Frenchman Bay Library is a 501c3 organization. A public library that serves the towns of Sullivan, Sorrento, Hancock and visitors to the Schoodic National Scenic Byway. Our library is grateful for the support we receive from the Town of Sullivan, and to the Sorrento-Sullivan Recreation Center for our building as we serve the residents and visitors to our area. We offer free library cards to all area residents- year round and seasonal, as well as open our doors to visitors for library tourism and programs.

We have partnered with many local organizations to bring programming and services to our region. Our Story Trail, originally a collaboration between us, Age Friendly Sullivan, and the Sorrento-Sullivan Recreation Center will soon be getting an upgrade thanks to an anonymous benefactor. We are proud to bring a variety of spaces and programming to our community and visitors. We also are always happy to serve visitors passing through with our 24/7 Wi-Fi which extends to our parking area.

We fully support the Schoodic National Scenic Byway in their pursuit of the FHWA grant to create a Discovery and Recreation Hub and look forward to the new ways we might be able to work together.

Thank you,

Judy Ashby
