9/18/2018 – Barbie attended Maine Developmental Services Oversight and Advisory Board meeting at the Curtis Memorial Public Library in Brunswick from 10 am to 12:20 pm. Gave overview of Transit Services outlining the different types of bus routes/services (i.e.: fixed urban; flex rural; and demand response), different types of FTA funds our office helps statewide transit providers obtain (i.e.: 5311, 5310); and answered questions from the MDSOAB Board members. Explained urban areas of state vs. rural areas.

9/19/2018 – Consultation with Aroostook Band of Micmac Indians at tribal office in Presque Isle.

9/19/18 – Impact Cancer Network meeting discussions on the importance of volunteer drivers.

9/21/2018 – Bidder/Consultation Meeting for Intercity Bus RFP Process held at MaineDOT in conference room 216. Meeting offered via Adobe Connect for interested parties unable to travel to MaineDOT Headquarters. Group discussion of intercity bus service, long range plan, and locally coordinated plan.

9/27/18 – Transportation and Community Well-Being Network (Southern Maine mobility efforts run by GPCOG)

10/1/18 – Brunswick Explorer Advisory Committee held in Brunswick. Discussion of routes, ridership, and expansion.

10/2/18 – Moving Maine Design team discussion on building the network.

10/16/2018 – MaineCare Region 3 NET Advisory Committee meeting at Penquis in Bangor. Semi-annual advisory committee meeting to hear brokerage update and get public input.

10/17/18 – Complete Streets, Augusta. Staff attended the FHWA-sponsored complete streets training held at Governor Hill Mansion. The training purpose was to ensure that projects are developed to account for the needs of all people, including those with disabilities, as well as other modes of travel beyond cars, such as transit.

10/25/2018 – MaineCare Region 4 NET Advisory Committee meeting at KVCAP in Waterville. Semi-annual advisory committee meeting to hear brokerage update and get public input.

November 2018 – Six public forums held across the state to discuss transit needs for inclusion in the locally coordinated transit plan. These forums were held in Caribou, Dover-Foxcroft, Kennebunk, Hallowell, Bangor, and Bethel. Participants identified needs, evaluated strategies, and prioritized projects to meet demand.

12/12/18 – Western Maine Transportation Services Regional Public Transportation Forum for Legislators and Business. Discussion specifically for legislators and businesses focused on why, and what, legislative action is needed to better fund public transportation to help support business's needs to train, recruit and retain workers, and how well-funded public transit can help get workers where they're needed as well as provide other economic benefits. Also a look at how public-private partnerships can be effectively employed to amplify state and federal funding to create a reliable, robust, relevant and sustainable public transportation infrastructure. Keynote speaker was Scott Bogren, Executive Director of the Community Transportation Association of America (CTAA).
