

ADVANCED INCIDENT COMMAND SYSTEM (ICS 400)
June 14, 2024

The Aroostook County Emergency Management Agency will be conducting an incident command system course for command/management personnel. This 1-day course is designed for a multidiscipline audience of persons who would serve as command in an ICS structure. The course includes group activities, a tabletop exercise, and a final exam.

SELECTION CRITERIA: The target audience for this course is senior personnel who are expected to perform in a management capacity in an area command or multiagency coordination entity.

REQUIRED PREREQUISITES: Successful completion and understanding of IS700/IS100/IS200/IS800/ICS300 introductory NIMS and basic and intermediate incident command training is a requirement for attendance.

NEEDED MATERIALS: Laptop or tablet is needed for this course.

Course Location: The course will be held at the Aroostook County Emergency Management Agency, 158 Sweden Street, Caribou. Classes will be conducted from 8am-4:30pm. Lunch will be provided.

Registrations can be emailed to eoc@aroostookema.com.

Registrants should use the FEMA 119 training application form at <https://training.fema.gov/apply/119-25-1.pdf?d=2014-12-9>
