

Electrical Safety Workshop

**Sponsored by
Maine Local Roads Center**

**A cooperative Program by the
Maine Department of Transportation
and
Federal Highway Administration**

Who should attend:

- Public Works Directors
- Road Foremen/crew Members
- Selectmen
- Road Commissioners
- Town Managers

What will be Covered:

This Workshop is designed to educate local officials about electrical safety. Central Maine Power and On-Target will discuss the actions needed to be taken when planning a work project and cautions to be exercised when working around electrical wires.

Major themes include the following:

- Changes in Dig Safe Law
- What you need to do before a project begins
- Electrical Demonstrations by CMP
- Real life lessons learned
- How to reduce risk
