

One *Maine Enhanced 9-1-1 Update Form* will need to be filled out for the above edit. The following sections are found on *MSAG Update Forms* and serves as an example as to what information needs to be provided to MEGIS in order to complete the edit. In addition, please provide *all* the information noted on the map above by marking it on a *copy* of the map book page. *Please* submit both the map book page and the *Update Form* to MEGIS.

FORM 1

<input type="checkbox"/> <input type="checkbox"/> D. Delete Street/Road	Effective Date: 1/24/2003
1. Street/Road Name: Iris Av	

Remarks: Iris Av is no longer a thru road
