

Lower Road Rail Corridor

Rail Use Advisory Council

6/28/23 Meeting Agenda, 10:30 am – 12:00 pm

- › Summary of public comments from public meeting
- › Follow-up questions from public meeting
 - Will MaineDOT reconsider RWT policy to permit <10.5' offset from rail?
 - Will the RUAC consider ATVs as an allow use?
 - A review on the interim trail, removal of rail and the difficulty of putting rail back in.
 - If we took the amount set aside for interim, how much rail/trail could we actually do?
 - Were trail connections through Hollowell included in the estimates?
 - In our report, can we suggest focusing in on the Back Road for passenger rail?
 - Are there opportunities on the system, particularly where this double track or connections to other ATV trail systems where we can accommodate ATVs?
 - Other?
- › Other business (5 min)
 - Agenda for July meeting
- › Public Comment Period (15 min)
