Dear Ms. Brann:

The Federal Transit Administration (FTA) has reviewed your letter dated October 22, 2018 requesting that the locally coordinated transit plan (LCP) from 2013-2017 for Maine Department of Transportation (MaineDOT) be extended through calendar year 2018. Your request has been approved and will maintain MaineDOT in compliance as the new LCP is completed. Furthermore, any projects identified in the coordinated planning process during the interim period must meet the criteria of the current LCP. Projects which are selected for FTA Section 5310 funds must be incorporated in the TIP/STIP.

If you have any questions or concerns, please feel free to reach Alex Hammond at alexander.hammond@dot.gov or by phone at 617-494-2304.

Sincerely,

Peter S. Butler
