

# We're taking a break so you can enjoy yours!

Conceptual rendering of the new, more inviting downtown streetscape that will result from the GOGunquit project.

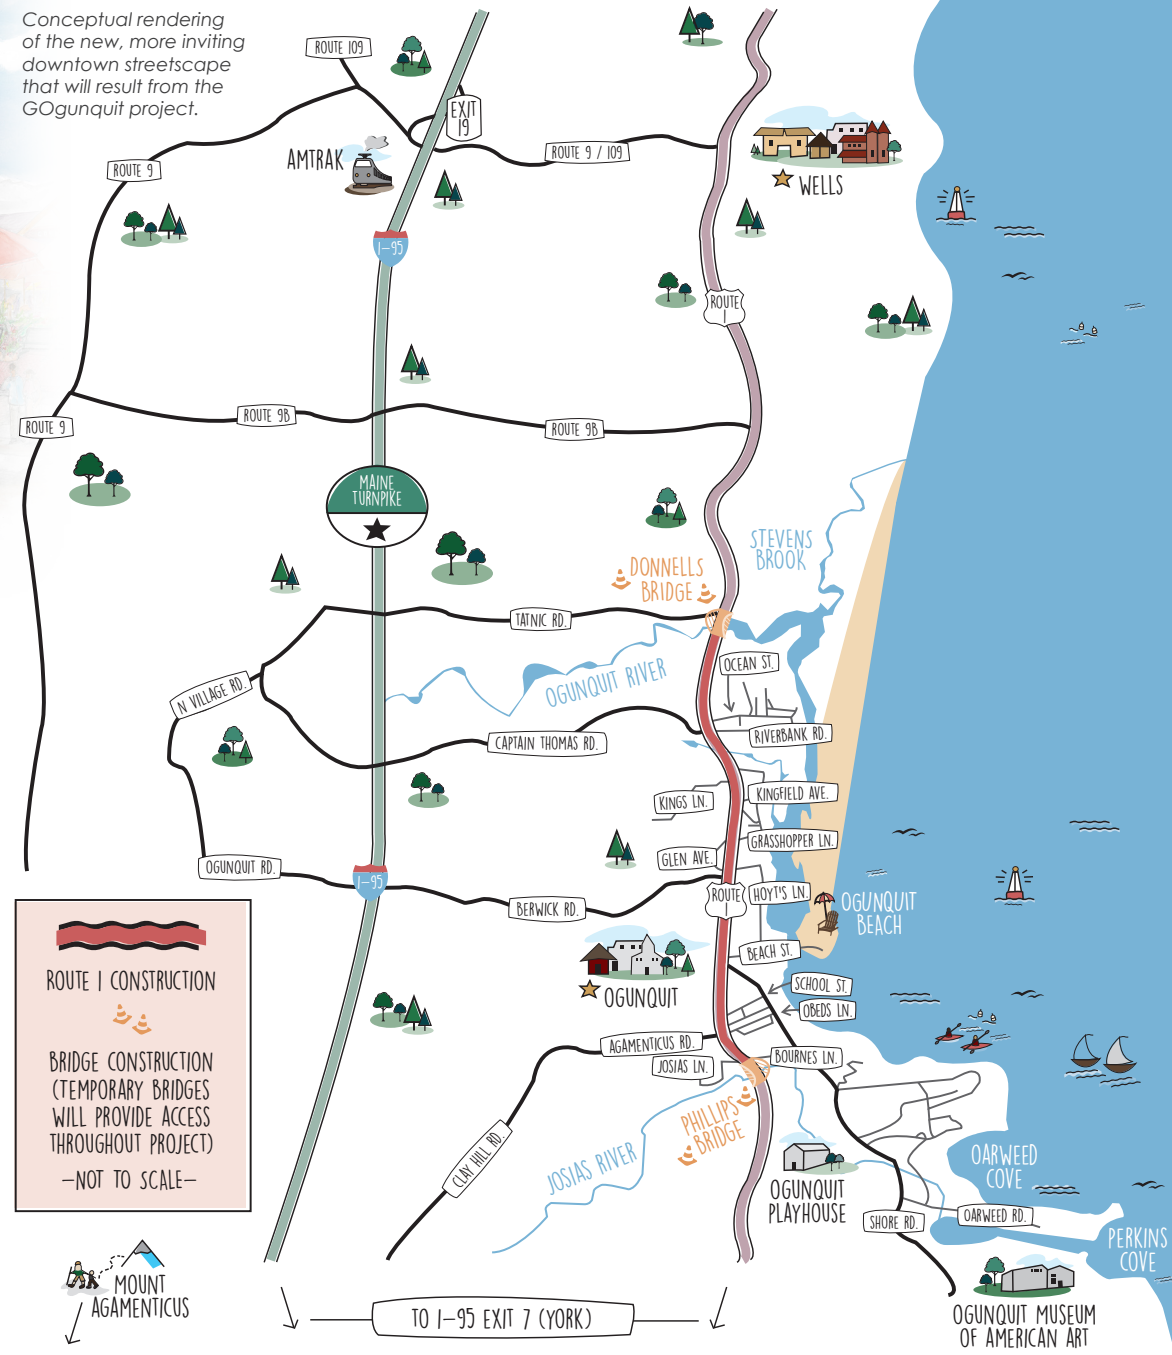

## MaineDOT is halting work on Route 1 in Ogunquit June 21<sup>st</sup> through Labor Day.

We're working long and hard to finish upgrading Route 1 through Ogunquit by December 30, 2016. But to make sure your vacation isn't affected, we're taking a break of our own... all summer long.

(Work will continue on bridges, but two-way traffic will be maintained.)

Visit [MaineDOT.gov](http://MaineDOT.gov) for the latest updates. And enjoy your stay in Ogunquit, Maine!

/OGUNQUITPROJECT

PLEASE DRIVE SAFELY THROUGH THE WORK ZONES!
