*******ROADWORK SUSPENDED*******

FRIDAY FEBRUARY 23, 2018

TO

MONDAY MARCH 19, 2018

As many of you may have noticed, the construction work has slowed down steadily over the winter months. The contractor will be suspending work for the next few weeks until the weather allows for more heavy roadwork to be done.

The utility companies will still be on site switching from the old telephone poles to the new ones so please pay attention to flaggers and signage.
