

# MaineDOT is working hard to ensure *smooth sailing* this summer... and a more beautiful Ogunquit when we're through!

We've begun a much-needed reconstruction of Route 1 and two bridges, plus a facelift of Ogunquit's iconic streetscape. We'll be working long and hard to finish the project by December 30, 2016. During the busy season, June 18 – Labor Day, road construction will cease and temporary bridges will keep traffic moving.

Visit [MaineDOT.gov](http://MaineDOT.gov) to sign up for email alerts and get more detailed information, including an artist's vision of the end result: an even more beautiful Ogunquit, Maine!
