequal number of days, reservations will be granted as follows:

Reservations for March 29 through March 31 may be purchased on the last day of February.

Reservations for May 31 may be purchased on April 30.

Reservations for July 31 may be purchased on June 30.

Reservations for October 31 may be purchased on September 30.

Reservations for December 31 may be purchased on November 30.

Return reservations may be made at the same time as long as the return travel date is within one month of the date the reservation is made and the appropriate tickets purchased.

Requests for reserved space will not be accepted prior to the opening to the public of both the mainland and island terminal from which the travel will take place. Upon opening of the terminals to the public, reservations will be granted as follows:

A. First Priority: Walk-in reservations will be accepted on a first come first served basis.

B. Second Priority: Requests for reservations received via phone (charge customer with no outstanding balance over 60 days or credit card) will be processed starting at 9:30 a.m. daily.

ITEM NUMBER 12: Priority Transportation and Reserved Spaces (cont.)

Space will be reserved on each trip according to the vessel in operation at the time on the route served as follows:

<u>Vessel</u>	<u>Autos</u>	<u>Trucks</u>
M/V Margaret Chase Smith	4	2
M/V Captain Henry Lee	4	2
M/V Captain Neal Burgess	4	1
M/V Captain Charles Philbrook	4	2
M/V Everett Libby	4	1
M/V Richard Spear	4	2
M/V Captain E. Frank Thompson	4	2
M/V Charles Norman Shay	4	1

VEHICLE RESERVATION FEES:

Islesboro: \$24.00 One Way

Swans Island, Frenchboro, North Haven, Vinalhaven: \$15.00 One Way

Matinicus: \$108.00 includes Round Trip Vehicle and driver

The fare for transporting the vehicle must be paid in full at or before the time the reservation is paid. (Exception: Those requesting a reservation to or from Matinicus have up to 7 consecutive days to pay for their transportation charges).

If the Maine State Ferry Service cancels a scheduled trip for any reason, reservations on the canceled trip will hold priority on any subsequent scheduled trip only after reservations for that particular trip have been accommodated. Individuals holding reservations on a canceled trip may transfer that reservation to a subsequent trip without an additional reservation fee, provided this request is made within 72 hours of the canceled trip and the trip is made, within the limitations of the ticket.

Reservations are transferable to another person.

Automobile & truck reservations are not interchangeable.

ITEM NUMBER 12: Priority Transportation and Reserved Spaces (cont.)

If a reservation is not used, customers will forfeit their reservation fee.

When purchasing a truck reservation, it is very important to indicate the exact length of the truck. Refunds or credit will not be issued if a reservation is made for a longer truck than the truck being transported. If a reservation is confirmed for a certain truck length, but the ticket needs to be upgraded to accommodate a longer truck, it will be done so only if there is room on the vessel without bumping someone else. If the reservation cannot be upgraded, no refunds or credit will be issued.

Reservations are not to be monopolized. No individual or organization may monopolize available reservations for extended periods of time without prior authorization from the Director of Operations. Terminals are to notify the Director when reservations are being monopolized. The Director will confer with Town advisory board members when monopolization is suspected. When the Director, in consultation with the Town advisory board members, determines that reservations are being monopolized, the reservations will be cancelled and the individual or organization notified. Truck/vehicle tickets, as well as reservation fees, may be forfeited if an individual or firm does not use the reservation.

MUNICIPAL PRIORITY:

Each municipality is authorized to arrange priority transportation in support of town projects through the Rockland terminal. Swan's Island and Frenchboro will arrange priorities through either the Swan's Island or Bass Harbor terminals. Islesboro will arrange priorities through either the Islesboro or Lincolnville terminal.

ISLAND SPECIFIC INFORMATION:

A. FRENCHBORO:

Individuals may make reservations by calling the Bass Harbor or Swan's Island Terminal.

B. ISLESBORO:

Postal Service Vehicles involved in the delivery of mail shall be given priority status.

Individuals may make reservations by calling the Islesboro or Lincolnville Terminal.

ITEM NUMBER 12: Priority Transportation and Reserved Spaces (cont.)

C. MATINICUS:

Reservations may be made up to three months in advance. Matinicus Recycling may make one truck reservation per trip up to four months in advance. Customers may request reservations by calling the Rockland terminal. A reservation may be transferred to another trip, at no additional cost, provided at least a two-week notice is given in advance of scheduled departure of original trip and space is available on the requested trip.

D. NORTH HAVEN:

There will be only one truck reservation on vessels serving North Haven. Commercial customers in good standing may make reservations up to 60 days in advance of the date they wish to travel provided they meet the following conditions:

- (1) Must be a regular provider of perishable commodities for retail sale on the island.
- (2) Reservations must be used to transport such commodities. Only two 60-day reservations per customer each way per week are allowed.

Commercial customers exercising the 60-day reservation must provide evidence of continued eligibility upon demand of the Maine State Ferry Service.

E. SWAN'S ISLAND:

Reservations are authorized for a third truck reservation on any scheduled trip contingent on space availability after regular reservations have been sold. It will be issued on a "first come-first served" basis by the terminal.

- Fishing Industry (Bait & Lobster) - the fishing businesses Kent's Wharf & S.I. Fisherman's Coop
- Fuel - Kent's Wharf & S.I. Fisherman's Coop & Swan's Island Fuel

4th Trip - 4 cars 1 truck, and one Parcel Delivery Truck

6th Trip - 4 cars and 1 truck

ITEM NUMBER 12: Priority Transportation and Reserved Spaces (cont.)

(2) NON-RESERVATION BOAT PRIORITIES

On a day designated by Vinalhaven Town Officials:

The first boat leaving Rockland and second boat leaving Vinalhaven will have a priority for a trash or demolition truck. The town must notify the Vinalhaven terminal of the size of the truck being used by 3:15 p.m. two days prior to travel.

The second boat leaving Vinalhaven and 5th boat leaving Rockland on Tuesdays will have two (2) bottle gas priorities which must be claimed by 3:15 p.m. two days prior to travel. Companies not utilizing this schedule for the transporting of propane, without prior approval from Ferry Service manager, will be charged for the number of spaces used to transport their product (generally five spaces plus the cost of transporting the truck and driver).

(3) COMMERCIAL CUSTOMERS QUALIFICATIONS-

Commercial customers in good standing (no outstanding balances due over 60 days) may make reservations either 45 or 60 days in advance of the date they wish to travel if they meet the following qualifications:

a.) 60 Days-must have made 10 or more crossings in the previous seven-day period and must be a regular provider of perishable commodities (groceries, produce, etc.) for retail sales on the island and intend to use the reservation for the transportation of these commodities. Two 60-day reservations each way per day are authorized.

For the period of January 1 to March 31 one of the 60-day reservations will be a 30-day reservation for any truck, without provisions for perishables or a specific number of crossings. On April 1, it reverts to a 60-day reservation. The previous holder does not need to remain qualified during the 3-month period of January through March but will retain the 60-day reservation and must remain qualified upon resuming the reservation on April 1.

b.) 45 Days-must have made 8 or more crossings in the previous 7 days. Two 45-day reservations each way is authorized (including the Parcel Delivery reservation). This reservation will be a shared seasonal reservation utilized by the Vinalhaven fuel dealers, combined, from September 16 through March 16. From March 17 through September 15, this will be an open reservation. The holder as of the previous September 15 will not have to re-qualify on March 17 but from March 17 on must continue to qualify.

COMMERCIAL CUSTOMERS EXERCISING THE 45- OR 60-DAY RESERVATION MUST PROVIDE EVIDENCE OF CONTINUED ELIGIBILITY UPON DEMAND BY THE MAINE STATE FERRY SERVICE.

ITEM NUMBER 12: Priority Transportation and Reserved Spaces (cont.)

(4) FISHING INDUSTRY PRIORITY

a.) There shall be two priorities per day (one on the second trip and one on the fifth trip) on the Vinalhaven based boat for the fishing industry. The priority must be confirmed in person at the Vinalhaven terminal before 7:00 a.m. the day prior to travel and will be issued on a first come, first served basis. To qualify for use of this priority, the customer must be a Vinalhaven based fishing business and be a taxpayer of the Town of Vinalhaven. The Maine State Ferry Service will require a letter from the Town of Vinalhaven authorizing use of this priority.

b.) Transferable Town of Vinalhaven Priority: There shall be established one 35-foot truck reservation leaving on the first boat from Vinalhaven for the use of Town of Vinalhaven. This priority must be claimed by 2:45 p.m. two days before they wish to exercise the priority. If the priority is not claimed by Town of Vinalhaven, it may be claimed by any other person for a truck, not to exceed 35 feet, by 3:15 p.m. two days prior to travel. This priority must be claimed in person at the Vinalhaven terminal.

ITEM NUMBER 13: Towing Vehicles off Vessels

If, because of dead batteries, flat tires or other physical disability, a motor vehicle cannot be discharged from vessels under its own power and it is necessary for the Carrier to obtain towing service to discharge the vehicle, charge for the service will be the liability of the owner of the disabled vehicle and must be paid directly to the towing service company by the vehicle owner.

ITEM NUMBER 14: Transportation of Livestock

Livestock will be transported at Carrier's convenience and only in adequate motor vehicle equipment. Carrier will assume no liability for livestock while on vessels or at terminals. Vehicles transporting livestock must be properly enclosed to prevent spillage or otherwise create an unsanitary condition on vessels.

ITEM NUMBER 15: Transportation of Household Pets

Household domesticated pets will be transported without charge when accompanied by passenger on foot or in vehicles. Such pets will be transported entirely at risk of the owner who will be required to take care of, clean up after and safeguard them while on vessels or at terminals. All pets must be held secure by leash, crate, cage or otherwise adequately restrained.

ITEM NUMBER 16: Transportation of Corpses

Corpses will be transported in vehicle only. Such transportation will be considered in the rates and charges applicable to the vehicle.

ITEM NUMBER 17: Definition of Hand Baggage and Allowance

The term “Hand Baggage” as used herein means the baggage, personal effects or other property of passengers taking passage on Carrier’s vessels. Only such baggage, personal effects or other property as can be handled by the passenger making one trip on board the vessel on which he or she is to take passage will be carried as part of the value of the passenger ticket.

Baby strollers, carts, wagons, and other oversized/bulky items may be carried without charge, when space is available as determined by the Captain but the item must not constitute a hazard due to blocking safe, rapid egress from vehicles and/or passenger cabins.

In no case will the following large and bulky items, including but not limited to, long ladders, extension ladders, beds, bed springs, mattresses, cribs, any and all types of bicycles, kayaks, canoes, lawn mowers, and outboard motors, be considered as part of the passenger fare. The transportation of these types of items must be arranged for by the passenger via a separate common carrier, freight or express service.

Passengers in vehicles may carry baggage or other property in such amounts as can be reasonably loaded in or securely fastened on vehicles when such vehicles have been assigned charges specified herein.

Carrier does not maintain a checked baggage service. The handling of baggage by Carrier will be as an accommodation only to the passenger.

Carrier reserves the right to refuse any and all articles of baggage or other property that in the opinion of the Carrier, Agent or Captain of the vessel will, or may jeopardize the vessel’s safe operation or that the carrier is not equipped to handle. Dangerous articles prohibited by law will not be carried.

Carrier’s liability for the loss or damage to baggage, personal effects or other property will be limited to that provided in Items 8 and 9 of this Tariff.

ITEM NUMBER 18: Definition of Passenger Fares

ADULT FARES: Adult fares are for passengers age eighteen and older.

MINOR FARES: Children under six years of age are free of charge. Children six to seventeen years of age will be charged the minor fare. Children twelve and under must be accompanied by a parent or adult guardian, who shall be considered to be eighteen years or older, or at the discretion of the Terminal Supervisor.

STUDENT and SCHOOL EMPLOYEE FARES: Students are classified as those attending public or private schools approved by the State of Maine, in grades pre-kindergarten through 12. School employees and students (and a chaperone if a student is under the age of 12) living on the mainland and attending school/working at a school on an island, or vice-versa, are granted free use of scheduled ferry service to/from the islands served by the Maine State Ferry Service for:

- a) Regular School Days: one round-trip ticket per school day
- b) School Functions: one round-trip ticket per school function or school sponsored activity
- c) Inter-School Trips: one round-trip ticket made by students/staff from mainland schools for school functions on islands served by the Maine State Ferry Service.

All vehicles used to transport students, faculty members, and adult supervisors as defined herein will be subject to applicable tariff charges.

Each semester, the superintendent or principal of the school will present the names and addresses of commuters to the nearest Terminal Agent. Also, a list will be submitted for each school function. Schools will submit a transportation form at least 24 hours in advance of travel to the appropriate terminal.

RETIRED MAINE STATE FERRY SERVICE EMPLOYEES: Retired Maine State Ferry Service employees are granted complimentary walk-on passage on all vessels. A pass, issued by the Rockland office, is required to qualify for complimentary walk-on passage.

ITEM NUMBER 19: Definition of Motorcycle Fares

“Motorcycle” means a motorcycle, a motorized scooter, a moped, "E" bike, or a motorized bicycle or tricycle (all as defined in 29-A M.R.S. § 101).

Rates and charges for motorcycles include the transportation of the motorcycle, and the driver between named points. Driver is responsible to protect the motorcycle and its contents during passage. All other persons accompanying the motorcycle will be charged the appropriate passenger fare.

ITEM NUMBER 20: Definition of Vehicle Fares

“Vehicle” means a motor vehicle (excluding motorcycles) with four tires or less *and* Overall Length 20 feet or less *and* be one of the following types: Automobiles, Vans, Pickup Trucks, Golf Carts, Fork Lifts, Riding Lawn Mowers, Tractors or All-Terrain Vehicles.

Special Trips to locations not being served by the Maine State Ferry Service are prohibited.

ITEM NUMBER 23: Special Trips and Emergency Trips (cont.)

EMERGENCY TRIPS:

Carrier will make Emergency Trips contingent on crew availability, weather and subject to provisions of Items 4, 6 and 11 for the following purposes:

- 1) To transport sick or injured persons from Islands when a properly authorized person such as a doctor, nurse, licensed EMT, ambulance attendant or town official requests the Captain of the vessel to operate such a trip. An ambulance returning from an Emergency Trip will not be charged an additional fee and will be given priority over other vehicles.
- 2) To deliver or return fire apparatus, fire persons in uniform and/or call persons of fire departments wearing badges that are responding to or returning from an emergency when a properly authorized person such as fire department officers, town officials or dispatcher requests the Captain of the vessel to operate such a trip. Fire equipment or fire persons returning on a scheduled trip will be charged the regular fare. Fire equipment will be given priority over other vehicles.
- 3) For the purpose of public safety, when requested and authorized by a town official. Public safety vehicles returning on a scheduled trip will be charged the regular fee but will be given priority over other vehicles.
- 4) Emergency Trips Fees will be charged to the individual towns requesting the emergency trips at the following rates:

<u>Route</u>	<u>Emergency Trip Fee</u>
Vinalhaven to Rockland	\$1,200.00
North Haven to Rockland	\$1,200.00
Islesboro to Lincolnville	\$1,200.00
Swan’s Island to Bass Harbor	\$1,200.00

Emergency Trips Fees will only be applicable for emergency trips which are unscheduled and do not coincide with regularly scheduled trips.

ITEM NUMBER 24: Medical Priorities

Medical Priorities will be granted under the following conditions. Priority transportation for passengers and vehicles will be provided on scheduled trips ahead of all other vehicles.

1. All medical priorities will be made by a doctor, physician's assistant, registered nurse, practical nurse, or EMT in charge of patients care and must call the appropriate terminal to make the request.
2. If a reservation is available, no priority will be issued.
3. Priorities will be limited to patients only. (Priorities may be issued to individuals picking up patients, provided the patient's condition warrants immediate pickup and return to the island.)
4. Priorities will not be issued for routine appointments (i.e., dental, eye care, physicals, etc.), this is intended for surgery or other treatment that would give priority over other passengers.
5. Priorities will not be issued for return trip to the island unless medically necessary as authorized by a doctor, nurse or physician's assistant and must call the appropriate terminal to make the request. Typically this would be due to a surgery or other treatment that would require immediate return to the island in a vehicle.
6. In accordance with Sec. 1. 23 MRSA §4407, residents of the islands served by the Ferry Service are eligible for free ferry passage to and from the mainland for appointments pertaining to a catastrophic illness. Applications are available at the terminals or online.
