

## Sweden

This report shows the 2024-2026 Work Plan entries for Sweden. The costs listed are the total cost of these projects – some of which may extend into neighboring towns. It also shows a listing of maintenance work specifically recorded to Sweden, as well as Local Road Assistance payments. Activities that are managed on a larger scale, such as snow & ice control, and maintenance work done by contract are not listed. The maintenance accomplishments may also extend into neighboring towns but are listed in the first town where the work was reported. Finally, any capital projects that were completed in 2023 are also listed.
